(B) RE-ELECTION OF RETIRING DIRECTORS
(C) ADOPTION OF THE NEW SHARE OPTION SCHEME
OF A SUBSIDIARY
AND NOTICE OF ANNUAL GENERAL MEETING

1. INTRODUCTION

This circular contains an explanatory statement to be sent to shareholders of the Company in compliance with the Listing Rules to give all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the resolutions to approve the Repurchase Mandate, Share Issue Mandate, the re-election of retiring directors and the adoption of the New Share Option Scheme of a subsidiary. 2. GENERAL MANDATES TO REPURCHASE AND ISSUE SHARES

At the Annual General Meeting of the Company to be held on 30th December 2010, an Ordinary Resolution will be proposed to renew a general mandate previously granted to the Directors, on the terms set out in the notice of the Annual General Meeting, allowing them to exercise all powers of the Company

LETTER FROM THE BOARD

to repurchase its fully-paid Shares. Under such a mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the issued share capital of the Company at the date of passing the Ordinary Resolution. The Company's authority shall be restricted to repurchase made on the Stock Exchange.

The mandate allows the Company to make repurchases only during the period ending on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required by any applicable laws or the Company's Bye-Laws to be held or the date upon which such mandate is revoked or varied by an ordinary resolution of shareholders of the Company in general meeting.

It will also be proposed to grant a general mandate to the Directors, in the terms set out in the notice of the Annual General Meeting, allowing them to exercise all powers of the Company to allot, issue and deal with Shares not exceeding 20% of the issued share capital of the Company at the date of passing the related Ordinary Resolution, to provide flexibility to the Directors if desirable.

An Ordinary Resolution will also be proposed at the Annual General Meeting to authorise the extension of the Share Issue Mandate by adding to the mandate the number of Shares to be repurchased by the Company under the Repurchase Mandate in the terms set out in the notice of Annual General Meeting.

An explanatory statement as required under the Share Repurchase Rules to provide the requisite information of the Repurchase Mandate is set out in Appendix I hereto.

3. RE-ELECTION OF RETIRING DIRECTORS

Pursuant to clause 99(A) as amended by clause 182(vi) of the Company's Bye-Laws and the code provisions in the Code on Corporate Governance Practices contained in Appendix 14 of the Listing Rules, Mrs. Leung Yu Oi Ling, Irene, Miss Leung Chi Yin, Gillian and Mr. Pao Ping Wing, *JP* will retire and, being eligible, offer themselves for re-election in the Annual General Meeting.

Brief biographical and other details of the above Directors are set out in Appendix II to this circular.

4. ADOPTION OF THE NEW SHARE OPTION SCHEME OF A SUBSIDIARY

The Company has an existing share option scheme adopted on 31 December 2002. UVL, a direct wholly-owned subsidiary of the Company, proposes to adopt the New Share Option Scheme. The Scheme is designed for the benefit of the long-term growth and development of the business of UVL and of the Group as a whole. The principal activities of UVL is investment holding. During the financial year ended 31 July 2010, UVL's contribution to the Group in terms of assets and revenue is 68% and 100% respectively. For its contribution to the Group in terms of profits, it is not applicable due to the loss of the Group recorded for the year and UVL had also a loss.

The Directors consider that in order to enable the Group to motivate Eligible Participants to optimise their performance and efficiency for the benefit of the Group and to attract and retain or otherwise maintain on-going business relationship with the Eligible Participants whose contributions are or will be beneficial to the long-term growth of the Group, it is important that the Group should be permitted to provide them, where appropriate, with an additional incentive by offering them an opportunity to obtain an ownership interest in UVL and to reward them for contributing to the long-term success of the business of the Group. By offering the Options to the Eligible Participants upon such terms

LETTER FROM THE BOARD

as may be permitted under the New Share Option Scheme, such Eligible Participants may exercise their Options at any time within the Option Period to acquire a monetary gain or ownership interest in UVL which may in turn provide a further incentive to them for advancing their performance and strengthening the relationship with them.

