2017 FRAMEWORK AGREEMENT

Reference is made to the announcement of the Company dated 24 September 2015 and the circular of the Company dated 30 October 2015 in relation to the 2015 Framework Agreement which was approved in the extraordinary general meeting of the Company on 20 November 2015. Pursuant to the 2015 Framework Agreement, Tianrui Cement agreed to provide the Tianrui Cement Guarantee to Tianrui Group Company (including its subsidiaries but excluding its subsidiaries engaged in aluminum-related business) and Tianrui Group Company agreed to provide the Tianrui Group Guarantee to Tianrui Cement (including its subsidiaries), directly by themselves or through their subsidiaries, with respect to each other (inclusive of their subsidiaries) for bank loans to be borrowed and/or debentures or corporate bonds to be issued by them for a term from 27 November 2015 to 31 December 2017.

On 11 May 2017, the Company has entered into the 2017 Framework Agreement with Tianrui Group Company and Tianrui Cement, pursuant to which the 2015 Framework Agreement (which was due to expire on 31 December 2017) shall be terminated and the Company has conditionally agreed to provide the Company Guarantee to Tianrui Group Company (including its subsidiaries but excluding its subsidiaries engaged in aluminum-related business) and Tianrui Group Company has conditionally agreed to provide the Tianrui Group Guarantee to the Company (including its subsidiaries), directly by themselves or through their subsidiaries, with respect to each other (inclusive of their subsidiaries) for bank loans to be borrowed and/or debentures or corporate bonds to be issued by them for a term from 11 May 2017 to 31 December 2019, subject to the Annual Caps for the Tianrui Cement Guarantee and the Company Guarantee. For the avoidance of doubt, none of the members of the Group will be considered to be a subsidiary of Tianrui Group Company for the purpose of the 2017 Framework Agreement.

LISTING RULES IMPLICATIONS

As at the date of this announcement, Tianrui Group Company is owned as to 70% by Chairman Li, and Tianrui Group Company also indirectly holds approximately 39.57% shareholding in the Company and is hence the controlling shareholder of the Company. Tianrui Group Company is therefore a connected person of the Company. Therefore, the transactions contemplated under the 2017 Framework Agreement constitute continuing connected transactions of the Company under the Listing Rules.

Company Guarantee

As one or more of the applicable percentage ratios with respect to the Company Guarantee exceed 5% but all applicable percentage ratios are less than 75%, the Company Guarantee constitutes a major transaction under Chapter 14 of the Listing Rules and is subject to the reporting, announcement and independent shareholders' approval requirements under the Listing Rules.

As the amount of the proposed Annual Caps of the Company Guarantee (daily maximum balance not exceeding RMB3,000 million for each of the three years ending 31 December 2019) exceeds 8% under the assets ratio as defined under Rule 13.13 of the Listing Rules, the grant of Company Guarantee is also subject to the general disclosure obligations under Rule 13.15 of the Listing Rules.

Tianrui Group Guarantee

The Board considers that the Tianrui Group Guarantee (daily maximum balance not exceeding RMB7,000 million for each of the three years ending 31 December 2019) is provided to the Group on normal commercial terms or better for the Group and no security shall be provided over the assets of any member of the Group in relation to such guarantee; therefore, the Tianrui Group Guarantee is exempted from reporting, announcement and independent shareholders' approval requirements according to Rule 14A.90 of the Listing Rules.

Counter Guarantee

On 11 May 2017, Chairman Li, the ultimate controlling shareholder of Tianrui Group Company, entered into the Counter Guarantee Agreement with the Company, pursuant to which Chairman Li has agreed to indemnify the Company by means of the Counter Guarantee for any amount payable by the Company or its subsidiaries in connection with the Company Guarantee, including the principal amount of the relevant loan, debenture or corporate bonds, any interest, fees, damages and enforcement expenses for breach of the relevant loan, debenture or corporate bonds.

The Board considers the Counter Guarantee is provided to the Group on normal commercial terms or better for the Group and no security shall be provided over the assets of any member of the Group in relation to such guarantee; therefore, the Counter Guarantee is exempted from reporting, announcement and independent shareholders' approval requirements according to Rule 14A.90 of the Listing Rules.

