DISCLOSEABLE TRANSACTION IN RELATION TO THE PROVISION OF GUARANTEE

THE GUARANTEE

On 2 August 2019, the Company and Pacific Construction entered into the Guarantee Service Agreement pursuant to which the Company agrees to provide the Guarantee to Pacific Construction regarding the Construction Project. The total Guarantee Amount is RMB318,111,892.83 (equivalent to approximately HK\$367,334,749.23). Pacific Construction shall pay service fees of a total RMB3,181,118.93 (equivalent to approximately HK\$3,673,347.49) to the Company. The term of the Guarantee is six months since the execution of the Letter of Guarantee.

REASONS FOR AND BENEFITS OF THE PROVISION OF GUARANTEE

Pacific Construction has obtained class-one qualifications on municipal utility construction-contracting field and other qualifications. Pacific Construction was consecutively elected as the world's top 500 companies, and was ranked 96th among the world's top 500 companies in 2018. By providing guarantee services to Pacific Construction, the Group will build up long-term business relationship with Pacific Construction which will be beneficial to the strengthening of our operating business as well as to our brand building. Therefore, the Directors expect that such cooperation with Pacific Construction will bring to the Group more business opportunities to work with large and well-known companies.

Taking into account the above, the Directors, including the independent non-executive Directors, are of the view that the Guarantee Service Agreement was entered into in the ordinary and usual course of business of the Company and consider that the terms of the Guarantee Service Agreement are on normal commercial terms and are fair and reasonable and in the interests of the Company and its Shareholders as a whole.

LISTING RULES IMPLICATIONS

There have been a series of provisions of guarantee to Pacific Construction by the Company within the past 12 months and thus pursuant to Rule 14.22 of the Listing Rules, these series of transactions should aggregate with the provision of the Guarantee for the purpose of calculating the percentage ratios (as defined in Rule 14.07 of the Listing Rules).

As the highest applicable percentage ratio of the provision of the Guarantee contemplated under the Guarantee Service Agreement together with the previous provisions of guarantee on an aggregate basis exceeds 5% but is less than 25%, the provision of the Guarantee contemplated under the Guarantee Service Agreement constitutes a discloseable transaction of the Company and therefore, is subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.
