---

## LETTER FROM THE BOARD

---

#### **4. EXTENSION OF ISSUE MANDATE**

Any Director who has not been subject to retirement by rotation in the three years preceding the annual general meeting shall retire by rotation at such annual general meeting. Any further Directors so to retire shall be those who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot.

Any Director appointed by the Board as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election. Any Director appointed under the Articles shall not be taken into account in determining the Directors or the number of Directors who are to retire by rotation at an annual general meeting.

---

approved at the AGM will be voted by way of a poll by the Shareholders. An announcement on the poll results will be made by the Company after the AGM, in the manner prescribed under Rule 13.39(5) of the Listing Rules, on the results of the AGM.

### 10. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### 11. RECOMMENDATION

The Directors believe that the proposed resolutions as set out in the notice of the AGM, including, among other things, the proposed resolutions in relation to the Issue Mandate, the Repurchase Mandate, the extension of the Issue Mandate, the re-election of retiring Directors and the re-appointment of the auditor of the Company are in the best interest of the Company and the Shareholders as a whole. Accordingly, the Directors recommend all the Shareholders to vote in favour of all the resolutions to be proposed at the AGM.

### 12. GENERAL INFORMATION

Your attention is also drawn to the information set out in the appendices to this circular.

Yours faithfully,  
By order of the Board  
**Golden Power Group Holdings Limited**  
**Mr. Chu King Tien**  
*Chairman and Executive Director*

This appendix serves as an explanatory statement, as required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules, to provide you with the requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution to approve the grant of the Repurchase Mandate.

### **1. SHARE CAPITAL**

As at the Latest Practicable Date, a total of 240,000,000 Shares were in issue. As at the Latest Practicable Date, the Company did not have any outstanding options, warrants and convertible securities to subscribe for the Shares.

Assuming that no further Shares are issued or repurchased during the period from the Latest Practicable Date until the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 24,000,000 Shares, representing not more than 10% of the issued share capital of the Company as at the Latest Practicable Date.

### **2. REASONS FOR REPURCHASE**

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate will provide the Company with the flexibility to make such repurchase when appropriate and beneficial to the Company. Such repurchases, depending on market conditions and funding arrangements at the time, may lead to enhancement of the net asset value of the Company and/or the earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole. The number of the Shares to be repurchased on any occasion and the price and other terms on which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

### **3. SOURCE OF FUNDS FOR REPURCHASE**

The Company is empowered by the Articles to repurchase its Shares. In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with the Listing Rules, the Memorandum, the Articles, the applicable laws of Cayman Islands and all other applicable laws, rules and regulations, as the case may be.

The Company may not repurchase its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange in effect from time to time.

Subject to the foregoing, any repurchase of the Shares by the Company may be made out of profits of the Company, out of share premium, or out of the proceeds of a fresh issue of the Shares made for the purpose of the repurchase or, subject to the Companies Law, out of capital. Any amount of premium payable on the purchase over the par value of the Shares to be repurchased must be out of profits of the Company, out of the Company's share premium account before or at the time the Shares are repurchased, or subject to the Company Law, out of capital.

As compared with the position disclosed in the audited consolidated financial statements of the Group as at 31 December 2019, the Directors consider that there could be a material adverse impact on the working capital and on the gearing level of the Company in the event that the proposed repurchases under the Repurchase Mandate were to be carried out in full during the proposed purchases period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing level which, in the opinion of the Directors, are from time to time appropriate for a Company.

#### **4. DIRECTORS' UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases pursuant to the proposed resolution for the Repurchase Mandate in accordance with the Listing Rules, the Articles and the applicable laws of the Cayman Islands.

#### **5. INTENTION TO SELL SHARES**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) has any present intention, in the event that the proposed resolution for the Repurchase Mandate is approved by the Shareholders, to sell any of their Shares to the Company pursuant to the Repurchase Mandate.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell their Shares to the Company or has undertaken not to sell any of their Shares to the Company, in the event that the Company is authorised to make repurchases of the Shares.

#### **6. CONSEQUENCES UNDER THE TAKEOVERS CODE**

If, as a result of a repurchase of the Shares by the Company pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert (within the meaning under the Takeovers Code) could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any such consequence which may arise under the Takeovers Code if the Repurchase Mandate is exercised.

As at the Latest Practicable Date, to the best of the knowledge of the Directors, Golden Villa Ltd. held 130,500,000 Shares, representing 54.38% of the issued share capital of the Company. Golden Villa Ltd. is wholly and beneficially owned by Mr. Chu King Tien. By virtue of the SFO, Mr. Chu is deemed to be interested in the same number of Shares held by Golden Villa Ltd.

---

**APPENDIX I EXPLANATORY STATEMENT OF THE REPURCHASE MANDATE**

---

The Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of the Shares which are in the hands of the public falling below 25% of the total number of the Shares in issue (or such other percentage as may be prescribed as the minimum public shareholding under the Listing Rules).

**7. SHARE PRICES**

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous 12 months up to the Latest Practicable Date were as follows:
