Northwest A&F University holds 824,516 shares, accounting for 0.26% of the total shares which the Company may issue.

After the establishment in Hong Kong, the capital structure of the Company is: total number of ordinary shares is 519,521,560; Xinjiang Tianye Co., Ltd. holds 202,164,995 shares, accounting for 38.91% of the total shares which the Company may issue. Shenzhen Litailai Invest Development, Co., Ltd. holds 93,994,831 shares, accounting for 18.09% of the total shares which the Company may issue. Guo Shuqing holds 9,386,798 shares, accounting for 1.81% of the total shares which the Company may issue. Wang Xiaoxian holds 8,340,297 shares, accounting for 1.61% of the total shares which the Company may issue. Institute of Mechanical Science Research holds 2,410,123 shares, accounting for 0.46% of the total shares which the Company may issue. Northwest A&F University holds 824,516 shares, accounting for 0.16% of the total shares which the Company may issue. The shareholders of “H shares” (Shareholders of foreign investment shares listed outside the People’s Republic of China) hold 202,400,000 shares, accounting for 38.96% of the total shares which the Company may issue.

On 3rd March, 2008, Shenzhen City Li Tai Lai Investment Development Company Limited transferred its 52,000,000 domestic shares to Guo Shu Qing and its 41,994,831 domestic shares to Wang Xiao Xian. After the transfers, the shareholding structure of the Company shall be: 519,521,560 ordinary shares, of which 202,164,995 shares held by Xinjiang Tianye Company Limited, representing 38.91% of the total issued shares capital of the Company; 61,386,798 shares held by Guo Shu Qing, representing 11.82% of the total issued shares capital of the Company; 50,335,128 shares held by Wang Xiao Xian, representing 9.69% of the total issued shares capital of the Company; 2,410,123 shares held by China Academy of Machinery Science and Technology, representing 0.46% of the total issued shares capital of the Company; 824,516 shares held by Northwest Sci-Tech University of Agriculture and Forestry, representing 0.16% of the total issued shares capital of the Company; and 202,400,000 shares held by the shareholders of H Shares, representing 38.96% of the total issued shares capital of the Company.

On 21 April 2011, Guo Shu Qing (郭書清) and Wang Xiao Xian (王孝先), the promoters, transferred all of their respective 61,386,798 shares and 50,335,128 shares to Xinjiang Tianye (Group) Limited (新疆天業(集團)有限公司). Upon the transfer, the share capital structure of the Company consists of a total of 519,521,560 ordinary shares, of which, 202,164,995 shares is held by Xinjiang Tianye Company Limited (新疆天業股份有限公司), representing 38.91% of the total share capital of the Company; 111,721,926 shares is held by Xinjiang Tianye (Group) Limited, representing 21.51% of the total share capital of the Company; 2,410,123 shares is held by China Academy of Machinery Science and Technology (機械科學研究總院), representing 0.46% of the total share capital of the Company; 824,516 shares is held by Northwest Sci-Tech University of Agriculture and Forestry (西北農林科技大學), representing 0.16% of the total share capital of the Company; 202,400,000 shares is held by shareholders of H Shares (overseas listing foreign shares), representing 38.96% of the total share capital of the Company.

Article 3.07 After the plan for issuing foreign investment shares listed outside the People's Republic of China and domestic investment shares has been approved by the State Council authorities in charge of securities, the board of directors of the Company may arrange for implementation of such plan by means of separate issues.

The Company's plan for separate issues of foreign investment shares listed outside the People's Republic of China and domestic investment shares in accordance with the preceding paragraph may be implemented separately within 15 months of being approved by the State Council Securities Commission (Referred to as "CSRC").

After the approval of state council or the securities supervision and administration institution and the agreement of Hong Kong Stock Exchange, the Company's domestic shares may, in accordance with law, be converted into "H shares".

Article 3.08 Where the Company issues foreign investment shares listed outside the People's Republic of China and domestic investment shares separately within the total number of shares specified in the issue plan, every such issue shall be fully subscribed for in one time. Where special circumstances make it impossible for every such issue to be fully subscribed for at one time, the shares may be issued in several stages, subject to the approval of the State Council Securities Commission.

Article 3.09 The registered capital of the Company shall be RMB 519,521,560. If the company issues new shares or exercises the rights of excess capital increasing, the registered capital of the Company shall be adjusted accordingly and shall be submitted to the company examination and approval department and the securities regulatory authority which are authorized by the state council for record.

Article 3.10 The Company may approve capital increases depending on its business and development requirements in accordance with the relevant provisions of the Articles of Association of the Company.

The Company may increase its capital by the following methods:

1. offer of new shares to non-specific investors;
2. rights issue to existing shareholders;
3. allotment of new shares to existing shareholders; and
4. other methods permitted by laws and administrative regulations.

The Company's increase of its capital by issuing new shares shall be handled in accordance with the procedures provided for in relevant State laws and administrative regulations after having been approved in accordance with the Articles of Association.

Article 3.11 Unless they are provided by laws and administrative regulations, the shares in the Company may be transferred freely with no lien attached.

Chapter 4: Capital Reduction and Share Repurchase

Article 4.01 The Company may reduce its registered capital in accordance with the provisions of its Articles of Association.

Article 4.02 When the Company is to reduce its registered capital; it must prepare a balance sheet and an inventory of assets.

The Company shall notify its creditors within 10 days of adopting the resolution to reduce its registered capital and shall publish a public announcement of the resolution in newspapers at least three times within 30 days of the said date. Creditors shall, within 30 days of receiving a written notice or within 90 days of the date of the first public announcement for those who have not received a written notice, be entitled to require the Company to pay its debts in full or to provide a corresponding guarantee for repayment.

The reduced registered capital of the Company may not be less than the statutory minimum.

Article 4.03 The Company may, in the following circumstances, buy back its own issued and outstanding shares following the adoption of a pertinent resolution in accordance with the procedures provided for in its Articles of Association, and submission to and approval by the relevant State authorities:

1. cancellation of shares in order to reduce its capital;
2. merger with another company holding shares in the Company;
3. reward the shares to the employees of the Company; or
4. the shareholders request the company to buy-back its shares because of the objections to the Company's merger, division on the shareholders' meeting.

When buying back its issued shares, the Company shall be in accordance with the provisions of 4.04 and 4.07.

If the Company buys back its shares because of the 1 and 2 of the preceding paragraph, it shall be subject to the shareholders. After buying back its shares according to the preceding paragraph, if it is in the circumstances of 1, it shall be cancelled within 10 days. If it is in the circumstances of 2 or 4, it shall be transferred or cancelled within 6 days.

In accordance with 3 of the first paragraph, when buying back its shares, the Company shall not exceed five percent of the total amount of the issued shares; The capital used for buying back shall be expensed from the profit after tax of the Company of; The acquisition of shares shall be transferred to the staff and employees within a year.

The company may not accept its own shares as the subject matter of the pledge.

Article 4.04 After the Company is approved by relevant State authorities to buy back its own shares; it may proceed in any of the following manners:

1. making of a buy-back offer in the same proportion to all shareholders;
2. buy-back through open transactions on a securities exchange; or
3. buy-back by an agreement outside a securities exchange.

