The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting relating to the granting of the Share Buy-back Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued Share capital of the Company comprised 667,525,230 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of the Annual General Meeting in respect of the granting of the Share Buy-back Mandate and on the assumption that no further Shares to be issued or repurchased before the Annual General Meeting, being 667,525,230 Shares, the Directors would be authorised under the Share Buy-back Mandate to repurchase, during the period in which the Share Buy-back Mandate remains in force, a total of 66,752,523 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Share Buy-back Mandate is in the best interests of the Company and the Shareholders.

Shares repurchase may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders.

3. FUNDING OF SHARE REPURCHASE

The Company may only apply funds legally available for share repurchase in accordance with its Memorandum of Association and Bye-Laws, the laws of Bermuda and/or any other applicable laws, as the case may be.

4. IMPACT OF SHARE REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements contained in the annual report of the Company for the year ended 31 December 2021) in the event that the Share Buy-back Mandate was to be carried out in full at any time during the proposed buy-back period. However, the Directors do not intend to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have been traded on the Stock Exchange during each of the previous twelve months up to and including the Latest Practicable Date were as follows:

Month	Highest HK\$	Lowest HK\$
2021		
April	6.30	4.31
May	6.45	5.09
June	6.98	5.28
July	6.40	3.90
August	4.50	3.48
September	4.14	3.29
October	3.90	2.99
November	4.60	3.57
December	3.89	2.60
2022		
January	3.60	2.67
February	2.95	1.32
March	2.43	1.78
April (<i>up to the Latest Practicable Date</i>)	1.87	1.60

6. GENERAL

To the best of the Directors' knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to buy back Shares pursuant to the Share Buy-back Mandate in accordance with the Listing Rules, the Bye-Laws and the applicable laws of Bermuda.

7. TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, DTXS International Holdings, the controlling shareholder (as defined in the Listing Rules) was interested in 383,473,032 Shares representing approximately 57.44% of the total issued Share capital of the Company and Mr. Lu, the Chairman and the Executive Director of the Company, is the ultimate controlling shareholder of DTXS International Holdings. Therefore, Mr. Lu is considered to have deemed interests in the 383,473,032 Shares. Besides, Mr. Lu was interested in 4,996,000 Shares representing approximated 0.75% of the total issued Share capital of the Company. As a result, Mr. Lu was interested in 388,469,032 Shares representing 58.20% of the issued Share capital of the Company. In the event that the Directors exercise the proposed Share Buy-back Mandate in full (if the present Shareholders' interests in Shares remain the same), the aggregate shareholding of Mr. Lu would be increased to approximately 64.66% of the issued Share capital of the Company.

The Directors are not aware of any consequences which may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors do not propose to exercise the Share Buy-back Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public Shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

8. SHARE BUY-BACK MADE BY THE COMPANY

During the six months prior to the Latest Practicable Date, the Company had not repurchase any of the Shares (whether on the Stock Exchange or otherwise).
