VOLUNTARY ANNOUNCEMENT

ACQUISITIONS OF COMPANIES IN POLAND BY SMITHFIELD

This announcement is made by the Company on a voluntary basis.

The Board is pleased to announce that the Company has through Smithfield, its indirect wholly-owned subsidiary, expanded its operations in Europe by the Acquisitions described below.

THE ACQUISITIONS

Pini Polska, Hamburger Pini and Royal Chicken

On June 1, 2017, Smithfield (through a wholly-owned subsidiary) acquired 100% of the share capital of each of (i) Pini Polska, which operates a meat processing and packaging plant in Kutno, Poland with a production capacity of 100,000 m.t. per year, (ii) Hamburger Pini, which operates a case ready meat plant in Kutno with a production capacity of 40,000 m.t. per year, and (iii) Royal Chicken, which is a poultry processing plant under construction in Kutno with a planned production capacity of 100 million birds per year.

The acquisitions of Pini Polska, Hamburger Pini and Royal Chicken align with the strategic growth plans of the Group by strengthening Smithfield's vertically-integrated supply chain in Poland and increasing its production of high-quality packaged meats products. The acquisitions also capitalize on existing opportunities for the Group to expand in areas with attractive market dynamics and to develop scale over time.

Pini Polonia

On July 28, 2017, Smithfield (through a wholly-owned subsidiary) acquired 33.5% of the share capital of Pini Polonia and entered into a share purchase agreement, pursuant to which Smithfield (through a wholly-owned subsidiary) agreed to acquire the remaining 66.5% of the share capital of Pini Polonia, conditional upon, among other things, obtaining anti-monopoly approval from the relevant regulatory authorities.

Pini Polonia operates a hog slaughterhouse in Kutno, Poland with a production capacity of 4 million hogs per year. As at the date of this announcement, the acquisition of the remaining 66.5% of the share capital of Pini Polonia has not been completed.

The Group expects to increase its slaughter capacity and realize improved operating efficiencies in Poland from the acquisition of Pini Polonia's modern, high speed slaughterhouse in Kutno. The acquisition should lower Smithfield's overall cost structure in Poland, and Pini Polonia's faster line speeds coupled with a higher level of throughput should make Smithfield more competitive in Europe and globally. In addition, the Group expects to reduce live hog transportation costs because the slaughterhouse in Kutno is strategically located in the center of Poland's highest hog producing region.

LISTING RULES IMPLICATIONS

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, each of the sellers of Pini Polska, Hamburger Pini, Royal Chicken, Pini Polonia and their respective ultimate beneficial owners is a third party independent of the Company and its connected persons.

As the Acquisitions were entered into with the counterparties who are affiliated to each other, they are required to be aggregated pursuant to Rule 14.22 of the Listing Rules. As each of the applicable percentage ratios calculated in accordance with the Listing Rules in respect of the Acquisitions, when aggregated pursuant to Rule 14.22 of the Listing Rules, is below 5%, the Acquisitions do not constitute notifiable transactions of the Company under Chapter 14 of the Listing Rules.
