CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

To the Shareholders

Dear Sirs,

**PROPOSED GENERAL MANDATES
TO ISSUE AND REPURCHASE SHARES
PROPOSED RE-ELECTION OF RETIRING DIRECTORS
AND
NOTICE OF ANNUAL GENERAL MEETING**

1. INTRODUCTION

The purpose of this circular is to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the above proposed matters which include, *inter alia*, (i) the grant of the Issue Mandate and Repurchase Mandate; (ii) the proposed re-election of retiring Directors; and (iii) to send you the notice of the AGM.

LETTER FROM THE BOARD

2. GENERAL MANDATE TO ISSUE SHARES

At the AGM of the Company held on 10 August 2015, a general and unconditional mandate was given by the Shareholders to the Directors to exercise the powers of the Company to allot, issue and deal with Shares. Such mandate would lapse on the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) the revocation or variation of the authority by an ordinary resolution of the Shareholders in general meeting (whichever is the earliest). In order to ensure that the flexibility and discretion be given to the Directors in the event that it becomes desirable to allot, issue and deal with Shares of the Company, approval is being sought from the Shareholders for the granting of the Issue Mandate to the Directors to allot, issue and deal with Shares up to a maximum of 20 per cent. of the total nominal amount of the share capital of the Company in issue as at the date of the passing of the ordinary resolution set out as resolution numbered 5(A) in the notice convening the AGM and adding to such general mandate any Shares representing the aggregate nominal amount of the Shares repurchased by the Company under the Repurchase Mandate. If the resolution is passed and no Share is repurchased by the Company, exercise in full of the Issue Mandate (on the basis of 1,000,000,000 Shares in issue at the Latest Practicable Date) would result in up to 200,000,000 new Shares being allotted, issued and dealt with by the Company.

3. GENERAL MANDATE TO REPURCHASE SHARES

At the AGM of the Company held on 10 August 2015, a general and unconditional mandate was given by the Shareholders to the Directors to exercise the powers of the Company to repurchase Shares. Such mandate will lapse on the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) the revocation or variation of the authority by an ordinary resolution of the Shareholders in general meeting (whichever is the earliest). A resolution to grant the Directors the Repurchase Mandate will be proposed at the AGM to enable the Directors to exercise the powers of the Company to repurchase its own issued and fully paid Shares up to a maximum of 10 per cent. of the share capital of the Company in issue as at the date of the passing of the ordinary resolution set out as resolution numbered 5(B) in the notice convening the AGM. The notice convening the AGM is set out in Appendix III to this circular. The Company at present has no immediate plan to exercise the Repurchase Mandate.

An explanatory statement as required by the GEM Listing Rules to provide the requisite information on the Repurchase Mandate is set out in Appendix I to this circular.

LETTER FROM THE BOARD

4. PROPOSED RE-ELECTION OF RETIRING DIRECTORS

The Company has stated in the annual report of the Company for the year ended 31 March 2016 that the Directors of the Company, namely, Mr. Keung Kwok Cheung, Mr. Kwok Koon Keung and Mr. Ong Chi King (executive Directors), Mr. Ong King Keung (non-executive Director), Mr. Chan Ka Yin (independent non-executive Director) are retiring by rotation and they are willing to put themselves up for re-election at the AGM.

Mr. Chan Ka Yin (“**Mr. Chan**”), an independent non-executive Director of the Company, has confirmed that he meets the independent requirements set out in Rule 5.09 of the GEM Listing Rules and the Board believes that Mr. Chan is independent of the Group and will continue to make contribution to the Company if re-elected.

Article 113 of the Articles of Association provides that no person, other than a retiring Director, shall, unless recommended by the Board for election, be eligible for election to the office of Director at any general meeting, unless notice in writing of the intention to propose that person for election as a Director, signed by a Shareholder (other than the person to be proposed for election as a Director) duly qualified to attend and vote at the meeting for which such notice is given, and a notice in writing signed by that person of his willingness to be elected shall have been lodged with the Company. The minimum length of the period during which such notices are given shall be at least seven days and the period for lodgment of such notices shall commence no earlier than the day after the despatch of the notice of the general meeting appointed for such election and end no later than seven days prior to the date of such meeting.

Accordingly, if a Shareholder wishes to nominate a person to stand for election as a Director at the AGM, notice of his intention to propose such person for election as a Director and the notice executed by the nominee of his willingness to be elected must be validly served at the principal place of business of the Company at 11th Floor, Nanyang Plaza, 57 Hung To Road, Kwun Tong, Kowloon, Hong Kong on or before 10:30 a.m. on 1 August 2016.

If a valid notice from a Shareholder to propose a person to stand for election as a Director at the AGM is received after the publication of the notice of the AGM, the Company will publish an announcement to inform Shareholders of the biographical details of the additional candidate proposed.

Details of the biographies of each of the Directors who have offered themselves for re-election are set out in Appendix II to this circular.