The New Share Option Scheme is a share incentive scheme with the purpose to enable UVL to grant share options to Eligible Participants as rewards or incentives for their contribution to the development of the Group. It will thus provide Eligible Participants an opportunity to acquire ownership interests in UVL with the view to motivate, attract and retain them to contribute to the benefit and value of the Group as a whole. The terms of the New Share Option Scheme provide that in granting Options under the New Share Option Scheme, the Board may, at its discretion, offer to grant any Options to Eligible Participants. The Board will have discretion in determining the Exercise Price in respect of any Option, save that such price will not be less than its nominal value. The Board will also have discretion in determining the period during which an Option may be exercised. A Grantee is not required to achieve any performance targets or to hold the Options for a minimum period before such Options can be exercised. The Directors are of the view that with the flexibility given to the Grantees in exercising the Options, it will encourage the Grantees to acquire ownership interests in UVL which will in turn encourage them to work towards enhancing the value of UVL and the Group as a whole. With the flexibility given to the Directors in determining the Exercise Price, the time of exercise, and any performance targets which apply to an Option on a case by case basis, it is expected that the Grantees will have an incentive to contribute to the development of UVL and the Group as a whole.

Accordingly, the Directors propose to recommend the shareholders at the Annual General Meeting to approve the adoption of the New Share Option Scheme of UVL.

It is proposed that subject to the approval of the shareholders of the Company of the adoption of the New Share Option Scheme of UVL at the Annual General Meeting, the New Share Option Scheme will take effect on the date of its adoption at the Annual General Meeting.

As at the Latest Practicable Date, there were no other share option schemes put in place by UVL.

The shares to be issued upon an exercise of the options granted under the New Share Option Scheme will be shares in UVL, not the Company's Shares.

None of the Directors are trustees of the New Share Option Scheme or have any direct or indirect interests in such trustees.

In respect of the operation of the New Share Option Scheme, the Company will, when applicable, comply with the relevant requirements under Chapter 17 of the Listing Rules.

The board of directors of UVL has given its approval for the adoption of the New Share Option Scheme conditional on the approval by the Shareholders at the Annual General Meeting. A summary of the principal terms of the New Share Option Scheme is set out in Appendix III hereto. A Copy of the New Share Option Scheme document will be available for inspection at the office of the Company's branch share registrar in Hong Kong, Tricor Tengis Limited, at 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong during the 14 days period immediately preceding the Annual General Meeting and at the Annual General Meeting.

- to approve the adoption of the New Share Option Scheme of UDL Ventures Limited.

6. VOTING BY POLL AT GENERAL MEETING

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll and therefore, the resolutions put to vote at the Annual General Meeting will be taken by way of poll. An announcement on the poll vote results will be published by the Company after the Annual General Meeting on the websites of the Stock Exchange (www.hkexnews.hk) and of the Company (www.udl.com.hk).

7. ACTION TO BE TAKEN

Whether or not you intend to attend the Annual General Meeting, you are requested to complete the accompanying proxy form and return it to the Company's branch share registrar in Hong Kong, Tricor Tengis Limited, at 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong not later than 48 hours before the time appointed for holding the Annual General Meeting or any adjournment thereof. Completion and return of the proxy form will not preclude you from attending and voting in person at the Annual General Meeting if you so wish.

8. RESPONSIBILITY STATEMENT

This document, for which the Directors of the Company collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this document is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this document misleading.

9. RECOMMENDATION

The Directors believe that the granting of the Repurchase Mandate, Share Issue Mandate, and the adoption of the New Share Option Scheme are all in the best interests of the Company and its shareholders. Accordingly, the Directors recommend all shareholders to vote in favour of the related resolutions to be proposed at the Annual General Meeting. The Directors will exercise their voting rights in respect of all of their shareholdings (if any) in favour of the resolutions.

Yours faithfully,
For and on behalf of the Board
Leung Yu Oi Ling, Irene
Chairman

This appendix serves as an explanatory statement, as required by the Share Repurchase Rules, to provide requisite information to you for your consideration of the proposal to permit the repurchase of Shares up to a maximum of 10% of the issued share capital of the Company as at the date of approval for the Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the number of Shares in issue was 10,090,067,478 of HK\$0.01 each. On the basis of such figure, assuming that no Shares would be issued or repurchased thereafter and prior to the Annual General Meeting, the Directors would be authorised to repurchase Shares up to a limit of 1,009,006,747 Shares (representing 10% of 10,090,067,478 issued share capital).

REASON FOR REPURCHASES

The Directors have no present intention to make any repurchase of the Company's own Shares but consider that the mandate will provide the Company the flexibility to make such repurchases when appropriate and beneficial to the Company and its shareholders. Such repurchases may enhance the net asset value of the Company and/or earnings per Share. Based on the financial position of the Company as at 31st July 2010 (being the date of its latest published audited accounts), there could be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period. However, the Directors do not propose to make any repurchases in the circumstances that would have a material adverse impact on the working capital or gearing ratio of the Company.

