BACKGROUND

Reference is made to the announcement of the Company dated 31 December 2023 in relation to, among other things, the continuing connected transaction contemplated under the 2024 Golden Ocean Copper Framework Purchase Agreement.

REVISION OF THE ANNUAL CAPS UNDER THE 2024 GOLDEN OCEAN COPPER FRAMEWORK PURCHASE AGREEMENT

In light of the surge in the Group's demand for the Materials to support the rapid growth of its business, on 11 July 2024, the Company and Golden Ocean Copper entered into the Supplemental Agreement to, among other things, revise the existing annual caps for the 2024 Golden Ocean Copper Framework Purchase Agreement to the Revised Annual Caps.

Based on the information currently available to the Board, the Board foresees that the existing annual caps for the three years ending 31 December 2024, 2025 and 2026 under the 2024 Golden Ocean Copper Framework Purchase Agreement may not be sufficient to meet the needs of the Group's business growth in the future. Therefore, the Board proposes to revise and increase the existing annual caps for the three years ending 31 December 2024, 2025 and 2026 of HK\$50,000,000, HK\$50,000,000 and HK\$50,000,000, respectively, to the Revised Annual Caps of HK\$120,000,000, HK\$130,000,000 and HK\$140,000,000, respectively.

LISTING RULE IMPLICATIONS

The entire issued share capital of Golden Ocean Copper is held by Year Industries. As the entire issued share capital of Year Industries is held by Mrs. Hung who is (i) the spouse of Chairman Hung, an executive Director and a Controlling Shareholder; and (ii) the mother of Ms. Hung, an executive Director, Golden Ocean Copper is an associate of Chairman Hung and Ms. Hung and a connected person of the Company and the transactions pursuant to the 2024 Golden Ocean Copper Framework Purchase Agreement constituted continuing connected transactions for the Company.

Given that one or more of the applicable percentage ratio(s) (as defined under Rule 14.07 of the Listing Rules) calculated with reference to the Revised Annual Caps exceeds 5%, the transactions contemplated under the 2024 Golden Ocean Copper Framework Purchase Agreement (as amended by the Supplemental Agreement) and the Revised Annual Caps constitute non-exempt continuing connected transaction of the Company and are subject to the reporting, annual review, announcement and Independent Shareholders' approval requirements under Chapter 14A of the Listing Rules.

GENERAL INFORMATION

The EGM will be convened and held for the Independent Shareholders to consider and, if thought fit, approve, among other matters, the Supplemental Agreement and the Revised Annual Caps.

BACKGROUND

Reference is made to the announcement of the Company dated 31 December 2023 in relation to the continuing connected transaction contemplated under the 2024 Golden Ocean Copper Framework Purchase Agreement.

REVISION OF THE ANNUAL CAPS UNDER THE 2024 GOLDEN OCEAN COPPER FRAMEWORK PURCHASE AGREEMENT

On 31 December 2023, the Company and Golden Ocean Copper entered into the 2024 Golden Ocean Copper Framework Purchase Agreement.

In light of the surge in the Group's demand for the Materials to support the rapid growth of its business, on 11 July 2024, the Company and Golden Ocean Copper entered into the Supplemental Agreement to, among other things, revise the annual caps for the 2024 Golden Ocean Copper Framework Purchase Agreement to the Revised Annual Caps.

Based on the information currently available to the Board, the Board foresees that the existing annual caps for the three years ending 31 December 2024, 2025 and 2026 under the 2024 Golden Ocean Copper Framework Purchase Agreement may not be sufficient to meet the needs of the Group's business growth in the future. Therefore, the Board proposes to revise and increase the existing annual caps for the three years ending 31 December 2024, 2025 and 2026 of HK\$50,000,000, HK\$50,000,000 and HK\$50,000,000, respectively, to the Revised Annual Caps of HK\$120,000,000, HK\$130,000,000 and HK\$140,000,000, respectively.

As at the date of this announcement, the existing annual cap for the year ending 31 December 2024 of HK\$50,000,000 under the 2024 Golden Ocean Copper Framework Purchase Agreement has not been exceeded.

Save for the Revised Annual Caps, all other terms of the 2024 Golden Ocean Copper Framework Purchase Agreement will remain unchanged and in full force and effect.