5. AGM

A notice of the AGM is set out in Appendix III to this circular.

A form of proxy for use at the AGM is also enclosed with this circular. Whether or not you are able or intend to attend the AGM, you are requested to complete and return the enclosed form of proxy to the Company’s branch share registrar in Hong Kong, Tricor Investor Services Limited at Level 22, Hopewell Centre, 183 Queen’s Road East, Hong

LETTER FROM THE BOARD

Kong in accordance with the instructions printed thereon as soon as possible and in any event not less than 48 hours before the time appointed for the holding of the AGM or any adjournment thereof. Completion and return of the form of proxy shall not preclude you from attending and voting in person at the AGM or any adjourned meeting should you so wish.

6. VOTING BY POLL AT GENERAL MEETINGS

Pursuant to Rule 17.47(4) of the GEM Listing Rules, any vote of Shareholders at a general meeting must be taken by poll except where the chairman of the meeting, in good faith and in compliance with the GEM Listing Rules, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Therefore, pursuant to Article 72 of the Articles of Association, each resolution set out in the notice to the AGM which is put to vote at the AGM shall be decided by poll. The Company will appoint scrutineers to handle vote-taking procedures at the AGM. The results of the poll will be published on the Stock Exchange's website at www.hkexnews.hk and the Company's website at www.deson-c.com as soon as possible after the conclusion of the AGM.

7. CLOSURE OF REGISTER OF MEMBERS

The register of members of the Company will be closed from 4 August 2016 to 8 August 2016, both days inclusive. During this period, no transfer of Shares will be registered. In order to attend and vote at the annual general meeting, all transfers of Shares accompanied by the relevant share certificates must be lodged with the Company's branch share registrar in Hong Kong, Tricor Investor Services Limited, at level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong not later than 4:30 p.m. on 3 August 2016.

8. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

9. RECOMMENDATION

The Directors consider that (i) the proposed grant of the Issue Mandate and the Repurchase Mandate; and (ii) the proposed re-election of retiring Directors, in each case as described in this circular, are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Board recommends all Shareholders to vote in favour of all the resolutions to be proposed at the AGM.

LETTER FROM THE BOARD

10. COMPETING INTERESTS

During the year, according to the GEM Listing Rules, the following Director has interests in the following businesses which are considered to compete or likely to compete, either directly or indirectly, with the business of the Group other than those businesses where the Directors of the Company were appointed as directors to represent the interests of the Company and/or the Group:

Name of Director	Name of entity which are considered to compete or likely to compete with the business of the Group	Description of business	Nature of interests
Mr. Ong Chi King	Wan Kei Group Holdings Limited	Principally engaged in (i) foundation works; and (ii) ground investigation field works	Independent non-executive director
	WLS Holdings Limited	Provision of management contracting services, other services for construction and building work	Independent non-executive director
	KSL Holdings Limited	Provision of engineering consulting, contracting and project management services	Independent non-executive director (resigned on 2 June 2016)

As the Board of Directors of the Company is independent of the boards of the above-mentioned entities and the above Director cannot control the Board of the Company, the Group is therefore capable of carrying its business independently of and at arm's length from the businesses of these entities.

Save as disclosed above, the Directors are not aware of any business and interest of the Directors nor the controlling shareholder of the Company nor any of their respective close associates (as defined in the GEM Listing Rules) that compete or may compete with the business of the Group and any other conflict of interests which any such person has or may have with the Group during the year.

By Order of the Board
Deson Construction International Holdings Limited
Keung Kwok Cheung
Chief Executive Officer and Executive Director

The GEM Listing Rules permit companies with primary listing on the Stock Exchange to repurchase their fully paid-up Shares on the Stock Exchange subject to certain restrictions.

The following is the explanatory statement required to be sent to the Shareholders under the GEM Listing Rules to enable them to make an informed decision on whether to vote for or against the ordinary resolution in relation to the grant of the Repurchase Mandate.

1. REASONS FOR REPURCHASE MANDATE

The Directors believe that the granting of the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or the earnings per Share of the Company and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders. The Directors have no present intention to repurchase any of the securities of the Company.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,000,000,000 Shares of HK\$0.025 each.

Subject to the passing of the resolution approving the Repurchase Mandate, and assuming no Shares will be issued or repurchased by the Company during the period between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 100,000,000 Shares.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles of Association and the applicable laws of the Cayman Islands. Under the Cayman Companies Law, any repurchases by the Company may be made either (1) out of profits of the Company; (2) out of the share premium account of the Company; (3) out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase; or (4) out of capital, if so authorised by the Articles of Association and subject to the provisions of the Cayman Companies Laws. In the case of any premium payable over the par value of the Shares to be repurchased on the repurchase, such premium must be provided out of either or both of the profits of the Company or the share premium account of the Company, or out of capital, if so authorised by the Articles of Association and subject to the provisions of the Cayman Companies Laws. In accordance with the Cayman Companies Law, the Shares so repurchased would remain part of the authorised but unissued share capital of the Company.