FUNDING FOR REPURCHASES

Repurchases must be funded out of funds legally available for the purpose in accordance with the laws of Bermuda and the Bye-Laws of the Company. It is envisaged that the Company will derive the funds for repurchase of its shares in accordance therewith.

The Company is empowered by its Bye-Laws to repurchase its own Shares. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or out of the funds of the Company that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on the repurchases, if any, may only be paid out of either the funds of the Company that would otherwise be available for distribution by way of dividend or out of the share premium of the Company. Further, the Company may not purchase its own Shares if, on the date on which the purchase is to be effected, there are reasonable grounds for believing that the Company is or, after the purchase would be, unable to pay its liabilities as they become due.

DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, nor any of their Associates has any present intention, in the event that the proposed general mandate is approved by Shareholders, to sell Shares to the Company.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she has any present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make repurchases of its own Shares.

UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed Repurchase Mandate in accordance with the Listing Rules, all applicable laws of Bermuda and the regulations and the Bye-Laws of the Company.

EFFECT OF TAKEOVER CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a shareholder, or group of shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of Directors, Mrs. Leung Yu Oi Ling, Irene ("Mrs. Leung"), the Chairman of the Company and her husband and children, their Associates together hold approximately 72.4% of the issued share capital of the Company. In the event that the Directors would exercise the power in full to repurchase Shares which is proposed to be granted pursuant to the relevant Ordinary Resolution and if there is no other change in issued share capital of the Company, total interests of Mrs. Leung and her husband and children, and their Associates in the issued shares would be increased to approximately 80.0% of the total issued share capital of the Company. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchase pursuant to the Repurchase Mandate. The Company is not aware of any Takeover Code implication in respect of the Repurchase Mandate. The Directors will not exercise the Repurchase Mandate that will result in the number of Shares held by the public being reduced to less than 25%. The Directors do not have any present intention to exercise the proposed Repurchase Mandate to such an extent as would give rise to such a situation. Save as disclosed above, the Directors, to the best of their knowledge and belief, are not aware of any other substantial shareholders holding 5% or more of the issued share capital of the Company as at the Latest Practicable Date.

REPURCHASES AND SHARE PRICES

During each of the six months preceding the date of this circular, the Company has not repurchased any of its Shares. During each of the previous twelve months from 1st November 2009 to the Latest Practicable Date, the highest and lowest traded prices for Shares on the Stock Exchange were as follows:

The following summary of principal terms of the New Share Options Scheme of UVL to be approved by the Shareholders at the Annual General Meeting does not form, nor was it intended to be, part of the New Share Option Scheme nor should it be taken as effecting the interpretation of the rules of the New Share Option Scheme.

(a) Purpose

The New Share Option Scheme is a share incentive scheme and is established to recognise and acknowledge the contributions Eligible Participants had or may have made to the UVL Group and/or the Group (for so long as UVL remains a subsidiary of the Company).

The New Share Option Scheme will provide Eligible Participants an opportunity to have a personal stake with the view to achieving the following objectives:

- (i) motivate the Eligible Participants to optimise their performance and efficiency for the benefit of the UVL Group and/or the Group; and
- (ii) attract and retain or otherwise maintain on-going business relationship with the Eligible Participants whose contributions are or will be beneficial to the long-term growth of the UVL Group and/or the Group.

(b) Who may join

The board of directors of UVL or the Board (for so long as UVL remains a subsidiary of the Company) may, at its discretion, offer to grant an Option to subscribe for such number of new shares in UVL at an exercise price determined in accordance with paragraph (e) below to (i) any full-time employees of any of the companies in the UVL Group and/or the Group; (ii) any directors (including non-executive directors and independent non-executive directors) of any of the companies in the UVL Group and/or the Group; (iii) any advisers, consultants, suppliers and agents to any of the companies in the UVL Group and/or the Group; and (iv) such other persons who have contributed to the UVL Group and/or the Group. The assessment criteria of which are: (a) contribution to the development and performance of the UVL Group and/or the Group; (b) quality of work performed for the UVL Group and/or the Group; (c) initiative and commitment in performing his/her duties; and (d) length of service or contribution to the UVL Group and/or the Group. Upon acceptance of the Option, the Grantee shall pay HK\$1.00 to UVL by way of consideration for the grant.