The Independent Board Committee comprising all the independent non-executive Directors has been formed to advise the Independent Shareholders as to whether the terms of the 2017 Framework Agreement and the transactions contemplated thereunder, including the Annual Caps, are fair and reasonable and are in the interests of the Company and its Shareholders as a whole, and to advise the Independent Shareholders on how to vote, taking into account the recommendations of the Independent Financial Adviser.

DESPATCH OF CIRCULAR AND APPOINTMENT OF INDEPENDENT FINANCIAL ADVISOR

TC Capital International Limited has been appointed as the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders in connection with the 2017 Framework Agreement.

A circular containing details of the 2017 Framework Agreement, a letter from the Independent Board Committee of the Company and a letter from the Independent Financial Adviser, the circular is expected to be dispatched to the Shareholders on or before 2 June 2017.

MAJOR TERMS OF THE 2017 FRAMEWORK AGREEMENT AND THE TRANSACTIONS CONTEMPLATED THEREUNDER

I. Major Terms of the 2017 Framework Agreement

1. *Date*

11 May 2017

2. *Effective Period*

The 2017 Framework Agreement shall be effective for a term (“**Term**”) from 11 May 2017 to 31 December 2019, subject to all the conditions precedent (including Independent Shareholders’ approval) thereto being fulfilled. The 2015 Framework Agreement shall be terminated when the 2017 Framework Agreement shall become effective.

3. *Parties*

- (a) The Company;
- (b) Tianrui Cement; and
- (c) Tianrui Group Company

4. *Mutual Guarantee*

(a) Tianrui Group Guarantee

Pursuant to the 2017 Framework Agreement, Tianrui Group Company has agreed, during the Term, to provide guarantees, directly by itself or through its subsidiaries, with respect to the Company or its subsidiaries, for bank loans to be borrowed and/or debentures or corporate bonds to be issued by any of them.

(b) Company Guarantee

Pursuant to the same 2017 Framework Agreement, the Company has agreed, during the Term, to provide guarantees, directly by itself or through its subsidiaries, with respect to Tianrui Group Company or its subsidiaries (excluding any of its subsidiaries engaged in aluminum-related business) for bank loans to be borrowed and/or debentures or corporate bonds to be issued by any of them. In the event that the relevant loan, debenture or corporate bonds is to be borrowed or issued by any of Tianrui Group Company's subsidiaries, Tianrui Group Company shall provide the primary guarantee to the lenders in respect to the loan, debenture or corporate bonds while the Company Guarantee shall only be provided as additional credit support. In addition, with respect to such Company Guarantee, Tianrui Group Company undertakes to indemnify the Company for any amount payable by the Company in accordance with the terms and conditions of the Company Guarantee, including the principal amount of the relevant loan, debenture or corporate bonds, any interest, fees, damages and enforcement expenses for breach of the loan, debenture or corporate bonds.

For the avoidance of doubt, none of the members of the Group will be considered to be as subsidiary of Tianrui Group Company for the purpose of the 2017 Framework Agreement.

The provision of the Guarantees by each party under the 2017 Framework Agreement will be subject to the guarantor having fully understood the borrower's business obligations and financial position, and further in the case of Company Guarantee, the review and approval of a special committee established by the Board for monitoring the risk control and management in relation to the 2017 Framework Agreement. For further details, please refer to the section headed "Risk Management Measures under the 2017 Framework Agreement".

No commission is payable by the Company or Tianrui Group Company to each other in connection with any of the Guarantees, which the Directors consider is fair and reasonable to the Company and its Shareholders on the basis that, among others, commission in relation to guarantee is normally calculated based on the annual amount of the guarantees. The proposed Annual Caps of Tianrui Group Guarantee are higher than those of Company Guarantee, and it is also expected that the amount to be utilized under Tianrui Group Guarantee is greater than the amount to be utilized under Company Guarantee; therefore, the commission payable by the Company under the Tianrui Group Guarantee would be greater than that by Tianrui Group Company under the Company Guarantee, should any commission be payable. As such, it would be for the benefit of the Company for there not to be any commission payable under the 2017 Framework Agreement.

No security shall be provided over the assets of any member of the Group in relation to any of the Guarantees.

Pursuant to the 2017 Framework Agreement, no obligations under the Company Guarantee and Tianrui Group Guarantee shall be offset against each other.

