Set out below is a summary of the key financial information of the Target Group for the two years ended 31 December 2018, and as at 31 December 2017 and 2018:

	For the year ended 31 December 2017 <i>HK\$'000</i> (approximately)	For the year ended 31 December 2018 <i>HK\$'000</i> (approximately)

Profit/(Loss) after taxation	35,587	(5,291)

	As at 31 December 2017	As at 31 December 2018
	HK\$'000 (approximately)	HK\$'000 (approximately)
Total assets	454,487	485,265
Net assets	66,660	38,459

FINANCIAL EFFECT OF THE DISPOSAL

The Target Group has been accounted for as financial assets at fair value through other comprehensive income of the Group and its financial results have not been consolidated in the Group's financial statements since the completion of its acquisition in October 2010. Upon Completion of the Disposal, the Target Group will cease to be classified as financial assets at fair value through other comprehensive income of the Group.

Upon Completion, the Group expects to record estimated unaudited other comprehensive income of approximately HK\$7,000,000 as a result of the Disposal, which is calculated with reference to the difference between (i) the Consideration and (ii) the aggregate of (a) the unaudited net asset value of the Target Group as at 31 March 2019; and (b) the estimated expenses in connection with the Disposal. The Consideration will be applied to the Group for general working capital and daily operating use. The actual other comprehensive income as a result of the Disposal to be recorded by the Group may be subject to accounting adjustment and shall be subject to audit to be performed by the auditors of the Company.

REASONS FOR AND BENEFITS OF THE DISPOSAL

The Directors are of the view that the gloomy economy of Hong Kong caused by the present anti-extradition law amendment bill movement has casted uncertainty to the general conditions of the market in Hong Kong and made it unstable, and the Group should realise its profit in relation to its interest in the Target Company so as to prevent loss in the investment. The net proceeds as a result of the Disposal provides working capital for the Group's future development.

The terms of the Sale and Purchase Agreement were determined after arm's length negotiations between the Vendor and the Purchaser on a willing-buyer and willing-seller basis. In determining the Consideration, the Board has made reference to, among others, the value of the Target Group at fair value based on the Group's unaudited financial statements included in its 2019 Interim Report.

In light of the reasons above, the Directors (including the independent non-executive Directors) consider that the terms of the Sale and Purchase Agreement are on normal commercial terms, fair and reasonable and the Disposal is in the interests of the Company and the Shareholders as a whole. The Disposal has been approved by the Board. As none of the Directors had material interests in the Sale and Purchase Agreement, no Director was required to abstain from voting on the resolutions approving the Sale and Purchase Agreement and the transaction contemplated thereunder.

IMPLICATIONS UNDER THE LISTING RULES

As one or more of the relevant applicable percentage ratios (as defined under Rule 14.07 of the Listing Rules) in respect of the Disposal is more than 5% but is less than 25%, the Disposal contemplated under the Sale and Purchase Agreement constitutes a discloseable transaction for the Company under the Listing Rules and is subject to notification and announcement requirements as set out in Chapter 14 of the Listing Rules.