Article 4.05 When the Company is to buy back shares by an agreement outside a securities exchange, prior approval shall be obtained from the shareholders' general meeting in accordance with the procedures provided for in the Company's Articles of Association. Upon prior approval of the shareholders' general meeting obtained in the same manner, the Company may rescind or change contracts concluded in the manner set forth above or waive any of its rights under such contracts.

For the purposes of the above paragraph, contracts for the buy-back of shares shall include (but not limited to) agreements whereby buy-back obligations are undertaken and buy-back rights are acquired.

The Company may not assign contracts for the buy-back of its own shares or any of its rights.

The company shall have the rights to redeemable for buying back shares, such as the buying back without the market or by bidding, the price of which shall not be more than a highest price limit. If is bought back by bidding, then it must put forward the bidding suggestions to all shareholders on the same conditions.

Article 4.06 After the Company has bought back its shares according to law, it shall cancel the portion of shares concerned within the period prescribed by laws and administrative regulations and shall apply to the original company registry for registration of the change in registered capital.

The amount of the Company's registered capital shall be reduced by the total par value of the shares cancelled.

Article 4.07 Unless the Company has already entered the liquidation stage, it must comply with the following provisions in buying back its issued and outstanding shares:

1. where the Company buys back shares at their par value, the amount thereof shall be deducted from the book balance of distributable profit and/or from the proceeds of a fresh share issue made to buy back the old shares;

2. where the Company buy backs shares at a price higher than their par value, the portion corresponding to their par value shall be deducted from the book balance of distributable profit and/or from the proceeds of a fresh share issue made to buy back the old shares; and the portion in excess of the par value shall be handled according to the following methods:

(1) where the shares bought back were issued at their par value, the amount shall be deducted from the book balance of distributable profit;

(2) where the shares bought back were issued at a price higher than their par value, the amount shall be deducted from the book balance of distributable profit and/or from the proceeds of a fresh share issue made to buy back the old shares; however, the amount deducted from the proceeds of the fresh share issue may not exceed the total premium obtained at the time of issuance of the old shares nor may it exceed the amount in the Company's premium account or capital common reserve amount (including the premiums from the fresh share issue) at the time of buy-back;

3. the sums paid by the Company for the purposes set forth below shall be paid out of the Company's distributable profits:

(1) acquisition of the right to buy back its own shares;

(2) modification of any contract for buy-back of its own shares;

(3) release from any of its obligations under any buy-back contract.

4. After the par value of the annulled shares has been deducted from the registered capital of the Company in accordance with relevant regulations, that portion of the amount deducted from the distributable profit and used to buy back shares at the par value of the bought back shares shall be included in the Company's premium account (or capital common reserve amount).

Chapter 5: Financial Assistance for the Purchase of Company Shares

Article 5.01 The Company or its subsidiaries shall not at any time provide any financial assistance in any form to purchasers or prospective purchasers of the shares in the Company. Purchasers of shares in the Company as referred to above shall include persons that directly or indirectly undertake obligations for the purpose of purchasing shares in the Company.

The Company or its subsidiaries shall not at any time provide any financial assistance in any form to the above obligators in order to reduce or discharge their obligations.

The provisions of this Article shall not apply to the circumstances described in Article 5.03 of this Article.

Article 5.02 The term “financial assistance” in this Article shall include (but not limited to) the financial assistance in the forms set out below:

- (1) gift;
- (2) guarantee (including the undertaking of liability or provisions of property by the guarantor in order to secure the performance of the obligation by the obligator), indemnity (not including, however, indemnity arising from the Company's own fault) and release or waiver of rights;
- (3) provision of a loan or conclusion of a contract under which the obligations of the Company are to be fulfilled prior to the obligations of the other party to the contract, or a change in the party to such loan or contract as well as the assignment of rights under such loan or contract; and
- (4) financial assistance in any other form when the Company is insolvent or has no net assets or when such assistance would lead to a major reduction in the Company's net assets.

For the purposes of this Article, the term “undertake obligations” shall include the undertaking of an obligation by the obligator by concluding a contract or making an arrangement (whether or not such contract or arrangement is enforceable and whether or not such obligation is undertaken by the obligator individually or jointly with any other person) or by changing its financial position in any other way.

Article 5.03 The acts listed below shall not be regarded as acts prohibited under Article 5.01 of this Article:

- (1) where the Company provides the relevant financial assistance truthfully for the benefit of the Company and the main purpose of the financial assistance is not to purchase shares in the Company, or the financial assistance is an incidental part of an overall plan of the Company;

-
- (2) lawful distribution of the Company's property in the form of dividends;
 - (3) distribution of dividends in the form of shares;
 - (4) reduction of registered capital, but-back of shares, shareholding structuring, etc., in accordance with the Articles of Association of the Company;
 - (5) provision of a loan by the Company within its scope of business and in the ordinary course of its business (provided that the same does not lead to a reduction in the net assets of the Company or that if the same constitutes a reduction, the financial assistance was paid out of the Company's distributable profits); and
 - (6) the provision of money by the Company for an employee shareholding scheme (provided that the same does not lead to a reduction in the net assets of the Company or that if the same constitutes a reduction, the financial assistance was paid out of the Company's distributable profits).

Chapter 6: Share Certificates and Register of Shareholders

Article 6.01 Anonymous type is used in the shares of the Company. The shares of the Company shall include the following main matters:

- (1) The name of the Company;
- (2) The registration date of the Company;
- (3) types, the value and the represent number of shares;
- (4) the numbers of shares;
- (5) Other matters which are required by the Company Law, the Special Provisions and the Stock Exchange where the shares are listed of the Company.

Article 6.02 The shares of the Company may be transferred, given, inherited and mortgaged according to the relevant laws, regulations and the provisions of the articles,

The transfer of the shares is needed to be entrusted to the company stock registration agencies.

Article 6.03 Shares shall sign by the chairman of the board. If the Stock Exchange where the shares of the Company are listed requires the senior management staff of the Company to sign, then it shall be signed by the relevant senior management staff. The shares shall be effective after sealed by the Company (including the securities company seal) or sealed in the form of printing stamp. Sealing the company seal or the securities company seal shall be authorized by the board of directors. The signature of the chairman of the board

and the senior management staff of the Company may also take the form of printing.

Article 6.04 The Company shall keep a register of shareholders, in which the following particulars shall be recorded:

- (1) the name, address (domicile), profession or nature of each shareholder;
- (2) the category and number of shares held by each shareholder;
- (3) the amount paid or payable for the shares held by each shareholder;
- (4) the serial number of the shares held by each shareholder;
- (5) the date on which each shareholder is registered as a shareholder; and
- (6) the date on which each shareholder ceases to be a shareholder.

The register of shareholders is the full evidence to prove the shareholders hold the shares of the company, unless there are opposite evidence.

Article 6.05 The Company may, pursuant to an understanding or agreement reached between the State Council authorities in charge of securities and a securities regulatory organization outside the People's Republic of China, keep outside the People's Republic of China its register of holders of foreign investment shares listed outside the People's Republic of China, and entrust the administration thereof to an agent outside the People's Republic of China. The original copy of the register of shareholders of foreign investment shares listed outside the People's Republic of China shall be kept in Hong Kong.

The Company shall keep at its domicile a duplicate of the register of holders of foreign investment shares listed outside the People's Republic of China. The appointed agent outside the People's Republic of China shall ensure that the register of holders of foreign investment shares listed outside the People's Republic of China and its duplicate are consistent at all times.