5. *Conditions Precedent*

The Guarantees will be subject to the conditions precedent set out as follows:

- (i) the Company has complied with the requirements provided under the Listing Rules in respect of the transactions contemplated under the 2017 Framework Agreement; and
- (ii) the 2017 Framework Agreement and the transactions contemplated thereunder have been approved by the Independent Shareholders at the EGM in compliance with the Listing Rules.

6. *Proposed Annual Caps for the Guarantees*

The proposed Annual Caps provided in the 2017 Framework Agreement are set out as follows:

	Year ending 31 December		
	2017	2018	2019
	<i>RMB (million)</i>	<i>RMB (million)</i>	<i>RMB (million)</i>
Maximum daily balance of the Company Guarantee	3,000	3,000	3,000
Maximum daily balance of Tianrui Group Guarantee	7,000	7,000	7,000

The proposed Annual Caps for Company Guarantee were determined by the Board after taking into consideration the following factors:

- (a) funding needs of the Tianrui Group Company and its subsidiaries (excluding any of its subsidiaries engaged in aluminum-related business) for current borrowings of approximately RMB1,542.0 million secured by Company Guarantee as of the date of this announcement; and
- (b) increase in future capital requirements of Tianrui Group Company and its subsidiaries (excluding any of its subsidiaries engaged in aluminum-related business). As advised by the management of Tianrui Group Company, it is expected that approximately RMB1,458.0 million in bank facilities will be required to finance fixed assets investments in relation to its tourism, energy and other businesses.

The proposed Annual Caps for Tianrui Group Guarantee were determined by the Board after taking into consideration the following factors:

- (a) funding needs of the Group in respect of current borrowings of approximately RMB4,535.7 million which has been secured by Tianrui Group Guarantee as of the date of this announcement; and
- (b) the Group's possible needs for approximately RMB2,464.3 million to finance fixed assets investments, business acquisition, production improvement, by-product expansion and general working capital during the Term.

The terms of the 2017 Framework Agreement remain materially the same as the 2013 Framework Agreement and 2015 Framework Agreement, except for (i) the provision of the guarantee by the Company or Tianrui Cement separately or together under the Company Guarantee and (ii) the annual caps amount and calculation method as set out below:

	Annual caps under 2013 Framework Agreement	Annual caps under 2015 Framework Agreement	Annual Caps under 2017 Framework Agreement
Tianrui Cement Guarantee	<ul style="list-style-type: none"> Aggregate amount of RMB2,200 million for the first 12-month period Aggregate amount of RMB3,000 million for the second 12-month period 	Maximum daily balance not exceeding RMB2,500 million during the term from 27 November 2015 to 31 December 2017	—
Company Guarantee	—	—	Maximum daily balance not exceeding RMB3,000 million during the term from 11 May 2017 to 31 December 2019
Tianrui Group Guarantee	<ul style="list-style-type: none"> Aggregate amount of RMB5,200 million for the first 12-month period Aggregate amount of RMB6,000 million for the second 12-month period 	Maximum daily balance of RMB6,000 million during the term from 27 November 2015 to 31 December 2017	Maximum daily balance of RMB7,000 million during the term from 11 May 2017 to 31 December 2019

The Board considered that the calculation of the annual caps under the 2015 Framework Agreement and the 2017 Framework Agreement by reference to the daily maximum balance, as compared to the calculation of the annual caps under the 2013 Framework Agreement by reference to the aggregate utilization amounts (whether such guarantees have been released or not), is more precise and may allow for greater flexibility in utilization of the guarantees, especially where multiple guarantees of short-term loans are required during any particular calendar year. The daily maximum balance can also provide a cap for maximum liability at any point of time during the Term, hence making it easier to monitor.

II. Counter Guarantee

On 11 May 2017, Chairman Li, entered into the Counter Guarantee Agreement with the Company, pursuant to which Chairman Li agreed to indemnify the Company by means of the Counter Guarantee for any amount payable by the Company or its subsidiaries in connection with the Company Guarantee, including the principal amount of the relevant loan, debenture or corporate bonds, any interest, fees, damages and enforcement expenses for breach of the relevant loan, debenture or corporate bonds.

The Board considers that the Counter Guarantee is provided to the Group on normal commercial terms or better for the Group and no security shall be provided over the assets of any member of the Group in relation to such guarantee; therefore, the Counter Guarantee is exempted from reporting, announcement and independent shareholders' approval requirements according to Rule 14A.90 of the Listing Rules.

