The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company and potential investors that, based on the preliminary unaudited consolidated management accounts of the Group for the six months ended 30 June 2022 (the “**First Half of 2022**”) and other information currently available to the Board, the Board anticipates that the Group’s profit attributable to owners for the First Half of 2022 will record an increase of not less than 40% as compared to the profit attributable to owners of HK\$226 million for the six months ended 30 June 2021 (the “**First Half of 2021**”).