When the original and duplicate of the register of holders of foreign investment shares listed outside the People's Republic of China are inconsistent, the original shall prevail.

Article 6.06 The Company shall keep a complete register of shareholders.

The register of shareholders shall include the following parts:

- (1) a register kept at the Company's domicile other than those provided for under Items (2) and (3) of this paragraph;
- (2) the register(s) of holders of foreign investment shares listed outside the People's Republic of China kept in the place(s) of the stock exchange(s) outside the People's Republic of China on which the shares are listed; and
- (3) registers of shareholders kept in such other places as the board of directors may decide necessary for listing purposes.

Article 6.07 The various parts of the register of shareholders shall not overlap one another. The transfer of shares registered in a certain part of the register of shareholders shall not, during the continuance of the registration of such shares, be registered in any other part of the register.

Changes and corrections to each part of the register of shareholders shall be carried out in accordance with the laws of the places where each part is kept.

(1) The company has been paid 2.5 Hong Kong dollars or the cost which was agreed by the Hong Kong Stock Exchange in order to register the transfer deed of the shares and other files which have relation to the ownership of shares or have affect on the ownership of shares;

(2) The transfer deed only involves the foreign investment shares which are listed in Hong Kong;

(3) Transfer deed has paid the stamp taxes which should be paid;

(4) The relevant shares and the board of directors' reasonably requested proof which can prove the assignor's right to transfer the shares shall be provided;

(5) If the shares are to be transferred to joint holder, then the amount of the joint holder shall not be more than four, and

(6) The shares have no prejudice of any lien of the Company.

The foreign capital stocks of company which are listed in Hong Kong need to be assigned in written form using the transfer documentary of normal or general form, or the standard form which is specified by Stock Exchange of Hong Kong, or other forms which could be admitted by the Board; the transfer documentary could be signed by manual sign or, if the transferor or transferee is a settlement institution or its agent, then the documentary could be signed by either manual sign or machine sign. All transfer documentaries must be put in the legal address of the company or other places which may be specified by the Board.

The alteration or correction of all parts of the register of shareholders should be done according to the local law of the place where the register of shareholders is deposited.

Article 6.08 No amendment of registration which is led by the stock transfer could be done on the register of shareholders within 20 days before the general meeting of stockholders or 5 days before the base day when the company deciding the liquidating dividend.

Article 6.09 When the company holding general meeting of stockholders, assigning dividends, settling accounts or doing other things which need to confirm the stock rights, the Board should decide one day as the stock right deciding date, and when the stock right deciding date is finished, the holders of the record are the shareholders of the company.

Article 6.10 Anyone who has objection to the register of shareholders require to record his name on the register of shareholders or delete his name from the register of shareholders could apply for the correction of register of shareholders to the court which has the jurisdiction.

Article 6.11 All shareholders recorded on the register of shareholders or anyone who require to record his name on the register of shareholders could apply to reissue new shares for the lost share (namely “concerned shares”), if his share (namely “original shares”) is lost.

If the shareholder of domestic share loses the share and applies to reissue the shares, it should be disposed in corresponding to the regulations of Article 144 of the “Corporation Law”.

If the shareholder of foreign share which is listed overseas loses the share and applies to reissue the shares, it could be disposed in corresponding to the local laws, rules of stock exchange or other relative regulations of the place where stores original copy of register of shareholders of the overseas listed foreign shares.

If the shareholder of H stock loses his shares and applies for the reissue, the shares should fulfill the following requirements:

- (1) The applicant should make an application using the standard form which is specified by the company and attach the notarial certificate or statutory declaration documents. The content of notarial certificate or statutory declaration documents should include the reason of application, the situation and evidence of the share losing and the declaration of no other people may requiring to be recorded as a shareholder for these shares.
- (2) The company has not received the declaration of requiring to be recorded as a shareholder for those shares from anyone other than the applicant before the company decides to reissue the new share.
- (3) If the company decided to reissue new shares to the applicant, the company should publish the announcement of preparing to reissue new shares on the newspaper which is specified by the Board, the period of the announcement should be 90 days, and it should be re-published every 30 days.
- (4) Before the company published the announcement of reissuing the new shares, it should submit a copy of the announcement which is going to be published to its listed stock exchange and could only publish the announcement after the company has received the reply from the stock exchange and confirmed that the announcement has been showed in the stock exchange. The period of the exhibition of the announcement is 90 days.

If the application of reissuing stock is not agreed by the relative shareholders

recorded in the register of shareholders, the company should post the copy of the announcement which is going to be published to that shareholder.

- (5) If the 90-day period of announcement showing specified in (3), (4) items has been fulfilled, and the company has not received any objection towards the reissue of the shares, the company could reissue new shares according to the application of the applicant.
- (6) When the company reissues the new shares according to this regulation, it should withdraw the original shares immediately and record the withdrawing and reissue on the register of shareholders.
- (7) All cost for withdrawing original shares and reissue new shares should be paid by the applicant. The company has the right to refuse to do anything before the applicant offers reasonable guarantee.

Article 6.12 After the company reissue new shares according to the articles of association, the name of innocent purchaser who gets the foregoing new shares or shareholders (such as innocent purchaser) who has been recorded as the owner of these shares could not be deleted from the register of shareholders.

Article 6.13 Company has no compensation obligation to the people who is harmed by the withdrawing of the original share or the reissue of new share, unless the party could prove that the company has fraudulent conduct.

Chapter 7: Rights and Obligations of Shareholders

Article 7.01 The shareholder of the company is the people who holds shares of the company legally and his name is recorded on the register of shareholders.

Shareholders enjoy rights and undertake obligations according to the category and portion of the shares they hold; shareholders who hold the same category of share could enjoy the same rights and undertake same obligation.

The company could not exercise any rights, harm the rights attached to the shares using freezing or other methods just because people have not announced to the company about the rights and interests attached to the share which are enjoyed by them directly or indirectly.

Under the situation of joint shareholder, if one of the joint shareholder is dead, then the company should regard other survived people of the joint shareholder as the owner of relevant shares, but the Board has the right to require them to offer the appropriate death certificate for the aim of revising register of shareholders. For the joint shareholder of any shares, only the joint shareholder who ranks the first place has the right to accept stocks of the relevant shares, receive the notice of company, present and exercise the right to vote on the general meeting of stockholders of the company, and any notice which is sent to that person should be regarded as being sent to all joint shareholders of the share.

Article 7.02 The shareholder of the ordinary share of the company could enjoy following rights:

- (1) Get the dividends and benefit distribution in other forms in corresponding to the held shares (but they do not have the right to participate in the dividend announced later with the prepaid capital).
- (2) Participate in or appoint shareholder agent to attend the general meeting of stockholders and use the voting power.
- (3) Supervise the business operating activities of the company, raise suggestions or inquiries.
- (4) Transfer the share in corresponding to the law, administrative laws and regulations and the rules of articles of association.
- (5) Get relevant information according to the rules of articles of association, including:
 1. Get the articles of association after paying the cost.
 2. After paying reasonable fees, they have the right of looking up and coping:
 - (i) The register of shareholders of all parts;
 - (ii) The personal data of the directors, supervisor and senior managers of the company, including:
 - (a) The present and previous name, alias;
 - (b) Main address (dwelling place);
 - (c) Nationality;
 - (d) The occupation and post of full-time and all other part-time jobs;
 - (e) Identification paper documents and their numbers;
 - (iii) The situation of capital stock of the company;
 - (iv) The par value, amount, ceiling price and bottom price of every category of shares repurchased by company since the last account year, and the report about the cost that the company paid for these.
 - (v) The meeting minutes of the general meeting of stockholders.
- (6) When the company is terminated or cleared, they could participate in the distribution of residual properties of the company in corresponding to the portion of share held by them.
- (7) Other rights which are given by the law, administrative laws and regulations and articles of association.

