The Company intends to use the net proceeds of the Proposed Notes Issue for refinancing its existing indebtedness and in accordance with the Company's Green Bond Framework. The Company may adjust its plans in response to changing market conditions and, thus, reallocate the use of the net proceeds.

The Notes will be issued as "Green Bonds" under the Company's Green Bond Framework to finance and refinance new and existing projects and businesses with environmental benefits in alignment with the ICMA Green Bond Principles 2018. The Green Bond Framework is made public on the Company's website.
