To the Shareholders,

Dear Sir or Madam,

FINAL SCRIP DIVIDEND WITH CASH OPTION FOR THE YEAR ENDED 31 DECEMBER 2015

Introduction

On 19 February 2016, the board of directors (the “*Board*”) of KWG Property Holding Limited (the “*Company*”) had resolved to recommend that a final dividend for the year ended 31 December 2015 (the “*Final Dividend*”) of RMB29 cents (equivalent to HK\$0.342468) per issued share of the Company (the

“Share”) be paid on or before 27 July 2016 to the shareholders of the Company (the “Shareholders”) whose names appear on the register of members of the Company at the close of the business on 16 June 2016. It was also resolved by the Board that the Final Dividend shall be satisfied by way of scrip dividend (with a cash option). An ordinary resolution to approve the Final Dividend was passed by the Shareholders at the annual general meeting of the Company held on 3 June 2016.

Particulars of the Final Dividend

Shareholders have the following choices in respect of the satisfaction of the Final Dividend:

- (i) an allotment and issue of new Shares (“New Shares”) credited as fully paid and having an aggregate Market Value (as defined below) equal to the total amount of the Final Dividend which Shareholders could elect to otherwise receive in cash in the amount of HK\$0.342468 per Share, subject to any fractional entitlement being disregarded as mentioned below; or
- (ii) payment of Final Dividend of HK\$0.342468 per Share held on 16 June 2016 in cash; or
- (iii) partly by allotment and issue of New Shares and partly by payment of cash.

For the purpose of calculating the number of New Shares to be allotted and issued, the market value (the “Market Value”) of a New Share means the average of the closing prices of one Share as quoted on The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) for the trading days from 28 June 2016 to 5 July 2016 (both dates inclusive), rounding down such figure to four decimal places. It will not be possible to determine until the close of business on 5 July 2016 the exact number of New Shares to which a Shareholder, electing to receive New Shares, will be entitled. The Company will make an announcement, including information about the Market Value for the purpose of calculating the number of New Shares to be allotted by way of scrip dividend. The announcement will be made available on the websites of the Company and Hong Kong Exchanges and Clearing Limited on 5 July 2016. **The last day on which Shareholders will be entitled to elect how they wish to receive their entitlement to the Final Dividend is 13 July 2016.**

Accordingly, the number of New Shares which Shareholders will receive, in respect of the existing Shares registered in their names as at 16 June 2016 and for which elections to receive the Final Dividend in cash are not lodged with the Company’s branch share registrar in Hong Kong on or before 13 July 2016, will be calculated as follows:

$$\text{Number of New Shares to be received} = \frac{\text{Number of existing shares held on 16 June 2016 for which cash election is not made}}{\text{Market Value}} \times \text{HK\$0.342468}$$

The New Shares to be issued pursuant to the scrip dividend arrangements will rank pari passu in all respects with the existing issued Shares, except for the Final Dividend and will rank in full for all future dividends and distributions which may be declared, made or paid. The number of New Shares to be issued to each Shareholder will be rounded down to the nearest whole number. Fractional entitlements to Shares will be disregarded and the benefit thereof will be accrued to the Company.

Advantage of the Scrip Dividend

The election by Shareholders to receive the Final Dividend in whole or in part in the form of New Shares will enable Shareholders to increase their holdings of Shares without incurring brokerage fees, dealing costs or stamp duty. The Company will also benefit because, to the extent that Shareholders elect to receive New Shares, in whole or in part, such cash as would otherwise have been paid to Shareholders will be retained for use as working capital by the Company.

Effect of the Scrip Dividend

If elections to receive the Final Dividend in cash were received in respect of all the existing Shares registered as at 16 June 2016, the total cash dividend payable by the Company would be approximately HK\$1,026,199,378 based on 2,996,482,528 Shares in issue as at 16 June 2016.

Shareholders should note that the issue of the New Shares may give rise to notification requirements under the Securities and Futures Ordinance for those Shareholders who may have notifiable interests in the Company. Shareholders who are in any doubt as to how these provisions may affect them are recommended to seek their own professional advice. Shareholders who are in any doubt as to their taxation position are also recommended to seek their own professional advice.