Article 7.03 The shareholder of the ordinary share of the company should undertake following obligations:

- (1) Observe the articles of the association;
- (2) Pay the share capital according to the share they subscribed and their

investment method.

- (3) Other obligations specified by laws, administrative laws and regulations and articles of association.

The shareholder would not undertake the responsibility of any capital stock which is added later except for the conditions which are agreed by the subscriber when subscribing.

Article 7.04 Except the obligation required by the law, administrative laws and regulations or the listing rules of the listed stock exchange of the company share, the controlling shareholders could not make decisions which would harm the interest of all or part of the shareholders using voting power on following problems when exercise their shareholder rights:

- (1) When exempting director, supervisor, they should exercise the responsibility regarding the maximum benefit of the company as the starting point sincerely.
- (2) Approve director, supervisor to deprive company property (for the interest of themselves or others) in any form, including (but not limited to) any chances which are beneficial to the company;
- (3) Approve director, supervisor to deprive the personal rights and interests of other shareholders (for the interest of themselves or others) in any form, including (but not limited to) any distribution right, voting power, but not include the corporate reorganization which is submitted to and approved by the general meeting of stockholders according to the articles of association.

Article 7.05 The controlling shareholder in the previous article should be the person who has one of the following conditions:

- (1) When this person acts alone or with others, they could select more than half of the directors.
- (2) When this person acts alone or with others, they could exercise more than 30% (30% included) of the voting power of the company or they could control the exercise of more than 30% (30% included) of the voting power of the company.
- (3) When this person acts alone or with others, they hold more than 30% (30% included) of the outstanding shares of the company.
- (4) When this person acts alone or with others, they actually control the company using other methods.

The “acting in concert” in this article means the action that two or more people reach an agreement by the method of treaty (no matter oral or written), and get the voting power towards the company via anyone of them to achieve or solidify the control towards the company.

Article 7.06 The shares of the company which is held by the initiator could not be transferred within a year since the establishment of the company. The shares which are

issued before the public issue of the company share could not be transferred within a year since the date that the shares are listed in the stock exchange.

Chapter 8: Shareholders' General Meeting

Article 8.01 The general meeting of stockholders is the organ of power of the company, it could discharge the functions and powers in corresponding to the law.

Article 8.02 The general meeting of stockholders could exercise the following functions and powers:

- (1) Decide the business policy and investment plan of the company;
- (2) Select and alter director, decide the reward which is related to the director;
- (3) Select and alter the supervisor which is taken up by the shareholder representative, decide the reward which is related to the supervisor;
- (4) Deliberate and approve the report of the Board;
- (5) Deliberate and approve the report of the board of supervisors;
- (6) Deliberate and approve the annually financial budget plan and final accounting plan of the company;
- (7) Deliberate and approve the profit distribution plan and deficit covering plan of the company;
- (8) Make resolution on the increase or decrease of the registered capital of the company;
- (9) Make resolution on the items such as the corporate combination, corporate separation, the form alternation of the company, dismiss and account settlement of the company;
- (10) Make resolution on the issue of bonds;
- (11) Make resolution on employing accounting firm, terminating the employ or not making further employment of the accounting firm;
- (12) Alter the articles of association;
- (13) Deliberate the proposal from the shareholders who hold more than 3% (3% included) shares alone or jointly;
- (14) Other items which are specified to be deliberated by the general meeting of shareholders by laws, administrative laws and regulations and articles of association.

The general meeting of shareholders could authorize or entrust the Board to do the items which are authorized or entrusted.

Article 8.03 If it is not be approved by the general meeting of shareholders in advance, the company could not conclude the contract which make the management of all or important business of the company in the charge of the people other than director, supervisor or senior managers.

Article 8.04 The general meeting of shareholders could be divided into annual meeting of shareholders and temporary meeting of shareholders. The general meeting of shareholders is gathered by the Board. The annual meeting of shareholders should be held once a year and it should be held within 6 months after the finishing of previous accounting year.

The Board should hold temporary meeting of shareholders within 2 months, if there is one of the following situations:

- (1) The number of directors is less than the regulated number of the “Corporation Law” or less than 2/3 of the number required by the articles of association;
- (2) The uncovered deficit of the company reaches 1/3 of the total paid up stock;
- (3) The shareholder who holds more than 10% (10% included) of the share alone or jointly requires to do so;
- (4) When the Board thinks it is necessary or the board of supervisors puts forward to hold the meeting;
- (5) More than 2 independent non-executive directors put forward to hold the meeting;
- (6) Other situations regulated in the articles of association.

Article 8.05 Notices of general meetings, containing the agenda, the date and the venue of the relevant meeting, must be given to all Shareholders listed in the register of members at least 45 days (including the date of such general meeting) prior to the day the relevant general meeting is intended to be held, and in written form or in any other manners as prescribed by the Articles of Association. Shareholders who intend to attend the relevant general meeting must respond, in writing to the Company, 20 days prior to the day the relevant general meeting is intended to be held.

Article 8.06 On the annual general meeting of the company, the shareholders who alone or combined own a total number of more than 3% (3% included) of voting shares in the company, have the right to give a new proposal presented in written form to the Board of Directors 10 days before the date of general meeting of shareholders of the company. And the Board of Directors in the proposal shall mandate these matters and put them on the agenda of the meeting that the general meeting of shareholders is responsible for. General meeting of shareholders shall not make resolutions about things that have not been set out in the above notice.

Article 8.07 According to the written reply received by the company 20 days before the general meeting of shareholders; calculate the number of shares held by the shareholders to be in attendance with voting rights. If the total number of the shares voted at any meeting represented by the shareholders with voting rights can be more than one-second of the total number of voting shares of the whole company, a general meeting of shareholders of the company can be convened; if not, the company shall schedule for consideration of the matter, date and place of the meeting once again and then inform the shareholders with

public notices or announcements within 5 days; and by public notice form, the company may convene a general meeting of shareholders. Such notices shall be published in the newspaper.

Notice that the provisional general meeting shall not decide matters that are not contained in the announcements.

Article 8.08 Announcements of the general meeting of shareholders shall meet the following requirements:

(1) The notice shall be in writing or distributed in any other manners as prescribed by the Articles of Association.

