Placing Agents

On 30 October 2017 after trading hours, the Company entered into the Placing Agreement with the Placing Agents in relation to the Placing. Pursuant to the Placing Agreement, the Company has agreed to place, through the Placing Agents, up to 100,000,000 Placing Shares to places at the Placing Price.

The Placing Shares represent (i) approximately 14.81% of the existing issued share capital of the Company, and (ii) approximately 12.90% of the issued share capital of the Company as enlarged by the issue of the Placing Shares.

The Placing is conditional upon, among others, the Stock Exchange granting the listing of, and permission to deal in, the Placing Shares.

Shareholders and potential investors should note that the Placing is subject to the fulfillment of the conditions under the Placing Agreement as set out in the section headed "Condition of the Placing". As the Placing may or may not proceed to Completion, Shareholders and potential investors are reminded to exercise caution when dealing in the Shares.

The Placing Agreement

Date : 30 October 2017

Parties

Issuer : the Company

Placing Agents : Guoyuan Capital (Hong Kong) Limited; and
Yuzhou Financial Holdings Limited

To the best of the Director's knowledge, information and belief having made all reasonable enquiry, the Placing Agents and their respective ultimate beneficial owners are third parties independent of the Company and its connected persons.

The Placing Agents will charge the Company a placing commission equal to 1.3% of the aggregate of the Placing Price of the Placing Shares actually placed by the relevant Placing Agents. The Placing commission was negotiated on arm's length basis between the Company and the Placing Agents and determined with reference to, amongst other things, the prevailing commission rate charged by other placing agents.

Placing Shares

The Placing Agents have conditionally agreed with the Company to place, on a best effort basis, up to 100,000,000 Placing Shares. Each of the Placing Agents shall use its reasonable endeavours to ensure that it will not offer or place any of the Placing Shares to or with any person, firm or company which is connected with or acting in concert with the Company or its connected persons. It is expected that none of the Placing Agents or any Placees will become a substantial shareholder (as defined in the Listing Rules) of the Company as a result of the Placing.

Assuming that there will be no change in the issued share capital of the Company between the date of this announcement and the completion of the Placing, the maximum number of 100,000,000 Placing Shares represent (i) approximately 14.81% of the existing issued share capital of the Company, and (ii) approximately 12.90% of the issued share capital of the Company as enlarged by the issue of the Placing Shares.

Based on the closing price of the Shares of HK\$1.46 per Share on 30 October 2017, being the date of the Placing Agreement, the Placing Shares have a market value of HK\$146.0 million. The Placing Shares have an aggregate nominal value of HK\$10 million.

The Placing Shares will rank, upon issue, pari passu in all respect with the Shares in issue on the date of allotment and issue of the Placing Shares.

Placing Price

The Placing Price is HK\$1.53 per Placing Share and represents:

- (a) a premium of approximately 4.79% to the closing price of HK\$1.46 per Share as quoted on the Stock Exchange as at the date of the Placing Agreement;
- (b) a premium of approximately 2.82% to the average closing price of HK\$1.488 per Share as quoted on the Stock Exchange for the last five trading days up to and including 27 October 2017, the last trading day immediately preceding the date of the Placing Agreement; and
- (c) a premium of approximately 2.68% to the average closing price of HK\$1.49 per Share as quoted on the Stock Exchange for the last ten trading days up to and including 27 October 2017, the last trading day immediately preceding the date of the Placing Agreement.

The terms of the Placing Agreement and the Placing Price was determined by the Company and the Placing Agents after arm's length negotiations and under normal commercial terms with reference to the prevailing trading price of the Shares. The Directors consider that the Placing Price is fair and reasonable under the current market conditions. Hence, the Directors are of the view that the Placing is in the interests of the Company and the Shareholders as a whole.

Condition of the Placing

Completion of the Placing is conditional upon the Listing Committee of the Stock Exchange having granted the listing of, and permission to deal in, the Placing Shares.

In the event that the condition to the Placing is not fulfilled on or before the date falling 21 days after the date of the Placing Agreement (i.e. 20 November 2017) (or such other time and date as the Placing Agents and the Company shall agree in writing), the Placing Agreement and all rights and obligations thereunder will cease and terminate and neither of the parties thereto will have any claim against the other for costs, damages, compensation or otherwise except for antecedent breach of provisions of the Placing Agreement.

An application will be made to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Placing Shares.

Termination of the Placing

The Placing Agents may terminate the Placing Agreement by giving notice in writing to the Company, if at any time prior to the Completion Date, in the opinion of the Placing Agents, the success of the Placing or the business or financial prospects of the Group would or is likely to be materially and adversely affected by:

- (a) any material breach of any of the representations and warranties set out in the Placing Agreement; or
- (b) any suspension in dealings in or the listing of the Shares on the Stock Exchange for a period of more than ten (10) consecutive trading days (other than in connection with the Placing); or
- (c) the introduction of any new law or regulation or any change in existing laws or regulations or change in the interpretation or application thereof; or
- (d) the occurrence of any event, development or change (whether or not local, national or international or forming part of a series of events or changes occurring or continuing before, on and/or after the date hereof and including an event or change in relation to or a development of an existing state of affairs) of a political, military, industrial, financial, economic or other nature, whether or not sui generis with any of the foregoing, resulting in a material adverse change in, or which might be expected to result in a material adverse change in, political, economic or stock market conditions; or
- (e) the imposition of any moratorium, suspension or material restriction on trading in securities generally on the Stock Exchange occurring due to exceptional financial circumstances or otherwise; or
- (f) any material change or development involving a prospective change in taxation in Hong Kong, the Cayman Islands or the People's Republic of China or the implementation of exchange controls which shall or might materially and adversely affect the Group or its present or prospective shareholders in their capacity as such; or
- (g) any material change or deterioration in the conditions of local, national or international securities markets.

The Directors are not aware of the occurrence of any of such events as at the date of this announcement.

The Board expects that completion of the Placing will take place after 3 November 2017 and therefore the Placees will not be entitled to the above interim dividends.
