Notes:

1. BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

The unaudited consolidated first quarterly results have been prepared in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”). The unaudited consolidated results have been prepared on the historical cost basis except for certain financial instruments, which are initially measured at fair values.

The accounting policies adopted in preparing the unaudited consolidated first quarterly results are consistent with those applied to the annual financial statements of the Group for the year ended 31 December 2010.

In the current period, the Group has applied a number of new and revised standards, amendments to standards and interpretations (“new and revised HKFRSs”) issued by the HKICPA, which are effective for the accounting periods beginning on or after 1 January 2011. The adoption of these new and revised HKFRSs had no material effect on the results and financial positions of the Group for the current and prior accounting periods.

The Group has not early applied the new and revised standards and interpretations that have been issued by HKICPA but are not yet effective in the current period.

2. REVENUE

Revenue represents the fair value of the consideration received and receivable for goods sold to external customers, net of value-added tax, returns and discounts, and the consideration received and receivable for the services provided during the period, and is analysed as follows:

	For the three months ended	
	31 March	
	2011	2010
	<i>RMB'000</i>	<i>RMB'000</i>
Drip films and drip assemblies	108,806	69,468
PVC/PE pipelines	<u>56,537</u>	<u>38,782</u>
	<u>165,343</u>	<u>108,250</u>

Note: According to the sales mix of the Group, drip assemblies are usually sold as auxiliary products of drip films. Therefore, drip films and drip assemblies are classified under the same category.

PROSPECTS

During the reporting period, promotion of the Group’s products in China obtained a major breakthrough, this is the first time we secured a water-saving irrigation system contract in China which covers one-time implementation of approximately 100,000 acres of farmland. The Directors believe that the successful fulfillment of the contract will be helpful to promote large-scale applications of the Group’s products in the China.