The Counter Guarantee arrangement for the 2017 Framework Agreement is identical in nature as Chairman Li's counter guarantee arrangement for the 2015 Framework Agreement and the 2013 Framework Agreement.

REASONS FOR AND BENEFITS OF THE 2017 FRAMEWORK AGREEMENT

The 2017 Framework Agreement was entered into by the Company and Tianrui Group Company after taking into account the following factors:

- (a) It is common commercial practice for lenders in China to require the provision of guarantees as security for provision of loans to a borrower. In particular, privately-owned companies are often required by the PRC banks to provide third-party guarantee before granting a loan. In view of the recent overall domestic economic slowdown, financial institutions in the PRC have implemented tightened risk control measures, which require borrowers to extend or provide additional guarantees before granting loans.
- (b) The historical utilization of the Tianrui Group Guarantee is greater than that of the Tianrui Cement Guarantee. As at the date of this announcement, the outstanding balance of the Tianrui Cement Guarantee for the year ended 2017 is approximately RMB1,542.0 million while the Tianrui Group Guarantee for the year ended 2017 is approximately RMB4,535.7 million. During the terms of the 2013 Framework Agreement and 2015 Framework Agreement and as at the date of this announcement, there has not been default of any loans guaranteed by either the Tianrui Group Guarantee or the Tianrui Cement Guarantee. Since the 2015 Framework Agreement became effective on 20 November 2015, the historical annual aggregate utilization amounts for the years ended 31 December 2015 and 31 December 2016, whether such guarantee have been released or not, are as follows:

	For the year ended	
	2015	2016
	<i>(RMB</i>	<i>(RMB</i>
	<i>thousand)</i>	<i>thousand)</i>
Tianrui Cement Guarantee	1,472,000	1,542,000
Tianrui Group Guarantee	2,000,000	4,535,684

- (c) The Group's business is capital-intensive. While the Group has continuously sought to diversify its external funding sources, domestic PRC bank loans remain a vital source in satisfying the Group's financing needs. Consistent with its business strategy, the Group intends to continue to engage in fixed assets investments, business acquisitions, production improvement and by-product expansion so as to benefit from the consolidation trend in China's cement industry and ensure the sustainable development of the Group's business in the long term. As a result of the Tianrui Group Guarantee, the Group will not only be able to enhance its ability to obtain bank loans and other

borrowings, but it will also have the flexibility to approve and finalize relevant loans and borrowings in a timely manner, which is important to the Group's implementation of its business expansion and performance improvement.

(d) With respect to the Company Guarantee:

(i) the Company will have recourse against Tianrui Group Company for the Company's potential losses. In the event that the relevant loan is to be borrowed by a subsidiary of Tianrui Group Company, Tianrui Group Company shall provide the primary guarantee, whereas the Company is being provided for additional credit support. Furthermore, Tianrui Group Company, by entering into the 2017 Framework Agreement, has agreed to indemnify the Company for any amount payable in such situation, including the principal amount of the relevant loan, any interest, fees, damages and enforcement expenses for breach of the loan;

(ii) Chairman Li also agreed to indemnify the Company for any amount that the Company would have paid to the lenders of Tianrui Group Company in accordance with the terms and conditions of each individual guarantee under the 2017 Framework Agreement;

(iii) the Company will not provide a guarantee to any of Tianrui Group Company's subsidiaries operating in aluminum-related business. Since the relevant period of the 2015 Framework Agreement and as at the date of this announcement, there has been a rebound in aluminum market, but the balance between demand and supply in aluminum market is still unstable. The issue of excess market supply and overcapacity in the aluminum industry is also very acute in China and the financial and credit statuses of aluminum enterprises are still affected by the unfavorable industry and market. As such, the Company's exposure to the credit risk of Tianrui Group Company under the Company Guarantee will be minimized by carving out Tianrui Group Company's subsidiaries operating in aluminum-related business; and

(iv) as at the date of this announcement, Tianrui Group Company confirms that it does not have any repayment default in respect of any loan arrangements with banks. The financial position of Tianrui Group Company is reasonably healthy, certain particulars of which are set out in the section headed "Financial Information of Tianrui Group Company" in this announcement.