(2) Specify the place, date and time of the meeting;

(3) Describe all the matters that will be discussed;

(4) To make informed shareholders decisions on matters to be discussed, it is required to provide necessarily required shareholders the information and explanations; this principle include (but is not limited to) proposing the merge or repurchase shares or other capital reorganization or restructuring in the company, the contract (if any) and the specific conditions of the proposed transaction shall be provided, as well as careful explanation of their causes and consequences thereafter;

(5) If any of the company directors, supervisors and senior management staff have great concern with their interest and stakes as for the important matters to be discussed, the company shall disclose the nature and extent of his concerned interest stake; if effects of the matters to be discussed on the directors, supervisors and senior managers are different from those on the shareholder with other categories of effects, the company shall explain the difference;

(6) The notice shall contain full text of any special resolution to be proposed at the meeting;

(7) the notice shall be of text that clearly demonstrates that shareholders who are entitled to attend and vote have the right to appoint one or more than one nominee shareholders on behalf of them to attend and vote, and the nominee shareholders don't have to be shareholders;

(8) State clearly the delivery time and place of the letter of delegation for voting in the meeting;

(9) The date of determining equity of the shareholders who have the right to attend the meeting; and

(10) The name and telephone number permanent contact.

Article 8.09 Notices of general meetings shall be given to all Shareholders irrespective of their entitlement to voting rights at general meetings. Such notices shall be given by way of delivery in person or by mail (with postage fully paid) to the relevant Shareholders at their registered address as contained in the register of members. The Company can issue or distribute the aforementioned notices to the Shareholders through the website of the Stock

Exchange and of the Company or by email, and does not have to issue or distribute notices in manners as prescribed above, but in any event there shall be no violation of any laws, regulations and listing rules of the place where the Company's Shares are listed. For holders of Domestic Shares, notices of general meetings may also be made by way of announcements.

A relevant notice as aforementioned shall be published on the website of the Stock Exchange and of the Company between the 45th to 50th days prior to the intended date of the relevant general meeting. Holders of Domestic Shares will be regarded as having been notified of the relevant general meeting as soon as the relevant notice is published on the website of the Stock Exchange and of the Company.

After the notice of the general meeting of shareholders having being sent, the Board shall not change the due holding time of the general meeting of shareholders with the exception of force majeure or other causes such as accidents and so on; even there are really great necessity to change the date of the general meeting of shareholders due to force majeure or other unforeseen events, it shall not hereafter change date of determining the equity.

Article 8.10 If there is any accidental omission which has not sent out a informed notice to the person who have the right to obtain such a notice of the meeting, or those who have not receive notice of meeting, the meeting and meeting resolution are not therefore invalid.

Article 8.11 Any shareholders entitled to attend shareholders meeting and have the right to vote, have the right to appoint one or more persons (the person may not be a shareholder) as their nominee or representative shareholders who attend and vote on his behalf. The shareholder representatives may exercise the following rights in accordance with the shareholder delegates:

- (1) Voice of that shareholder in the general meeting;
- (2) Require to poll by ballot on its own or together with others;
- (3) Exercising the right to vote by putting up hands or by ballot, but if there are more than one appointed nominee shareholders, such nominee shareholders can only exercise the right to vote by ballot.

If the shareholders are recognized and defined settlement or clearing house (or its agent) of the Hong Kong legislation, the shareholders can authorize one or more people who they think are suitable for playing as their agents in any general meeting of shareholders or any categories of shareholders meeting to serve as their representative; but, if there are more than one person who get authorized, the authorized book shall contain the involved stock number and type name of each person authorized herein. And the authorized person can represent a recognized clearing house (or its agent) to exercise the rights, as if they were a company's individual shareholders.

Article 8.12 The agent shall be informed of in written form from shareholders which is signed by the client or by the principal authorized agent by shareholders in written form; if the client is a legal entity, the power of attorney shall be sealed affixed with the legal person or signed by a Director or duly appointed agents. The power of attorney shall contain the amount of shares that the agent is to represent. If the agents are the nominee shareholders, the power of attorney shall indicate the representative number of shares of each shareholder.

Article 8.13 The vote power of attorney shall be prepared in the company residence or other places specified in the notice of meeting convening at least 24 hours before the meeting or 24 hours before the specific time of vote. The authorized power of attorney or other documents shall be notarized if it is signed by clients who authorize others with the right of signing. Notarized power of attorney or other authorization documents together with the vote power of attorney at the same time shall be prepared in the company residence or other places specified in the notice of meeting convening.

If the client is a legal entity, the authorized person who is authorized by resolution of the Board of Directors, its legal representative or other decision-making body, can play as a representative to attend the general meeting of shareholders of the company.

Article 8.14 Any forms and content of the power of attorney sent by the Board of Directors to the shareholders of the company to appoint agent of shareholders shall be indicated with free choice of shareholders who can direct and ask their agent to cast an affirmative or a negative vote in accordance with their will, and cast their votes and opinions in the each motion direction as to the matters of the meeting separately. If there are no instructions by the shareholders in the power of attorney, agents can vote by himself with no considering of his shareholder's will.

Article 8.15 If the clients die before the vote invalidity, loss of capacity for action, withdraw the appointment, withdrawal the signed authorized power of attorney or the relevant has been transferred, as long as company does not receive such a written notice before the start of the meeting which informs it of the nominee of shareholders, then the vote by the shareholder agent according to the instructions power of attorney is still valid.

Article 8.16 Agents when attending the general meeting of shareholders on behalf of shareholders, shall show their own identification and the signed power of attorney that is signed by the client or by the legal representative of the client, the power of attorney (proxies) shall provide the date of issue. The legal person shareholders (except the recognized clearing house or his agent) if delegated its legal representative to attend the meeting, the legal representative shall show their own identification cards and certified copies by the resolutions of the board of directors of the company which appointed the legal representative (other than a recognized clearing house or his agent) of this meeting or certified by other authority or other notarized and certified copies certified and licensed by the company.

Article 8.17 The shareholder resolutions are divided into ordinary and special resolutions of the general meeting.

The ordinary resolutions of the general meeting of the shareholders shall be passed with at least one-second vote of the voting rights held by the attending shareholders (including nominee shareholders).

The special resolution of the general meeting of shareholders shall be passed with the support of at least two-thirds of vote of the voting rights held by the attending shareholders (including nominee shareholders).

When the general meeting of shareholders elects directors and supervisors, it may act according to the company's charter or resolutions of the general meeting of shareholders, and make implementation of cumulative voting system.

Article 8.18 The shareholders (including nominee shareholders) in the process of vote, shall exercise the right to vote according to the shares amounts to which they representative, and each share has one vote right.

Article 8.19 Unless the following persons asking to poll before or after the vote by show of hands, the general meeting of shareholders shall vote by show of hands:

- (1) Chairman of the general meeting of the shareholders;
- (2) At least two shareholders representatives with the voting rights or two shareholders with voting rights;
- (3) One or a number of shareholders (including nominee shareholders) who have over 10% (including 10%) of the right to vote at the meeting separately or combined with consolidation of shares held.

Unless someone offers to poll, the President of the general meeting shall announce the condition of the proposal based on the results of show hands vote, and it will be recorded in the record of the meeting as the basis for the final result without proof of the resolutions adopted by the meeting support or oppose votes or in its proportions.

The requirements of a poll can be withdrawn by the person.

Article 8.20 If matters demanding a poll to resolve is the Election of the President or the suspension of the meeting, it shall immediately vote; other matters that require voting by poll, the President have the right to decide when to hold the vote and the meeting can proceed to discuss other matters . The voting results are still considered to be the resolution adopted by the meeting.

Article 8.21 In the vote, two votes or more than two votes from the shareholders with voting rights of (including their agents or proxies) do not have to treat all the rights to vote as all vote for or against.