Basis of the Revised Annual Caps

The Revised Annual Caps had been determined principally based on:

- (i) the historical transaction amount paid to Golden Ocean Copper under the 2024 Golden Ocean Copper Framework Purchase Agreement for the year ended 31 December 2023 in the amount of approximately HK\$80,551,000 as compared to the Group's revenue recorded for the year ended 31 December 2023 in the amount of approximately HK\$4.82 billion;
- (ii) the projected budget of costs for the three years ending 31 December 2024, 2025 and 2026 due to the surge in the demand of the Materials in light of the anticipated growth in the businesses of the Group, which is mainly attributable to (a) the growth in orders in the business segments of power supply units for consumer products and smart chargers and controllers for industrial power supply; (b) the expansion of product portfolio of energy storage products and intelligent charging products to cover more niche areas including outdoor power equipment, new energy low-speed electric vehicles and other segments, and (c) the Group's continued investment and

development in the new energy industry which has also driven the demand for core charging modules of charging piles, various energy storage products and automotive electronics, with an aim to generate stable and positive performance for the Group;

- (iii) the Group's additional demand for the Materials due to the anticipated launch of its new industrial power supply products in the fourth quarter of 2024, which is expected to benefit the demand of industrial power supply products for the three years ending 31 December 2024, 2025 and 2026; and
- (iv) the rise of the cost of Materials due to the continuous increase in the unit price of copper materials since January 2024, which has increased by approximately 19% up to May 2024, and the use of copper materials or components in all the Group's products.

Basis of transactions under the 2024 Golden Ocean Copper Framework Purchase Agreement

The price for the Materials to be supplied by Golden Ocean Copper under the 2024 Golden Ocean Copper Framework Purchase Agreement will be determined with reference to the price at which comparable types of the Materials are sold by independent suppliers to the Group under normal commercial terms in the ordinary course of business and such price shall be no less favourable to the Group than is available from independent suppliers. In considering whether to purchase from Golden Ocean Copper, the Group will seek quotations from at least two Independent Third Parties offering the same or comparable products. The Group will purchase the Materials from Golden Ocean Copper if the price and quality of the products are comparable to or more favourable to the Group than those offered by Independent Third Parties for the same or comparable products.

Condition

The Supplemental Agreement shall take effect from the date of approval of the Supplemental Agreement and the Revised Annual Caps by the Independent Shareholders at the EGM.

REASONS FOR AND BENEFITS OF THE REVISED ANNUAL CAPS

The reasons for and benefits of entering into the 2024 Golden Ocean Copper Framework Purchase Agreement have been set out in the announcement of the Company dated 31 December 2023.

Taking account of the anticipated growth in the Group's business going forward, the demand for the purchase of the Materials will surge alongside with the Group's business growth. As the anticipated total transaction amount between the Company and Golden Ocean Copper under the 2024 Golden Ocean Copper Framework Purchase Agreement is expected to increase, the Directors expect that the maximum transaction amount of the

2024 Golden Ocean Copper Framework Purchase Agreement will exceed the existing annual caps for the three years ending 31 December 2024, 2025 and 2026 and therefore propose to further revise the annual caps for the continuing connected transaction contemplated thereunder.

DIRECTORS' CONFIRMATION

The Directors (other than the independent non-executive Directors who will express their opinion in a separate letter to be included in the circular to the Shareholders based on the recommendations from the Independent Financial Adviser) are of the view that the terms of the 2024 Golden Ocean Copper Framework Purchase Agreement (as amended by the Supplemental Agreement) and the Revised Annual Caps are fair and reasonable, the transactions contemplated thereunder are and will be entered into in the ordinary and usual course of business of the Group, on normal commercial terms and in the interests of the Company and the Shareholders as a whole.

Since (i) Chairman Hung, an executive Director and a Controlling Shareholder, and (ii) Ms. Hung, an executive Director have material interests in the 2024 Golden Ocean Copper Framework Purchase Agreement, they have abstained from voting on the resolutions of the Board to approve the Supplemental Agreement and the Revised Annual Caps. Save for Chairman Hung and Ms. Hung, none of the other Directors has any material interest in the transaction contemplated under the Supplemental Agreement and none of the other Directors had abstained from voting on the resolutions approving the Supplemental Agreement and the Revised Annual Caps at the Board meeting.
