**PROPOSED SHARE SUBDIVISION
AND
PROPOSED AMENDMENTS TO THE MEMORANDUM AND
ARTICLES OF ASSOCIATION**

PROPOSED SHARE SUBDIVISION

The Board proposes to put forward to the Shareholders a proposal to effect the proposed Share Subdivision whereby every one (1) existing issued and unissued Share of par value of HK\$0.05 each in the share capital of the Company will be subdivided into two (2) Subdivided Shares of par value of HK\$0.025 each. The Share Subdivision will become effective upon fulfillment of the conditions set out under the section headed "Conditions of the Share Subdivision" below. All Subdivided Shares will rank *pari passu* with each other in all respects with the Shares in issue prior to the Share Subdivision and the Share Subdivision will not be expected to result in any change in the relevant rights of the Shareholders.

Upon the Share Subdivision becoming effective, the board lot size for trading on GEM will remain unchanged with 8,000 Subdivided Shares for each board lot.

Other than the relevant expenses, including but not limited to professional fees and printing charges incurred, the implementation of the Share Subdivision will have no effect on the consolidated net asset value of the Group, nor will it alter the underlying assets, business, operations, management or financial position of the Company or the interests of the Shareholders. The Directors believe that the Share Subdivision will not have any material adverse effect on the financial position of the Group.

**PROPOSED AMENDMENTS TO THE MEMORANDUM AND ARTICLES OF
ASSOCIATION**

The Board proposes to put forward to the Shareholders a proposal to amend the memorandum and articles of association of the Company to reflect the change of the authorised share capital of the Company from HK\$100,000,000 divided into 2,000,000,000 Shares of HK\$0.05 each to HK\$100,000,000 divided into 4,000,000,000 Subdivided Shares of HK\$0.025 each upon the Share Subdivision becoming effective.

GENERAL

An ordinary resolution to approve the Share Subdivision and a special resolution to approve the amendments to the memorandum and articles of association of the Company will be proposed at the EGM. A circular containing, among other things, further details of the Share Subdivision and the proposed amendments to the memorandum and articles of association of the Company, together with the notice convening the EGM will be despatched to the Shareholders on or before 8 May 2015.

PROPOSED SHARE SUBDIVISION

The Board proposes to put forward to the Shareholders a proposal to effect the proposed Share Subdivision whereby every one (1) existing issued and unissued Share of par value of HK\$0.05 each in the share capital of the Company will be subdivided into two (2) Subdivided Shares of par value of HK\$0.025 each.

Conditions of the Share Subdivision

The Share Subdivision is conditional upon:

- (i) the passing of the ordinary resolution to approve the Share Subdivision by the Shareholders at the EGM; and
- (ii) the Stock Exchange granting approval to the listing of, and permission to deal in, the Subdivided Shares.

An application will be made by the Company to the Stock Exchange for the listing of, and the permission to deal in, the Subdivided Shares.

Assuming all the conditions are fulfilled, the Share Subdivision will become effective on the Business Day following the passing of the ordinary resolution at the EGM, which is expected to be held on Wednesday, 3 June 2015.

Effect of the Share Subdivision

As at the date of this announcement, the authorised share capital of the Company was HK\$100,000,000 divided into 2,000,000,000 Shares of par value of HK\$0.05 each, of which 400,000,000 Shares have been issued and are fully paid or credited as fully paid. Assuming that no further Shares are issued or repurchased between the date of this announcement and the date of the EGM, immediately after the Share Subdivision becoming effective, the authorised share capital of the Company will become HK\$100,000,000 divided into 4,000,000,000 Subdivided Shares of par value of HK\$0.025 each, of which 800,000,000 Subdivided Shares of par value of HK\$0.025 each will be in issue which are fully paid or credited as fully paid.

Upon the Share Subdivision becoming effective, all Subdivided Shares will rank *pari passu* in all respects with the Shares in issue prior to the Share Subdivision and the Share Subdivision will not be expected to result in any change in the relevant rights of the Shareholders.

The Shares are currently traded in the board lots of 8,000 Shares. Upon the Share Subdivision becoming effective, the board lot size for trading on GEM will remain unchanged with 8,000 Subdivided Shares for each board lot. The Share Subdivision will not be expected to result in any odd lots other than those already exist.

Free exchange of Subdivided Shares' certificates and trading arrangement

Subject to the Share Subdivision becoming effective, which is expected to be on Thursday, 4 June 2015, Shareholders may, during the period from Thursday, 4 June 2015 to Monday, 13 July 2015 (both days inclusive) between 9:00 a.m. and 4:30 p.m. on any Business Day, submit share certificates for the existing Shares in orange colour to the Company's branch share registrar and transfer office in Hong Kong, Tricor Investor Services Limited at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong, to exchange, at the expense of the Company, for new certificates of the Subdivided Shares in yellow colour. After the expiry of such period, each share certificate for the existing Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such higher amount as may from time to time be specified by the Stock Exchange) for each new share certificate issued for the Subdivided Shares or each share certificate for the existing Shares submitted for cancellation, whichever the number of certificates issued or cancelled is higher.

The existing share certificates will only be valid for delivery, trading and settlement purposes for the period up to 4:00 p.m. on Thursday, 9 July 2015 and thereafter will not be accepted for delivery, trading and settlement purposes. However, the existing share certificates will continue to be good evidence of title to the Subdivided Shares on the basis of one Share for two Subdivided Shares.

It is expected that the new share certificates will be available for collection within a period of ten Business Days after the submission of the existing share certificates to the Company's branch share registrar for exchange. The new share certificates will be yellow in colour so as to be distinguished from the existing share certificates which are orange in colour.

REASONS FOR THE SHARE SUBDIVISION

The trading price of the Shares has recently increased and resulted in the increase in the value of a board lot. On the initial listing of the Shares on 8 January 2015, the placing price per Share was HK\$0.385 and each board lot value was HK\$3,080. As at the date of this announcement, the closing price per Share as quoted on the Stock Exchange is HK\$1.57 and each board lot value is HK\$12,560 which is approximately 308% increase compared to each board lot value on initial listing. The high board lot value sets a high entry fee for the investors and compromises the liquidity of the trading of the Shares.

Upon the proposed Share Subdivision becoming effective, the par value of each share of the Company will decrease and the total number of shares of the Company in issue will increase. The Share Subdivision will result in a downward adjustment to the trading price of the shares of the Company. The Board believes that the Share Subdivision will improve the liquidity in trading of the Company's Subdivided Shares, and thereby attract more investors and widen its Shareholder base. It will also provide more flexibility for the investors to buy and sell Shares. In view of the above, the Board considers that the Share Subdivision is fair and reasonable and in the interests of the Company and its Shareholders as a whole.

Other than the relevant expenses, including but not limited to professional fees and printing charges incurred, the implementation of the Share Subdivision will have no effect on the consolidated net asset value of the Group, nor will it alter the underlying assets, business, operations, management or financial position of the Company or the interests of the Shareholders. The Directors believe that the Share Subdivision will not have any material adverse effect on the financial position of the Group.