If any of the provisions of the listing rules has stated that any shareholders can only abstain from voting, or limit vote rights in support (or oppose) a vote by resolution of shareholders in respect of a matter, if there is any violation of the relevant regulations or restrictions, the cast votes by or on behalf of such shareholders shall not be taken into account.

Article 8.22 when the opposition and the support vote numbers are equal, regardless of vote ways of show of hands or on a poll, the president is entitled to have one vote.

Article 8.23 The following ordinary resolutions of the matter shall be passed by the general meeting of shareholders by:

- (1) the report on the work of the Board of Directors and Board of supervisors;
- (2) the profit appropriation plan and plans for making up losses proposed by the Board of directors;
- (3) The election, appointment, dismissal and remuneration of the members of the Board of Directors and Board of supervisors as well as the method of payment;
- (4) The company's annual budget and final accounts, balance sheet, income statement and other financial reports;
- (5) The annual report, and
- (6) Other matters in addition to which that have been passed by laws, articles of administrative regulations or the other special resolutions.

Article 8.24 The following matters shall be approved by the shareholders' meeting with special resolution:

- (1) The company increases or decreases its capital stocks and issues any kinds of shares, Warrants, or other similar securities;
- (2) Issuing of the company bonds;
- (3) Split-up, merger, dissolution and liquidation and significant purchase or sale of the company;
- (4) Modification of the Articles of Association;
- (5) Resolutions about change of the company form;
- (6) Other matters which is approved by the shareholders' meeting with

ordinary resolution that the matters have significant influence on the company and shall be approved with special resolution.

When the company purchases or sells any significant assets, or provides guaranties that exceed 30% of the company's total assets within a year, it shall be authorized by the resolutions made by the shareholder's meeting and adopted by the shareholders representing more than 2/3 of the voting rights of the shareholders who attend the shareholders' meeting.

Article 8.25 Any resolutions approved by the shareholders' meeting shall be in accordance with China's laws, administrative laws and regulations and relevant regulations of these Articles.

Article 8.26 When the board of supervisors or shareholders require to convene an interim shareholders' meeting or separate meeting of classified shareholders, it shall be transacted in accordance with the following procedures:

(1) The board of supervisors or two or more shareholders who aggregately hold more than 10%(including 10%) of the shares which have voting rights in the meeting to be held can sign and submit a copy or several copies of written request of similar form and content for approval of the board of directors to convene interim shareholders' meeting or separate meetings of classified shareholders, and clarify the topic for discussion. The board of directors shall convene interim shareholders' meeting or separate meeting of classified shareholders as soon as possible after it receives the written request mentioned above. Then above-mentioned shares amount of the shareholders shall be calculated in accordance with the shareholding situation on the day when the shareholders put forward the written request.

(2) If the board of directors does not issue a notice of convening the meeting within 30 days after it receives the written request mentioned above, the board of supervisors or the shareholders which promote the request can convene the meeting on their own initiative within four months after the board of directors receives the request. The procedure of the convening shall be in accordance with that of the shareholders' meeting which is convened by the board of directors as far as possible.

If the shareholders convene and hold the meeting on their own initiative because the board of directors does not hold the meeting corresponding to the request, the company shall bear the reasonable cost, and deduct the money from the back pay for the directors who are negligent in the performance of duties.

Article 8.27 The shareholders' meeting shall be convened by the board of directors and presided over by the chairman of the board of directors. If the chairman of the board of directors is unable or fails to perform his duties, the meeting shall be presided over by the deputy chairman of the board of directors. If the deputy chairman of the board of directors is

unable or fails to perform his duties, the meeting shall be presided over by a director jointly elected by more than half of the directors. If the directors don't elect the chairman of the meeting, the shareholders who attend the meeting can elect one to act as the chairman of the meeting. If the shareholders are unable to elect the chairman of the meeting for any reasons, the shareholder who attends the meeting and holds most voting shares (including the agents of shareholders) shall act as the chairman of the meeting.

If the board of directors is unable or fails to perform the duty of convening the shareholders' meeting, the board of supervisors shall convene and preside over the meeting timely. If the board of supervisors does not convene or preside over the meeting for 90 successive days, the shareholders separately or aggregately holding 1/10 or more of the shares may convene and preside over such meetings on their own initiative.

Article 8.28 The chairman of the meeting is responsible for making the decision whether the resolutions of the shareholders' meeting are approved. His decision is the final decision which shall be announced on the meeting and noted down in the meeting minutes.

Article 8.29 If the chairman of the meeting has any doubts for the resolution result which is made by voting, he can count the vote. If the chairman of the meeting does not count the vote, the shareholders or agents of shareholders who attend the meeting and disagree with the result announced by the chairman of the meeting have the right to request counting of the vote instantly after the announcement and the chairman of the meeting shall count the vote immediately.

Article 8.30 If counting of the vote is carried out on the shareholders' meeting, the result of the counting shall be noted down in the meeting minutes.

The secretary shall make minutes on the shareholders' meeting and the directors who attend the meeting shall sign their names on the minutes.

The resolutions approved on the shareholders' meeting shall be made into summary meeting minutes. The meeting minutes and the summary meeting minutes should be written in Chinese. The meeting minutes along with the signature book of the shareholders attending the meeting and letters of authorization for the agents shall be reserved in the residence of the company.

Article 8.31 The shareholders can consult the copies of the meeting minutes for free in the office hours of the company. If any shareholders ask for copies of relevant meeting minutes, the company shall send the copies within seven days after it receives reasonable fees.

Chapter 9: Special Procedures for Resolution on Class Shareholders

Article 9.01 The shareholders who hold different kinds of shares are classified shareholders.

The classified shareholders have rights and undertake obligations in accordance with provisions of laws, administrative laws and regulations and articles of association.

Article 9.02 When the company plans to change or abolish rights of the classified shareholders, it shall be approved by the shareholders' meeting with special resolution and by the influenced classified shareholders on the shareholders' meeting convened respectively according to the Article 9.04 to Article 9.08 of these Articles before it is carried out.

Article 9.03 The following circumstances shall be regarded as change or abolition of rights of the classified shareholders:

(1) Increasing or decreasing the amount of the shares of that class, or increasing or decreasing the amount of the classified shares which have equal or more voting rights, distribution rights, and other rights comparing with the shares of that class.

(2) Converting all or a part of the shares of that class to shares of other classes, or converting all or a part of the shares of another class to shares of that class or authorize it with such conversion rights;

(3) Canceling or decreasing the rights of acquiring the generated dividend or cumulative dividend of the shares of that class;

(4) Decreasing or canceling the rights of acquiring dividend preferentially or acquiring preferential distribution of property in the company liquidation of the shares of that class;

(5) Increasing, canceling or decreasing the shares conversion right, right of choice, voting right, assignment right, preferential right of allotment, and right of acquiring the corporation securities of the shares of that class;

(6) Canceling or decreasing the rights of collecting the payables of the company in particular currency of the shares of that class;

(7) Establishing shares of new classes which have equal or more voting rights, distribution rights or other rights comparing with the shares of that class.

(8) Restricting the conversion or proprietary rights of the shares of that class or increasing such restrictions.

(9) Issuing stock subscription rights or rights of shares conversion of the shares of that class or another class;

(10) Increasing the rights and privileges of shares of other classes.

