(1) Delay in publication of the 2022 annual results and despatch of the 2022 annual report

As disclosed in the announcement of the Company dated 29 September 2022, the Company made a hard decision to optimize employees in mid-September 2022, to concentrate on coping with the winter of the real estate industry. The decrease in staff number hindered the cooperation among parties concerned in the financial progress upon the Group's employee optimization, and many tasks were delayed by the full-scale outbreak in December 2022 of the COVID-19 epidemic for the first time in Shenzhen where major businesses of the Group were operated, which lasted for over a month before and after the epidemic.

As disclosed in the announcement of the Company dated 17 February 2023, the Company's supplier, Shenzhen Zongheng Material Co., Ltd.* (深圳市縱恒材料有限公司) ("Shenzhen Zongheng"), has filed an application for bankruptcy restructuring of the Company with the Guangdong Shenzhen Intermediate People's Court (the "Court"). The Company has approved the application for bankruptcy restructuring made by Shenzhen Zongheng, and is endeavoring to cooperate in the procedures involved in the bankruptcy restructuring (pre-restructuring).

The Company will make announcement(s) in due course to inform shareholders of the Company and potential investors of the 2022 annual results.

Under the requirements of Rule 13.49(3) of the Listing Rules, if an issuer fails to publish its preliminary results, the issuer is required to announce its results based on the financial results that are yet to be approved by the auditor. Based on the above, the Company, believes after prudence consideration, that it is inappropriate to publish the unaudited management accounts of the Group for the year ended 31 December 2022 at this stage, as they may not reflect the financial performance and condition of the Group, and the publication of the 2022 unaudited management accounts may cause confusion and mislead shareholders of the Company and potential investors.

In light of the above, the Company expects that it will be unable to despatch its 2022 annual report to shareholders on or before 30 April 2023 under Rule 13.46(2)(a) of the Listing Rules. The Company will make further announcement(s) in due course to inform shareholders of the Company of the publication of the 2022 annual report.

(2) Delay in convening the 2022 annual general meeting

As the aforesaid delayed in publication of the 2022 annual results and despatch of the 2022 annual report, it is expected the 2022 annual general meeting will be delayed. The Company will make separate announcement(s) in due course to inform shareholders of the date to convene the 2022 annual general meeting.
