To the Shareholders

Dear Sir or Madam,

PROPOSED ISSUE OF SHORT-TERM CORPORATE BONDS

A. INTRODUCTION

The Company announced on 15 August 2008 that the Board proposes to ask the Shareholders to consider, authorize and approve the proposed issuance of the Company's short-term corporate bonds.

The purpose of this circular is to give you details of, among other things, the proposed issuance of the Company's short-term corporate bonds in order to enable you to make an informed decision on the proposed resolutions at the EGM.

LETTER FROM THE BOARD

B. PROPOSED ISSUE OF SHORT-TERM CORPORATE BONDS

The Board now seeks shareholders' approval for (i) an issuance of short-term corporate bonds in the PRC for a principal amount of up to RMB650,000,000 for a term of 365 days; and (ii) for the Chairman of the Board or any person authorized by the Chairman of the Board be authorized to determine and finalise the terms and conditions of and any relevant matters in relation to, the proposed issuance of short-term corporate bonds based on the needs of the Company and the market conditions at the time of the issuance, including to determine and finalize the final principal amount and interest rate of such short-term corporate bonds.

The Directors believe that the proposed issuance of short-term corporate bonds will provide the Company with a further source of funding at an interest rate which is expected to be lower than the interest rate for loans generally available from commercial banks. The Directors consider that the issuance of the short-term corporate bonds will lower the Company's finance costs of borrowings and is in the interests of the Company and its shareholders as a whole. Proceeds from the proposed issuance of the short-term corporate bonds are expected to be used as working capital of the Company, and for replacement with the Company's existing bank loans. It is expected that the short-term corporate bonds will be issued to institutional investors in the PRC banking industry and will not be issued to the public investors.

The proposed issue of the short-term corporate bonds may or may not occur. Shareholders and investors should therefore exercise caution in dealing in the Company's shares.
