This is an explanatory statement given to all the Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Repurchase Mandate. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules which are set out as follows:

### **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 4,056,314,622 Shares.

Subject to the passing of the ordinary resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 405,631,462 Shares, being 10% of the issued share capital of the Company as at the date of the passing of the relevant resolution.

### **2 REASONS FOR SHARES REPURCHASES**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and its Shareholders as such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors would only make such purchases in circumstances where they consider them to be in the best interests of the Company and the Shareholders.

### **3. FUNDING OF REPURCHASES**

Repurchases must be funded out of funds legally available for such purpose in accordance with the Articles and the applicable laws of the Cayman Islands. The Company may make repurchases out of profits of the Company or the proceeds of a fresh issue of shares made for the purposes or, if authorized subject to the provisions of the laws of the Cayman Islands, out of capital. Any premium payable on a repurchase over the par value of the shares to be purchased must be provided out of profits of the Company or out of the Company's share premium account, or if so authorized by the Articles and subject to the provisions of the laws of the Cayman Islands, out of capital.

On the basis of the consolidated financial position of the Company as at 31 December 2015 (being the date to which the latest published audited financial statements of the Company have been made up) and in particular the working capital position of the Company at that time and the number of Shares now in issue, the Directors consider that there might be a material adverse impact on the working capital position or the gearing position of the Company in the event that purchases of all the Shares subject to the Repurchase Mandate were to be carried out in full. No purchase would be made in circumstances that would have a material adverse impact on the working capital position

or the gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements).

#### 4.      SHARE PRICES

The highest and lowest prices at which the Shares traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date are as follows:

|   | Price Per Share        |                       |
|---|------------------------|-----------------------|
|   | Highest<br><i>HK\$</i> | Lowest<br><i>HK\$</i> |

#### 5.      UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the Listing Rules, the Memorandum and Articles of Association and the laws of Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates have any present intention to sell any Shares to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

No connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company or have undertaken not to do so, in the event that the Repurchase Mandate is granted by the Shareholders.

**6.      HONG KONG CODE ON TAKEOVERS AND MERGERS**

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, China Overseas Holdings Limited ("COHL") was beneficially interested in an aggregate of 2,336,091,659 Shares, representing approximately 57.59% of the issued share capital of the Company. COHL is a direct wholly owned subsidiary of China State Construction Engineering Corporation Limited. China State Construction Engineering Corporation ("CSCEC") is the ultimately beneficial owner. CSCEC is a state-owned enterprise established in People's Republic of China.

In the event that the Repurchase Mandate is exercised in full, the shareholding of COHL in the Company would be increased to approximately 63.99% of the issued share capital of the Company. Accordingly, such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code.

**7.      SHARE REPURCHASES MADE BY THE COMPANY**

The Company has not purchased any Shares (whether on the Stock Exchange or otherwise) during the six months preceding the Latest Practicable Date.
