To the Shareholders and option holders of the Company

Dear Sirs

**RENEWAL OF THE GENERAL SCHEME LIMIT
UNDER THE SHARE OPTION SCHEME**

INTRODUCTION

On 12 September 2016, a resolution was passed by the Board to approve the renewal of the General Scheme Limit. It was proposed that at the SGM, resolution in relation to the renewal of the General Scheme Limit would be proposed to the Shareholders for consideration and, if thought fit, approval.

The purpose of this circular is to provide the Shareholders with details of the renewal of the General Scheme Limit and to give the Shareholders notice of the SGM.

LETTER FROM THE BOARD

RENEWAL OF THE GENERAL SCHEME LIMIT

As at the Latest Practicable Date, the General Scheme Limit was near depletion. The Board proposed to refresh the General Scheme Limit, subject to the Shareholders' approval, so that the Company would be allowed to grant further options to eligible participants under the Share Option Scheme to motivate such eligible participants to contribute to the success of the Group.

Under the rules of the Share Option Scheme:

- (1) the maximum number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option schemes of the Group must not in aggregate exceed 30% of the Shares in issue from time to time; and
- (2) the total number of Shares which may be issued upon the exercise of all options granted under the Share Option Scheme and any other share option schemes of the Group is limited to 10% of the Shares in issue as at the date of approval by the Shareholders of the refreshed limit.

The Company may seek approval from the Shareholders in general meeting for refreshing the General Scheme Limit so that the total number of Shares which may be issued upon the exercise of all options granted under the Share Option Scheme and any other share option schemes of the Group shall be re-set at 10% of the Shares in issue as at the date of the approval of the limit as "refreshed".

Options previously granted under the Share Option Scheme and any other share option schemes of the Group (including options outstanding, cancelled, lapsed or exercised) will not be counted for the purpose of calculating the General Scheme Limit as "refreshed".

The existing General Scheme Limit is 122,255,447 Shares, being 10% of the Shares in issue as at 15 March 2011, being the date on which the Share Option Scheme was adopted. On 2 April 2012, options carrying the rights to subscribe for up to a total of 120,000,000 Shares were granted under the Share Option Scheme, representing approximately 98.16% of the General Scheme Limit. No new option has been granted since 2 April 2012.

As at the Latest Practicable Date, (i) 15,600,000 of the options granted under the existing General Scheme Limit had been exercised; (ii) 550,000 Existing Options have lapsed and cancelled; and (iii) 103,850,000 Existing Options remained outstanding, representing approximately 3.75% of the issued Shares. Unless the General Scheme Limit is "refreshed", only up to 2,255,447 Shares may be issued pursuant to the grant of further options under the Share Option Scheme. The existing General Scheme Limit has not been refreshed since the adoption of the Share Option Scheme.

If the General Scheme Limit is "refreshed", on the basis of 2,772,228,686 Shares in issue as at the Latest Practicable Date and assuming that no Shares will be issued or repurchased by the Company prior to the SGM, the General Scheme Limit will be re-set at

LETTER FROM THE BOARD

277,222,868 Shares (being 10% of the Shares in issue at the Latest Practicable Date) and the Company will be allowed to grant further options under the Share Option Scheme and other share option schemes carrying the rights to subscribe for a maximum of 277,222,868 Shares.

The purpose of the Share Option Scheme was to enable the Company to grant options to selected participants as incentives or rewards for their contribution to the Group. Given that the existing General Scheme Limit is near depletion, the Share Option Scheme cannot continue to serve its intended purpose for the benefits of the Group and the Shareholders unless the General Scheme Limit is “refreshed” in accordance with the rules of the Share Option Scheme.

The Board considers that it will be for the benefit of the Company and the Shareholders as a whole that eligible participants of the Share Option Scheme are granted rights to obtain equity holdings of the Company through the grant of options under the Share Option Scheme. This will motivate the eligible participants to contribute further to the success of the Group. For these reasons, the Board will propose the passing of an ordinary resolution at the SGM to “refresh” the General Scheme Limit.

Application will be made to the Listing Committee of the Stock Exchange for the listing of, and the permission to deal in, the Shares representing 10% of the issued share capital of the Company as at the SGM to be allotted and issued upon exercise of the options that may be granted within the General Scheme Limit as refreshed.

THE SGM

A notice of the SGM is enclosed with this circular. At the SGM, an ordinary resolution will be proposed to approve the renewal of the General Scheme Limit.

A form of proxy for use at the SGM is enclosed with this circular. Whether or not you are able to attend the SGM, you are requested to complete and return the accompanying form of proxy in accordance with the instructions printed thereon and deposit it with Tricor Secretaries Limited, the branch share registrar of the Company in Hong Kong, at Level 22, Hopewell Centre, 183 Queen’s Road East, Hong Kong as soon as possible and in any event not later than 48 hours before the time appointed for holding the SGM or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting in person at the SGM if you so wish. Pursuant to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll. Therefore, the resolution put to vote at the SGM will be taken by way of poll. After the conclusion of the SGM, the Company will announce the results of the poll in the manner prescribed under Rule 13.39(5) of the Listing Rules.

RESPONSIBILITY STATEMENT

This circular, for which the directors of the Company collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The directors of the Company, having made all reasonable enquiries, confirm that, to the best of their knowledge and

belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement in this circular or this circular misleading.

RECOMMENDATION

The Board believes that the renewal of the General Scheme Limit is in the best interests of the Company and the Shareholders and therefore recommends the Shareholders to vote in favour of the ordinary resolution in relation to the renewal of the General Scheme Limit to be proposed at the SGM.

Yours faithfully
For and on behalf of the Board

Li Ming Hung
Chairman