Any offer to grant an Option to subscribe for the shares in UVL may be accepted in respect of less than the number of shares for which it is offered and such number is clearly stated in the duplicate

offer document constituting acceptance of the Option in the manner as set out in the above paragraph. To the extent that the offer to grant an Option is not accepted by any prescribed acceptance date, it shall be deemed to have been irrevocably declined.

(c) Maximum number of shares

The maximum number of shares in UVL in respect of which options may be granted (including shares in respect of which options, whether exercised or still outstanding, have already been granted) under the New Share Option Scheme and under any other share option schemes of UVL must not in aggregate exceed 10% of the shares in UVL in issue as at the date of approval of the New Share Option Scheme by the shareholders of the Company, excluding for this purpose the UVL shares which would have been issuable pursuant to options which have lapsed in accordance with the terms of the New Share Option Scheme (or any other share option schemes of UVL). As at the Latest Practicable Date, UVL had 2,000 shares in issue. Assuming that there is no change in the issued share capital between the period from the Latest Practicable Date and the date of the adoption of the New Share Option Scheme, the number of shares in UVL issuable pursuant to the New Share Option Scheme on the date of its adoption will be 200 shares that is 10% of the issued share capital of UVL as at the date of Annual General Meeting.

Subject to the approval of the board of directors of UVL and, for so long as UVL remains a subsidiary of the Company, the issue of a circular by the Company and the approval of the shareholders of the Company in general meeting and/or such other requirements prescribed under the Listing Rules from time to time, UVL may:

- (i) renew this limit at any time to 10% of the shares in UVL in issue as at the date of approval by the board of directors of UVL or, for so long as UVL remains a subsidiary of the Company, the date of approval by the shareholders of the Company in general meeting; and/or
- (ii) grant Options beyond the 10% limit to Eligible Participants. The circular issued by the Company to its shareholders shall contain a generic description of the specified Eligible Participants who may be granted such Options, the number and terms of the Options to be granted, the purpose of granting Options to the specified Eligible Participants with an explanation as to how the Options serve such purpose, the information required under Rule 17.02(2)(d) and the disclaimer required under Rule 17.02(4) of the Listing Rules.

Notwithstanding the foregoing, the shares in UVL which may be issued upon exercise of all outstanding options granted and yet to be exercised under the New Share Option Scheme and any other share option schemes of UVL or any of its subsidiaries at any time shall not exceed 30% of the shares in UVL in issue from time to time. No options shall be granted under any schemes of UVL or any of its subsidiaries (including the New Share Option Scheme) if this will result in the 30% limit being exceeded.

The maximum number of shares in UVL in respect of which Options may be granted shall be adjusted, in such manner as the auditors of UVL or an approved independent financial adviser shall certify to be appropriate, fair and reasonable in the event of any alteration in the capital structure of UVL in accordance with paragraph (p) below whether by way of consolidation, subdivision or reduction of the share capital of UVL but in no event shall exceed the limit prescribed in this paragraph.

(d) Maximum number of Options to each participant

The total number of shares in UVL issued and which may fall to be issued upon exercise of the options granted under the New Share Option Scheme and any other share option schemes of UVL (including both exercised and outstanding options) to each Eligible Participant in any 12-month period up to the date of grant shall not exceed 1% of the shares in UVL in issue as at the date of grant.

Any further grant of Options in excess of this 1% limited shall be subject to separate approval by the board of directors of UVL and, for so long as UVL remains a subsidiary of the Company, (i) the issue of a circular by the Company containing the identity of the Eligible Participant, the numbers of and terms of the Options to be granted (and options previously granted to such participant), the information as required under Rule 17.02(2)(d) and the disclaimer required under Rule 17.02(4) of the Listing Rules and (ii) the approval of the shareholders of the Company in general meeting and/or other requirements prescribed under the Listing Rules from time to time with such Eligible Participant and his/her Associates abstaining from voting. The numbers and terms (including the exercise price) of Options to be granted to such Eligible Participant must be fixed before shareholders' approval and the date of the board meeting for proposing such further grant shall be taken as the date of grant.

(e) Exercise price

The exercise price of a share in UVL in respect of any particular Option granted under the New Share Option Scheme shall be such price as the board of directors of UVL in its absolute discretion shall determine, save that such price will not be less than the nominal value of a share of UVL.