If the Repurchase Mandate were exercised in full, there might be a material adverse effect on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 March 2016). However, the Directors do not propose to

exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

4. DIRECTORS DEALINGS AND CORE CONNECTED PERSON

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, their close associates, have any present intention to sell to the Company or its subsidiaries any Shares under the Repurchase Mandate if such is approved by the Shareholders.

No core connected persons (as defined in the GEM Listing Rules) of the Company have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

5. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months prior to the Latest Practicable Date were as follows:

Month	Trading price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2015		
June	0.900	0.520
July	0.570	0.200
August	0.420	0.204
September	0.340	0.224
October	0.420	0.295
November	0.495	0.365
December	0.550	0.330
2016		
January	0.385	0.265
February	0.330	0.255
March	0.305	0.260
April	0.325	0.270
May	0.290	0.250
June (up to the Latest Practicable Date)	0.260	0.210

6. SHARE REPURCHASES MADE BY THE COMPANY

No repurchase of Shares has been made by the Company during the six months preceding the Latest Practicable Date.

7. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

8. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (as defined under the Takeovers Code) could, depending on the level of increase of the Shareholder's interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, DDIHL (through its wholly-owned subsidiary, Deson Development Holdings Limited) was beneficially interested in 511,769,868 Shares, representing approximately 51.18% of the total number of issued Shares. Sparta Assets Limited ("**Sparta Assets**"), which was wholly owned by Mr. Tjia Boen Sien ("**Mr. Tjia**"), the Chairman and non-executive Director, was directly interested in 26,645,000 Shares representing approximately 2.66% of the total number of issued Shares and it also beneficially owned 349,935,000 shares in DDIHL, representing approximately 35.79% of the issued share capital of DDIHL as at the Latest Practicable Date. Mr. Tjia also had direct personal interest in 22,887,200 Shares, representing approximately 2.29% of the total number of issued Shares and 68,661,600 shares in DDIHL, representing approximately 7.02% of the issued share capital of DDIHL as at the Latest Practicable Date. Accordingly, Sparta Assets is interested and is deemed to be interested in a total of 538,414,868 Shares, representing approximately 53.84% of the total number of issued Shares (being its direct interest and its deemed interest through DDIHL) and Mr. Tjia is interested and is deemed to be interested in a total of 561,302,068 Shares, representing approximately 56.13% of the total number of issued Shares (being his direct interest and deemed interest through Sparta Assets).

In the event that the Repurchase Mandate was exercised in full by the Company, the aggregate percentage shareholding of DDIHL, Sparta Assets and Mr. Tjia in the Company would increase to approximately 56.86%, 59.82% and 62.37%, respectively. Such increases would not result in DDIHL, Sparta Assets and Mr. Tjia to make a mandatory offer under Rule 26 of the Takeovers Code. Save as disclosed above, the Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a consequence of any purchases made pursuant to the Repurchase Mandate.

The Directors have no present intention to exercise the Repurchase Mandate to such extent as would cause the public float to fall below 25% of the issued share capital of the Company or such other minimum percentage as prescribed by the GEM Listing Rules from time to time.

The following are the biographies of each of the retiring Directors proposed to be re-elected at the AGM:

EXECUTIVE DIRECTORS

Mr. Keung has over 34 years of experience in the fields of civil, structural and building engineering and in the management of large-scale projects.

Mr. Keung was awarded with an Associateship in Civil and Structural Engineering from the Hong Kong Polytechnic University (formerly known as Hong Kong Polytechnic) in November 1982 and graduated from the University of Macau (formerly known as University of East Asia, Macau) with the Master of Business Administration in January 1991. Pursuant to the service agreement between Mr. Keung and the Company, Mr. Keung is entitled to receive a remuneration of HK\$1,420,800 per annum, which is determined by the remuneration committee of the Board with reference to his duties and responsibilities with the Company and an annual discretionary bonus of such an amount to be determined by the remuneration committee of the Board from time to time with reference to the financial results of the Company and on his performance. - (2) Billion Hope was a joint venture company owned as to approximately 70% by Deson Development Limited and 30% by a third party and its principal business was performing certain contracting works. Due to the breaking down of relationship with the joint venture partner, Deson Development Limited paid certain suppliers of Billion Hope directly on behalf of Billion Hope when it was unable to and eventually, after completion of a project, Deson Development Limited made a petition in 2005 to the courts of Hong Kong for the compulsory winding-up of Billion Hope in order to recover the repayment of such unpaid amounts owed to Deson Development Limited by Billion Hope.

Mr. Keung confirmed that there is no wrongful act on his part leading to the above dissolutions and winding-up and he is not aware of any actual or potential claim has been or will be made against him as a result of the dissolutions and winding-up of these companies.
