Based on the preliminary information currently available to the Company, the board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, as compared to the profit attributable to the Shareholders (“**Net Profit**”) for the six months ended 30 June 2019 (the “**Same Period Last Year**”) of approximately RMB894,123,000, the Company expects the Net Profit for the six months ended 30 June 2020 (the “**Review Period**”) is to decrease by 55% to 60%.

The expected decrease in the Net Profit for the Review Period was mainly attributable to the outbreak of the Coronavirus Disease 2019 (“**COVID-19**”) coupled with the pressure of price reduction of old products. Additionally, the Group is still facing the pressure of price reduction of old products, as well as the United States imposes additional tariffs on Chinese export products, the Group’s gross profit margin is expected to decline by 5% to 7% as compared to the Same Period Last Year.

The Company is in the process of finalising the results of the Group for the Review Period. The information contained in this announcement is only a preliminary assessment by the management of the Company based on the information currently available to the Group and is not based on any figures or information which have been audited or reviewed by the auditor.