(e) In order to secure sufficient funds for the operations of the Group, the Board also considered the following measures as alternatives to the Guarantees and the principal reasons for not adopting these measures are set out as follows:

(i) *Guarantees provided by an independent third party*

To compensate for the risk exposure of an independent third party guarantor, the Company would need to pay a commission calculated based on the annual amount of the guarantee. Since the annual amount of the guarantee as suggested by the proposed Annual Caps for the Company Guarantee is high, the commission chargeable by such guarantor would be costly for the Group;

(ii) Individual guarantee relating to each individual loan agreement

As described in paragraph (c) above, the Group's business is capital-intensive. Arranging individual guarantees relating to each individual loan agreement could limit the flexibility for the Group to approve and execute its relevant loans and borrowings on a timely basis.

(f) In contrast to the 2013 Framework Agreement and the 2015 Framework Agreement, the Company has, together with Tianrui Cement as a party to the agreement, formulated the agreement and entered into the 2017 Framework Agreement with Tianrui Group Company. The principal reasons for this are set out as follows:

- (i) it has become increasingly common for banks in China to arrange cross-border finance such as offshore or onshore financing against domestic or overseas guarantee, which require companies outside of China to become parties in the arrangement. Some banks have proposed this kind of arrangement and requirement to the Company, Tianrui Cement, Tianrui Group Company or its subsidiaries (excluding any of its subsidiaries engaged in aluminum-related business), in order to lower finance cost, enlarge financing scale, manage foreign exchange risk or match cross-border funding needs.
- (ii) some banks are willing to offer a better finance service package for the groups, including majority shareholders and listed companies, which would require a guarantee from the listed company, since a public company listed on a stock exchange has better transparency and credit premium compared to a private company.

In consideration for the benefits received by the Group under the Tianrui Group Guarantee set out above, the Company has, therefore, agreed to provide the Company Guarantee.

RISK MANAGEMENT MEASURES UNDER THE 2017 FRAMEWORK AGREEMENT

In order to minimize the risk exposure of the Company in relation to the Company Guarantee, the Board shall continue to establish a special committee comprising not less than three Directors and the majority of the committee members shall be independent non-executive Directors. The special committee shall, during the Term:

- (a) review and approve each Company Guarantee. The special committee has the right to fully understand the business operations and financial position of the borrower before approving each Company Guarantee. It would not constitute a breach of the 2017 Framework Agreement if, after a review of the financial position of the borrower, the special committee considers it inappropriate to approve such guarantee. To facilitate such review process, Tianrui Group Company and its subsidiaries shall promptly provide their financial statements and other relevant information as requested by the special committee. The special committee will take into account the following factors when approving such guarantee:
 - (i) no guarantee should be granted to a borrower with negative consolidated equity attributable to owners;
 - (ii) no guarantee should be granted to a borrower operating in aluminum-related business; and

- (iii) no guarantee should be granted to a borrower where an event occurs that may constitute an event of default under any of its existing loan agreements;
- (b) monitor the implementation of each individual guarantee provided by the Company under the 2017 Framework Agreement;
- (c) consider the suitability of the guaranteed company;
- (d) periodically review the management accounts and relevant financial information, and inspect the assets, books and records of Tianrui Group Company;
- (e) periodically review and examine any material adverse changes on the business, property, assets or operations of Tianrui Group Company, or its ability to perform any of its obligations under the 2017 Framework Agreement; and
- (f) periodically review and examine any material adverse change in foreign exchange risk and the policy risk under the 2017 Framework Agreement.

Beside the new measures related to foreign exchange risk and policy risk, other risk management measures for the 2017 Framework Agreement remain the same as that for the 2013 Framework Agreement and the 2015 Framework Agreement.

The Directors (excluding the independent non-executive Directors whose views will be contained in the circular after considering the advice from the Independent Financial Adviser) are of the view that the terms of the 2017 Framework Agreement are fair and reasonable, have been entered into after arm's length negotiation between all parties thereto and determined on normal commercial terms or better in the ordinary and usual course of business and are in the interests of the Company and its Shareholders as a whole.

BOARD'S APPROVAL

Save for Chairman Li and Mr. Li Jiangming (李江銘), who is the brother of Mrs. Li, all of the Directors have confirmed that none of them has any material interest in the 2017 Framework Agreement; and therefore no Director (except Chairman Li and Mr. Li Jiangming) are required to abstain from voting at the meeting of the Board to approve the 2017 Framework Agreement.
