The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the information currently available to the Company, the Group’s profit attributable to owners of the Company for the six months ended 30 September 2017 is presently anticipated to have a significant increase as compared to that for the six months ended 30 September 2016. Compared with the corresponding period, the significant increase in profit was mainly attributable to (i) the steady growth in revenue of the textile segment; and (ii) a substantial increase in the Group’s net gain from fair value change of derivative financial instruments.

Therefore, the actual results of the Group for the six months ended 30 September 2017 may differ from the information contained in this announcement. The Shareholders and potential investors should refer to the Group’s interim results announcement for the six months ended 30 September 2017, which is expected to be published by the end of November 2017, for details of the performance of the Group.