(f) Granting options to connected persons

Any grant of Options to a director, chief executive or substantial shareholder of UVL or of the Company or any of their respective Associates shall, for so long as UVL remains a subsidiary of the Company, be approved by the independent non-executive Directors (excluding the independent non-executive Director who is the proposed grantee of the Options).

If any grant of Options to a substantial shareholder or an independent non-executive Director or any of their respective Associates will result in the number of shares in UVL which may be issued and to be issued upon exercise of options granted and to be granted (including options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of such grant:

- (i) representing in aggregate over 0.1% of the shares in UVL in issue; and
- (ii) having an aggregate net asset value in excess of HK\$5 million, based on the then latest audited consolidated accounts of UVL,

such further grant of Options will be subject to the issue of a circular by the Company and the approval of shareholders of the Company in general meeting on a poll at which all connected persons (as defined in the Listing Rules) of the Company shall abstain from voting, and/or such other requirements prescribed under the Listing Rules from time to time. A connected person (as defined in the Listing Rules) will be permitted to vote against the grant only if his/her intention to do so has been stated in the circular. Any vote taken at the meeting to approve the grant of such Options shall be taken by poll.

The circular to be issued by the Company to its shareholders pursuant to the above paragraph shall contain the following information: (i) the details of the number and terms (including the exercise price) of the Options to be granted to each selected Eligible Participant which must be fixed before the shareholders' meeting and the date of Board meeting for proposing such further grant shall be taken as the date of grant; (ii) a recommendation from the independent non-executive Directors (excluding any independent non-executive Director who is the Grantee) to the independent shareholders as to voting; and (iii) the information required under Rules 17.02(2)(c) and (d) and the disclaimer required under Rule 17.02(4) of the Listing Rules.

(g) Restrictions on the times of grant of Options

No option may be granted (or if granted before then will automatically lapse) either after UVL has resolved to seek a listing or during the period commencing 6 months before the lodgment of an application with the relevant stock exchange for the listing and at any time thereafter.

(h) Rights are personal to Grantee

An Option is personal to the Grantee and may be exercised or treated as exercised, as the case may be, in whole or in part. No Grantee shall in any way sell, transfer, charge, mortgage, encumber or create any interest (legal or beneficial) in favour of any third party over or in relation to any Option or attempt so to do.

(i) Time of exercise of Option and duration of the New Share Option Scheme

An Option may be exercised in accordance with the terms of the New Share Option Scheme at any time after the date upon which the Option is deemed to be granted and accepted and prior to the expiry of ten years from that date. The period during which an Option may be exercised will be determined by the board of directors of UVL in its absolute discretion, save that no Option may be exercised more than 10 years after it has been granted. No Option may be granted more than 10 years after the date of approval of the New Share Option Scheme. Subject to earlier termination by the board of directors of UVL or, for so long as UVL remains a subsidiary of the Company, by the shareholders of the Company in general meeting or by the Board, the New Share Option Scheme shall be valid and effective for a period of 10 years after the date of adoption of the New Share Option Scheme by shareholders of the Company by resolution at a general meeting.

(j) Performance target and minimum holding period

Unless the Directors otherwise determined or stated in the offer of the grant of the Option, a Grantee is not required to achieve any performance targets or to hold the Options for a minimum period before any Options granted under the New Share Option Scheme can be exercised.

(k) Rights on ceasing employment/death

If the Grantee of an Option ceases to be an employee of the UVL Group and/or the Group by any reason (including his/her death) other than his/her own resignation or none of the events which would be a ground for termination of his or her employment specified in the New Share Option Scheme arises or the termination does not occur during the 12-month period following the date on which his/her Option is deemed to be granted and accepted, the Grantee or his/her legal personal representative(s) may exercise the Option up to the entitlement of the Grantee as at the date of cessation (to the extent not already exercised) within a period of one month from such cessation, which date shall be the last actual working day with the relevant company whether salary is paid in lieu of notice or not, failing which it will lapse.

(l) Rights on dismissal

If the Grantee of an Option ceased to be an employee of the UVL Group and/or the Group on the grounds that he/she has been guilty of serious misconduct, or has committed any act of bankruptcy or has become insolvent or has made any arrangements or compromise with his/her creditors generally, or has been convicted of any criminal offence involving his or her integrity or honesty, his/her Option will lapse and not be exercisable after the date of termination of his or her employment.