(11) The company reorganization scheme will cause that shareholders of different classes undertake responsibilities un-proportionately in the

reorganization;

(12) Modifying or abolishing the clauses of this Chapter.

Article 9.04 The influenced classified shareholders, no matter whether they have voting rights originally on the shareholders' meeting, have voting rights on the separate meetings of classified shareholders in respect of the matters of (2) to (8), (11) to (12) in Article 9.03 of these Articles. But the interested shareholders don't have voting rights on the separate meeting of classified shareholders.

The aforesaid interested shareholders are defined as the following:

(1) When the company sends buy back offers to all the shareholders according to the same ratios or buys back the shares of itself in stock exchange through public means of exchange in accordance with the regulations in Article 4.04 of these Articles, the "interested shareholders" refer to the controlling shareholders defined in Article 7.05 of these Articles;

(2) When the company buys back the shares of itself outside the stock exchange through the method of agreement according to the regulations in Article 4.04 of these Articles, the "interested shareholders" refer to the shareholders who are relevant with the very agreement;

(3) In the company reorganization scheme, the "interested shareholders" refer to the shareholders who undertake responsibilities of less ratios than other shareholders of that class or the shareholders who have different interests from other shareholders of that class.

Article 9.05 Resolutions of separate meeting of classified shareholders can only be made when the shareholders who attend the meeting and hold more than 2/3 of shares which have voting rights vote and approve it according to the Article 9.04 of these Articles.

Article 9.06 Notice of a class meeting, containing the agenda, the date and the venue of the relevant class meeting, must be given to all holders of that particular class as listed in the register of members 45 days prior to the day the relevant class meeting is intended to be held, and in written form or in the manners as prescribed by the Articles of Association. Shareholders who intend to attend the relevant class meeting must respond, in writing to the Company, 20 days prior to the day the relevant class meeting is intended to be held.

The company can convene the separate meeting of classified shareholders when the shareholders planning to attend the meeting represent more than half of the total shares of that class which have voting rights on the meeting, or the company shall inform the items to be discussed on the meeting and the date and site of the meeting to shareholders once again through announcement in five days. After the announcement, the company can convene the separate meeting of classified shareholders, and such announcement shall be published on newspaper.

Article 9.07 The notices of the separate meeting of classified shareholders are necessary

to be sent only to the shareholders who have voting rights on the meeting.

The separate meeting of classified shareholders shall be held with the same procedures of the shareholders' meeting as far as possible. The relevant clauses about the procedures of the holding of shareholders' meeting in the articles of association are applicable to the separate meeting of classified shareholders.

Article 9.08 Besides the shareholders of shares of other classes, shareholders of domestic shares and overseas listed foreign shares are regarded as shares of different classes.

The following circumstances are not applicable to the special procedures of voting by classified shareholders:

(1) Approved by the shareholders' meeting with special resolution, the company issues singly or simultaneously domestic shares and overseas listed foreign shares at the interval of 12 months and the amount of the domestic shares and overseas listed foreign shares to be issued don't respectively exceed 20% of the shares of that class which have been issued to public; or

(2) The plan of issuing domestic shares and overseas listed foreign shares at the establishment of the company is completed within 15 months since the approval date of the Securities Commission of the State Council.

Chapter 10: Board of Directors

Article 10.01 The company shall establish a board of directors, and the Board of Directors shall comprise at least seven directors, including at least three independent non-executive directors (refers to directors who are independent from the shareholders of the company and who hold no position in the company).

The board of directors shall have a chairman and a deputy chairman.

The board of directors establishes professional committees such as strategic policy committee, audit committee, compensation committee and etc according to needs.

Article 10.02 The directors are elected by the shareholders' meeting and the term of office of the directors shall be three years. The directors may, after the expiry of their term of office, hold a consecutive term upon re-election.

The shortest time limit of the statement about nominating the candidates for directors, the resumes of the candidates, and the written notices which are sent to the company by the candidates to make clear that they are willing to accept the nomination is at least seven days. The time limit shall be counted from the day no earlier than one day after the issuing of the

notice of the convocation of the shareholders' meeting and shall end seven days before the convocation of the shareholders' meeting.

The candidates for directors of the first board of directors are nominated by the initiators and elected by the company establishment conference. The number of the elected directors of each term shall be no less than the number regulated in Article 10.01 of these Articles and no more than the directors' maximum number which is confirmed by the shareholders' meeting with common resolution. If the number of the directors who are approved by the voting exceeds the planned maximum number, the elected directors shall be confirmed according to the planned maximum number of directors in the sequence of the votes they have got.

Abiding by the relevant laws, administrative laws and regulations, the shareholders' meeting can recall any directors whose term of office has not expire with special resolution. (But the reimbursement claim which can be put forwarded according to any contract is not influenced by this). The shareholders' meeting shall not recall the directors without good reasons before their term of office expire.

The chairman and deputy chairman of the board of directors are elected or recalled by more than half of all the directors. The term of office of the chairman and the deputy chairman is three years and they can hold a consecutive term upon re-election after the expiry of their term of office.

When the vacancies of directors don't exceed the number regulated by the "*Company Law*" or is no less than 2/3 of the number required by the articles of association, the office term of any people who are appointed to be directors to fill the interim vacancies of the board of directors shall continue until the next shareholders' meeting is convened. And they have the qualification of reelection and reappointment on the meeting.

The outside directors shall have enough time and necessary knowledge and capacities to perform their duties. When the outside directors perform their duties, the company must provide them with necessary information. Among them, the independent un-executive directors can report situations directly to the shareholders' meeting, the securities regulatory authority of the State Council and other relevant departments.

The executive directors deal with the matters authorized by the board of directors.

It is not necessary for the directors to hold the shares of the company.

Article 10.03 The board of directors is responsible for the shareholders' meeting and exercise the following functions:

- (1) Convening shareholders' meeting and presenting reports to the shareholders' meeting;
- (2) Implementing the resolutions made at the shareholders' meetings;

-
- (3) Determining the company's business and investment plans;
 - (4) Working out the company's annual financial budget plans and final account plans.
 - (5) Working out the company's profit distribution plans and loss recovery plans;
 - (6) Working out the company's debt policies and financial policies; working out the company's plans on the increase or reduction of registered capital, as well as on the issuance of corporate bonds;
 - (7) Working out the company's plans on significant purchase, buying back the shares of the company itself or sale and company's plans on merger, split, change of the company form, or dissolution;
 - (8) Making decisions on the establishment of the company's internal management departments;
 - (9) Employment or recall of the company's manager; employment or recall of the company's senior management personnel such as the deputy manager, chief financial officer and etc and employment or recall of the secretary of board of directors according to the nomination of the manager, and making decisions on the remuneration and method of payment for the personnel mentioned above;

Appointing or replacing the members of the board of directors and board of supervisors of the wholly-owned subsidiaries; Appointing, replacing or recommending the shareholder representatives, directors and supervisors of the holding subsidiary companies and the joint stock subsidiaries.

- (10) Making decisions on the setting of the embranchments of the company;
- (11) Working out modification scheme of the articles of association.
- (12) Working out the company's basic management system.
- (13) With the exception of the matters which should be resolved by the shareholders' meeting according to the Company Law and these articles, deciding other significant matters and administrative matters of the company and signing other important agreements; and
- (14) Other functions authorized by the shareholders' meeting, laws, regulations, and these articles of association.

