That having said, the manufacturing facilities in the operation centers in the Chinese Mainland are maintained under safe and orderly operations, recording a modest increase in revenue in the second quarter as compared to the first quarter in 2023.

As disclosed in the Company's announcement dated 28 April 2023, a special resolution was duly passed by the shareholder of EFCGL (a wholly-owned subsidiary of the Company) to wind up EFCGL (an indirect wholly-owned subsidiary of the Company) by way of creditors' voluntary liquidation. Further announcement(s) will be made by the Company as and when appropriate if there is any material progress regarding the winding-up of EFCGL.

The Company will continue to identify a suitable candidate to fill the vacancy of the Company Secretary with the view to re-complying with Rule 3.28 of the Listing Rules and will publish further announcement when the new appointment is confirmed.

Resumption Guidance (6): **Informing the market of all material information on the Company's position**