(m) Rights on winding-up

In the event a notice is given by UVL to its members to convene a general meeting for the purpose of considering, and if thought fit, approving a resolution to voluntarily wind-up UVL, UVL shall forthwith give notice thereof to all Grantees and thereupon, each Grantee (or his/her legal personal representative) shall be entitled to exercise all or any of his/her Options (to the extent not already exercised) at any time not later than four business days prior to the proposed general meeting referred to above by giving notice in writing to UVL, accompanied by a remittance for the full amount of the aggregate subscription price for the shares in respect of which the notice is given, whereupon UVL shall as soon as possible and, in any event, no later than the business day immediately prior to the date of the proposed general meeting, allot the relevant UVL shares to the Grantee credited as fully paid.

(n) Rights on compromise or arrangement between UVL and its members or creditors

If a compromise or arrangement between UVL and its members or creditors is proposed for the purposes of a scheme for the reconstruction of UVL or its amalgamation with any other companies pursuant to the laws of jurisdictions in which UVL was incorporated, UVL shall give notice to all the Grantees of the Options on the same day as it gives notice of the meeting to its members or creditors summoning the meeting to consider such a scheme or arrangement and any Grantee may by notice in writing to UVL accompanied by a remittance for the full amount of the aggregate exercise price for the shares in respect of which the notice is given (such notice to be received by UVL not later than four business days prior to the proposed meeting), exercise the Option to its full extent or to the extent specified in the notice and UVL shall as soon as possible and, in any event no later than the business day immediately prior to the date of the proposed meeting, allot and issue such number of UVL shares to the Grantee which falls to be issued on such exercise of the Option credited as fully paid and register the Grantee as holder thereof.

With effect from the date of such meeting, the rights of all Grantees to exercise their respective Options shall forthwith be suspended, Upon such compromise or arrangement becoming effective, all Options shall, to the extent that they have not been exercised, lapse and determine. If for any reason such compromise or arrangement does not become effective and is terminated or lapses, the rights of Grantees to exercise their respective Options shall with effect from such termination be restored in full but only upon the extent not already exercised and shall become exercisable.

(o) Ranking of shares

The shares in UVL to be allotted upon the exercise of an Option will not carry voting rights until completion of the registration of the Grantee (or any other person) as the holder thereof. Subject to the aforesaid, shares in UVL allotted and issued on the exercise of Options will rank *pari passu* and shall have the same voting, dividend, transfer and other rights, including those arising on liquidation as attached to the other fully-paid UVL shares in issue on the date of exercise, save that they will not rank for any

dividend or other distribution declared or recommended or resolved to be paid or made by reference to a record date falling on or before the date of exercise.

(p) Effect of alterations to capital

In the event of any alteration in the capital structure of UVL whilst any Option may become or remains exercisable, whether by way of capitalisation issue, rights issue, consolidation, reclassification, reconstruction, subdivision or reduction of share capital of UVL, or otherwise howsoever, such corresponding alterations (if any) shall be made in the number or nominal amount of the shares in UVL subject to any Options so far as unexercised and/or the subscription price per share of each outstanding Option and/or the method of exercise of the Option as the auditors of UVL or an independent financial adviser shall certify in writing to be in their or his/her opinion fair and reasonable in compliance with Rule 17.03(13) of the Listing Rules and the note thereto. Any such alterations will be made on the basis that a Grantee shall have the same proportion of the equity capital of UVL for which any Grantee of an Option is entitled to subscribe pursuant to the Options held by him before such alteration and the aggregate subscription price payable on the full exercise of any Option is to remain as nearly as possible the same (and in any event not greater than) as it was before such event. No such alteration will be made the effect of which would be to enable a share in UVL to be issued at less than its nominal value. The issue of securities as consideration in a transaction is not to be regarded as a circumstance requiring any such alterations.

A resolution of the board of directors of UVL or the Company or the relevant subsidiary to the effect that the employment of a Grantee has or has not been terminated on one or more of the grounds specified in this paragraph shall be conclusive;

- (vi) the date on which the Eligible Participant ceases to be employed by the UVL Group and/or the Group if the Eligible Participant is an employee of the UVL Group and/or the Group and ceases to be so employed during the 12-month period following the date of grant in respect of his or her particular Option;

- (vii) on termination of the New Share Option Scheme in accordance with paragraph (t);
- (viii) the date when UVL resolves to seek a listing; or