When the board of directors makes resolutions on matters mentioned above, the matters of (6), (7), and (11) requires approval of more than 2/3 of the voting directors, while other matters requires approval of more than half of the voting directors.

When the board of directors makes resolutions about the connected transactions of the company, they must be signed by the independent un-executive directors before the resolutions take effect.

Article 10.04 When the board of directors disposes the fixed assets, if the summary of

the expected value of the fixed assets to be disposed and the fixed assets which has been disposed within four months before the advice of dispose exceeds 33% of the value of the fixed assets which is revealed in the balance sheet audited by the shareholders' meeting lately, the board of directors shall not dispose or agree to dispose the fixed assets before the shareholders' meeting approves it.

Dispose of the fixed assets in this article includes the assignment of some asset equities, but not includes the actions of providing guaranty with the fixed assets.

The effectiveness of the trade which is carried out by the company to dispose the fixed assets shall be not affected because of violating of the first paragraph of this article.

When the board of directors makes resolutions about market development, merger and acquisition, investment in new field and etc, for the projects the investment amount or merger and acquisition asset amount of which achieve more than 10% of the total assets of the company, the social consulting institution shall be employed for professional opinions which are taken as important basis for the resolutions of the board of directors.

Article 10.05 The chairman of the board of directors exercises the following functions:

- (1) Presiding over the shareholders' meeting and convening and presiding over the meeting of the board of directors.
- (2) Organize and perform the duties of the board of directors, and examine the implement of the resolutions of the board of directors;
- (3) Sign the shares issued by the company; and
- (4) Other duties should be granted by the board of directors.

When the chairman is unable to perform his duties, the vice-chairman designated by the chairman performs his duties on his absence; when the vice-chairman is unable to perform his duties, more than half of the board of directors should elect one director to perform his duties.

Article 10.06 The board of directors shall convene at least four meetings every year. (This does not include obtaining the approval of the board of directors by way of passing around the written decisions). The chairman shall convene the meetings and give notices to all directors and supervisors 14 days before the meeting. When emergency occurs, an interim meeting may be convened based on a proposal made by stockholders who represent more than 10% right of voting and also by more than one thirds of the board of directors and the board of supervisors. Then chairman should convene and preside over the board meeting within 10 days after receiving the proposal, without restrictions of notice of meeting in Article10.07.

In principle the board meeting should be held at the domicile of the company or other places if it is unanimously agreed and decided by the board of directors.

Chinese is the board meeting language. When necessary, translators may attend the board meeting to provide Chinese- English unseen translation.

Article 10.07 The board meeting shall be informed in following manners:

- (1) The time and address of its regular meeting is decided beforehand and it needs no notice to convene.
- (2) If the board meeting has not decide the time and place, the chairman shall give each director a written notice at least fourteen days before the date of the board meeting. The notice shall cover the time and place of the meeting and shall be issued by telex, telegraph, fax, EMS or registered letter, or by appointing a commissioner to inform all the directors. Except there are otherwise stipulations listed in Article 10.06.
- (3) The notice shall be written in Chinese (English version can be attached when necessary), which includes meeting agenda and issues. Any director can give up the right to be informed of the board meeting.

Article 10.08 All the major items that require the decision-making of the board of directors must be notified to all executive directors and external directors (including independent non-executive directors) according to the time fixed by the Article 10.07 of this constitution and carried out in strict accordance with the procedure laid down. At the same time sufficient information shall be provided. Directors may require to be provided with supplementary materials. When more than a quarter of the directors or more than two independent non-executive directors believe that the information is inadequate or unclear, they can jointly declare the deferment of the board meetings or some of the issues that shall be discussed by the board meeting, to which the board of directors shall give approval.

If a director has attended the meeting and raises the objection of having not received the notice of the meeting before the meeting or on his arrival, this shall be deemed as having given him the notice of the meeting.

The regular meeting of the Board or the interim meeting may be held in the form of a conference call or with similar communications equipment. When such a meeting is held, as long as the participating directors can hear the speech of the other directors and communicate with each other, all participating directors shall be deemed to have been presented at the meeting in person.

Article 10.09 The meeting of the Board of directors may held when more than half of the directors (including the directors who appoint other directors by a written power of attorney to attend the meeting on his behalf, according to the Article 10.10 of this Constitution). Each of the directors shall have one vote. The resolution made by the board of directors should be passed by a majority of all directors.

The deciding vote cast by the chairman of the board of directors to resolve a tie. (The chairman shall have one more vote when the Yeas and Nays are equally divided.)

Article 10.10 The directors shall attend the meeting of the board in person. If a director cannot attend the meeting for some reason, he may entrust another director by a written entrustment, which shall specify the scope of authority.

The entrusted directors shall wield the power of directors within the granted authorization. The entrusted directors shall exercise the power of the directors within authorization. In cases when the director neither personally attends nor entrusts a representative to attend a certain meeting, the directors shall be deemed as having given up the voting right of that meeting.

The expenses incurred by the directors for attending the Board meetings will be reimbursed by the Company. These expenses include the off-site transportation costs from the location of the Board to the venue of the meeting, as well as the board and lodging charge during the meeting. The incidental costs including the rent for meeting room and the local transportation shall also be paid by the company.

Article 10.11 Except otherwise herein provided, the board of directors may replace the Board meeting by a written motion. The draft of the resolution shall be delivered to each of the directors by any of the following ways: commissioners, post, telegraph, and facsimile. If the resolution has been distributed to all directors, and the directors who sign the agreement reach the quorum required for decisions, and then the resolution is sent to the Secretary of the Board by the above-mentioned means, then the resolution shall become the resolution of the board of directors and it is unnecessary to convene the meeting of the Board. The written resolutions are then deemed to have the same legal effect with the resolutions passed through the meetings convened by the board of directors in accordance with the procedures laid down by the relevant articles under this chapter.

But if there are significant conflicts of interests in the matters to be considered by substantial shareholders or the directors on the meetings of the Board, the relative items shall not be dealt with by the circulation of papers or by a committee (except the committee set up particularly for the matter according to the resolution passed through the meetings of the Board), and the meeting of the board must be held on these matters. The independent non-executive directors and their associates who don't have significant interest shall attend relative meetings of the board.

Article 10.12 The board meeting shall record the decisions in Chinese and keep minutes of resolutions on matters discussed at the board meetings or meetings not convened. Views expressed by the Independent non-executive directors shall be stated clearly in the resolution of the Board of Directors meeting. The minutes of each Board meeting shall be provided to all the directors for review as soon as possible. The directors who intend to amend and supplement the records shall propose the changes in written forms to the chairman of the Board within one week after receipt of the meeting. The directors and recorders who have attended the meeting shall sign the records after finalization. The minutes of the Board meeting shall be kept in China, where the residence of the company is

located, and a complete copy shall be distributed to each director as soon as possible.

The directors shall be responsible for the resolution of the Board meeting. But a director of the company is liable when the resolution of the meeting of the Board which is in violation of laws, administrative regulations, the articles of incorporation, or the shareholders' meeting resolution and results in severe losses; but proved that the opposition was demonstrated and recorded in the minutes when voting, the certain director may be exempted from liability.
