The Directors took into consideration a range of relevant factors (such as location, size, transportation, and amenity facilities of the premises) to determine whether the premises were suitable for the Group and its business. On this basis, the Directors (including the independent non-executive Directors) are of the view that fees and other charges payable, the value of the right-of-use assets (to the extent applicable) and the relevant annual caps (to the extent applicable) under the 2024 OōEli Lease Agreement, 2024 Blue Sea & Zichuang Lease Agreement, 2024 Xiaoshan Lease Agreement, 2024 Concession Agreement (JNBY Membership Store), 2024 Concession Agreement (jnby by JNBY), 2024 Concession Agreement (POMME DE TERRE), 2024 OōEli Multi-purpose Space Framework Agreement and 2024 Xiaoshan Dormitory Lease Agreement were determined on the basis of the prevailing market price of the comparable properties in the place where the leased properties are located.

In addition, the Directors (including the independent non-executive Directors) are also of the view that the 2024 OōEli Lease Agreement, 2024 Blue Sea & Zichuang Lease Agreement, 2024 Xiaoshan Lease Agreement, 2024 Concession Agreement (JNBY Membership Store), 2024 Concession Agreement (jnby by JNBY), 2024 Concession Agreement (POMME DE TERRE), 2024 OōEli Multi-purpose Space Framework Agreement and 2024 Xiaoshan Dormitory Lease Agreement are entered into in the

ordinary and usual course of our business, and that such agreements are on normal commercial terms, fair and reasonable, and in the interests of the Company and its Shareholders as a whole.

## LISTING RULES IMPLICATIONS

As each of Huizhan Technology and Huikang Industrial is indirectly controlled by the Founders and thus is a connected person of the Company, transactions contemplated with such parties may constitute connected transactions or continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

### Connected Transactions

Pursuant to HKFRS 16, the leases contemplated under the 2024 OōEli Lease Agreement, 2024 Blue Sea & Zichuang Lease Agreement and 2024 Xiaoshan Lease Agreement will be recognized as right-of-use assets for the Group from the commencement of their respective terms. The recognition of a right-of-use asset in relation to such agreements (with fixed lease payments) will be regarded as an acquisition of asset under the definition of transaction set out in Rule 14.04(1)(a) of the Listing Rules and therefore constitute one-off connected transactions of the Company under Chapter 14A of the Listing Rules.

In addition, given the transactions contemplated under the 2024 OōEli Lease Agreement, 2024 Blue Sea & Zichuang Lease Agreement and 2024 Xiaoshan Lease Agreement are of similar nature and were all entered into at the same time, the Company considers that such transactions may be aggregated and be treated as if they were one transaction pursuant to Rules 14A.81 and 14A.83 of the Listing Rules.

The aggregate value of the right-of-use assets under the 2024 OōEli Lease Agreement, 2024 Blue Sea & Zichuang Lease Agreement and 2024 Xiaoshan Lease Agreement recognized by the Group is as follow (Shareholders and potential investors of the Company shall note that the figures below are unaudited and may be subject to adjustment in the future):

	<b>Value of right-of-use assets recognized (RMB)</b>
2024 OōEli Lease Agreement	117,423,238
2024 Blue Sea & Zichuang Lease Agreement	1,859,766
2024 Xiaoshan Lease Agreement	<u>23,474,289</u>
<b>Total</b>	<b><u><u>142,757,293</u></u></b>

On an aggregated basis, as one or more of the applicable percentage ratios in respect of the value of right-of-use assets of the 2024 OōEli Lease Agreement, 2024 Blue Sea & Zichuang Lease Agreement and 2024 Xiaoshan Lease Agreement exceeds 0.1% but all the applicable percentage ratios are less than 5%, while such connected transactions do not constitute discloseable transactions of the Company under Chapter 14 of the Listing Rules, they are nevertheless subject to the reporting, annual review and announcement requirements set out in the Listing Rules, but are exempt from the independent shareholders' approval requirement under the Listing Rules.

### **Continuing Connected Transactions**

Given the transactions contemplated under the 2024 Concession Agreement (JNBY Membership Store), 2024 Concession Agreement (jnby by JNBY), 2024 Concession Agreement (POMME DE TERRE), 2024 OōEli Multi-purpose Space Framework Agreement and 2024 Xiaoshan Dormitory Lease Agreement involve variable payments based on different factors (such as the sales generated from the premises), such fees and charges payable under the 2024 Concession Agreement (JNBY Membership Store), 2024 Concession Agreement (jnby by JNBY), 2024 Concession Agreement (POMME DE TERRE), 2024 OōEli Multi-purpose Space Framework Agreement and 2024 Xiaoshan Dormitory Lease Agreement will be recognized as expenses in the Company's profit or loss accounts during their respective terms. On this basis, the transactions under the 2024 Concession Agreement (JNBY Membership Store), 2024 Concession Agreement (jnby by JNBY), 2024 Concession Agreement (POMME DE TERRE), 2024 OōEli Multi-purpose Space Framework Agreement and 2024 Xiaoshan Dormitory Lease Agreement constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

In addition, given the transactions contemplated under the 2024 Concession Agreement (JNBY Membership Store), 2024 Concession Agreement (jnby by JNBY), 2024 Concession Agreement (POMME DE TERRE), 2024 OōEli Multi-purpose Space Framework Agreement and 2024 Xiaoshan Dormitory Lease Agreement are of similar nature and were all entered into at the same time, the Company considers that such transactions may be aggregated and be treated as if they were one transaction pursuant to Rules 14A.81 and 14A.83 of the Listing Rules.

On an aggregated basis, the aggregated annual caps under the 2024 Concession Agreement (JNBY Membership Store), 2024 Concession Agreement (jnby by JNBY), 2024 Concession Agreement (POMME DE TERRE), 2024 OōEli Multi-purpose Space Framework Agreement and 2024 Xiaoshan Dormitory Lease Agreement for the years ending June 30, 2025 and 2026 are RMB18.6 million and RMB20.4 million, respectively.

As one or more of the applicable percentage ratios in respect of the annual caps for the amount of fees payable by the Group under the 2024 Concession Agreement (JNBY Membership Store), 2024 Concession Agreement (jnby by JNBY), 2024 Concession Agreement (POMME DE TERRE), 2024 OōEli Multi-purpose Space Framework Agreement and 2024 Xiaoshan Dormitory Lease Agreement for the year ending June

30, 2026 exceeds 0.1% but all the applicable percentage ratios are less than 5%, such continuing connected transactions are subject to the reporting, annual review and announcement requirements set out in the Listing Rules, but are exempt from the independent shareholders' approval requirement under the Listing Rules.
