### **ANNOUNCEMENT IN RESPECT OF**

- (1) THE POSSIBLE ABN ISSUE; AND**
- (2) CONNECTED TRANSACTION IN ENTERING THE  
UNDERWRITING AGREEMENT**

#### **THE POSSIBLE ABN ISSUE**

The Board is pleased to announce that, on 28 January 2021, EB Greentech Management Shenzhen, a wholly-owned subsidiary of the Company, received the Notice of Registration Acceptance issued by NAFMII in respect of the Possible ABN Issue. Pursuant to the Notice of Registration Acceptance, the maximum registered principal amount of the Possible ABN Issue shall be RMB2 billion (equivalent to approximately HK\$2.4 billion). Such maximum registered principal amount shall be valid for two years from the date of the Notice of Registration Acceptance, being 27 January 2021.

The Company will make further disclosure on the progress of the Possible ABN Issue as and when appropriate.

**The Company would like to emphasise that, even though EB Greentech Management Shenzhen has received the Notice of Registration Acceptance for the Possible ABN Issue, Shareholders and potential investors are reminded that the Possible ABN Issue may or may not proceed. Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.**

## **THE UNDERWRITING AGREEMENT**

On the same date that EB Greentech Management Shenzhen received the Notice of Registration Acceptance, EB Greentech Management Shenzhen entered into the Underwriting Agreement with Everbright Securities, SPDB and JIC Trust, pursuant to which EB Greentech Management Shenzhen engaged Everbright Securities as the lead underwriter and bookrunner, and SPDB as the joint lead underwriter, in respect of the Possible ABN Issue.

## **LISTING RULES IMPLICATIONS**

As at the date of this announcement, Everbright Securities is a 30%-controlled company of CE Group, the indirect controlling shareholder of the Company. Accordingly, Everbright Securities is an associate of CE Group and is regarded as a connected person of the Company under the Listing Rules. Therefore, the provision of underwriting services by Everbright Securities to EB Greentech Management Shenzhen contemplated under the Underwriting Agreement constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules.

During the 12-month period preceding the date of the Underwriting Agreement, the Company has entered into the Previous Underwriting Agreement with Everbright Securities (as one of the underwriters) for the Previous Medium-Term Notes Issuance. As all the applicable percentage ratios of the Previous Underwriting Agreement were less than 0.1%, the Previous Underwriting Agreement constituted a de minimis transaction pursuant to Rule 14A.76 of the Listing Rules and was fully exempt from the reporting, announcement, circular and independent Shareholders' approval requirements under Chapter 14A of the Listing Rules. However, since both of the Previous Underwriting Agreement and the Underwriting Agreement were entered into by the Group in relation to notes underwritten by Everbright Securities, the provision of underwriting services by Everbright Securities under the Previous Underwriting Agreement and the Underwriting Agreement shall be aggregated as a series of transactions under Rules 14A.81 and 14A.82 of the Listing Rules.

As one or more of the applicable percentage ratios calculated in accordance with the Listing Rules in respect of the Previous Underwriting Agreement and the Underwriting Agreement (on an aggregated basis) is more than 0.1% but all of them are less than 5%, the entering into of the Underwriting Agreement is subject to the reporting and announcement requirements, but exempted from the circular and independent Shareholders' approval requirement under Chapter 14A of the Listing Rules.

This announcement is made by the Board pursuant to Rule 13.09 and Chapter 14A of the Listing Rules and Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).
