The Disposal Group is principally engaged in the investment holding and property investment. It solely holds the Property in Hong Kong with the Subsidiary as the registered owner. Upon Completion, the Disposal Group will cease to be subsidiaries of the Company.

IMPLICATIONS UNDER GEM LISTING RULES

As one or more of the applicable percentage ratios (as defined under the GEM Listing Rules) in respect of the Disposal is more than 5% but is less than 25%, the Disposal contemplated under the Sale and Purchase Agreement constitutes a discloseable transaction of the Company under the GEM Listing Rules and is subject to notification and announcement requirements as set out in Chapter 19 of the GEM Listing Rules.

Shareholders and potential investors of the Company should note that Completion of the Disposal is subject to fulfilment or waiver (as the case may be) of the conditions precedent set out in the Sale and Purchase Agreement and therefore, there remains the possibility that the Disposal may or may not proceed. Shareholders and potential investors of the Company should exercise caution when dealing with the Shares or other securities of the Company.

The principal terms of the Sale and Purchase Agreement are set out below.

THE SALE AND PURCHASE AGREEMENT

Date

24 October 2019

Parties

Vendor: New Stream Holdings Limited, an indirect wholly-owned subsidiary of the Company

Purchaser: an Independent Third Party

To the best of the Directors' knowledge, information and belief and having made all reasonable enquiries, as at the date of this announcement, the Purchaser is Independent Third Party.

Assets disposed of

Pursuant to Sale and Purchase Agreement, the Vendor agreed to sell, and the Purchaser agreed to acquire, (i) the Sale Share; and (ii) the Debt, at the aggregate Consideration of HK\$10,600,000, subject to the Current Asset/Liability Adjustment. The Sale Share represents the entire issued share capital of the Target Company. The Debt represents all the amounts owing by the Disposal Group to the Vendor as at the Completion Date.

Consideration and Payment Term

The aggregate Consideration for the Sale Share and the Debt is HK\$10,600,000, subject to the Current Asset/Liability Adjustment.

The Consideration is to be satisfied by the Purchaser by payment in cash in the following manner:

- (a) a deposit of HK\$1,060,000 to be paid on or before 28th October 2019 to the Vendor's solicitors as stakeholder who shall not release the same to the Vendor upon Completion ("Deposit"); and
- (b) the balance of the Consideration in the sum of HK\$9,540,000 shall be paid upon Completion.

The Consideration for the Disposal was arrived at after arm's length negotiations between the Vendor and the Purchaser, having taken into account the recent market prices of the landed properties in and near the vicinity where the Property situates, the prevailing property market conditions in Hong Kong, and with reference to the market value of the Property of HK\$10,400,000 as at 31 March 2019 based on the Valuation Report prepared by an independent valuer.

The Directors consider that the terms and conditions of the Sale and Purchase Agreement are fair and reasonable and on normal commercial terms and are in the interests of the Company and the Shareholders as a whole.

Conditions Precedent

Completion is conditional upon and subject to the following conditions:

- (a) the Purchaser having completed his due diligence review on the business, financial, legal and all other aspects of the Disposal Group and is satisfied with the results thereof;
- (b) the Vendor having procured the Target Company to give and prove a good title to the Property in accordance with Section 13 and Section 13A of the Conveyancing and Property Ordinance (Chapter 219 of the Laws of Hong Kong) at the Vendor's own costs and expenses; and
- (c) all representations and warranties given by the Vendor under the Sale and Purchase Agreement shall remain true and accurate in all material respects and not misleading as if the representations and warranties are repeated by the Vendor as at the Completion Date.

If any of the conditions set out above have not been fulfilled (or, as the case may be, waived) on or before the Completion Date, then the Sale and Purchase Agreement shall lapse whereupon (i) the Deposit shall be returned to the Purchaser without interest if it is returned within 7 days from the lapse of the Sale and Purchase Agreement; and (ii) the provisions of the Sale and Purchase Agreement shall from such date have no further force and effect and no Party shall have any liability thereunder (without prejudice to the rights of the parties to the Sale and Purchase Agreement in respect of any antecedent breaches).

Deed of Indemnity

On Completion, the Vendor, the Disposal Group and the Purchaser will enter into the Deed of Indemnity, whereby the Vendor undertakes to the Purchaser that it shall indemnify the Purchaser and the Disposal Group for a period of thirty-six (36) calendar months from the date of the Completion against any tax liabilities as well as all interest, penalties, costs, charges and expenses incidental to or relating to the tax liabilities of the Disposal Group in Hong Kong and the BVI up to the date of Completion.

Completion

Upon all of the conditions precedent under Sale and Purchase Agreement having been fulfilled or waived (as the case may be), the Completion shall take place on 22 November 2019 or such other date as the Vendor and the Purchaser may agree in writing.

Upon Completion, the Disposal Group will cease to be subsidiaries of the Company and the Group will cease to have any interest in the Property.

INFORMATION OF THE GROUP

The Company is an investment holding company. The Group is currently principally engaged in (i) construction business as a main contractor, fitting-out works and the provision of electrical and mechanical engineering services, mainly in Hong Kong, the PRC and Macau and other construction related business; and (ii) investment in securities. The Vendor is an indirect wholly-owned subsidiary of the Company and its principal activity is the investment holding.

INFORMATION OF THE PURCHASER

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, the Purchaser is an Independent Third Party.

INFORMATION ON THE DISPOSAL GROUP AND THE PROPERTY

The Target Company is a company incorporated in the BVI with limited liability. The Subsidiary is a company incorporated in Hong Kong with limited liability and is the wholly-owned subsidiary of the Target Company. The Disposal Group is principally engaged in the investment holding and property investment and it solely holds the Property in Hong Kong with the Subsidiary as the registered owner. The Vendor acquired the Disposal Group (which holds the Property) in June 2018 at a consideration of HK\$10,300,000.

The Property is half floor of Winner Commercial Building, Nos. 401 – 403 Lockhart Road, Hong Kong. The Property is a commercial office with a gross floor area of approximately 681 square feet. The Property is located in a prime area of Hong Kong, which is near Wanchai MTR station and Causeway Bay MTR station.

As at 31 December 2018, the audited carrying value of the Property was HK\$8,591,158.

Set out below is a summary of the key financial information of the Disposal Group from acquisition thereof in June 2018 to 31 March 2019 and for the three months ended 30 June 2019:

	For the year ended 31 March 2019 <i>HK\$'000</i> (approximately) (audited)	For the three months ended 30 June 2019 <i>HK\$'000</i> (approximately) (unaudited)
Revenue	234	78

Profit (Loss) before taxation	1,255	64
Profit (Loss) after taxation	1,238	64
	As at 31 March 2019 <i>HK\$'000</i> (approximately) (audited)	As at 30 June 2019 <i>HK\$'000</i> (approximately) (unaudited)
Total assets	10,676	64,670
Net assets	463	526

FINANCIAL EFFECT OF THE DISPOSAL

Upon Completion, the Group will cease to have any interest in the Disposal Group, and the financial results of the Disposal Group will no longer be consolidated in the financial statement of the Group.

Upon Completion, the Group expects to record estimated unaudited profit of approximately HK\$120,000 as a result of the Disposal, which is calculated with reference to the difference between (i) the Consideration and (ii) the aggregate of (a) the estimated unaudited net asset value of the Disposal Group as at 30 June 2019; (b) the amount of the Debt; and (c) the estimated expenses in connection with the Disposal. The Consideration will be applied to the Group for general working capital and daily operating use. The actual profit as a result of the Disposal to be recorded by the Group may be subject to accounting adjustment and shall be subject to audit to be performed by the auditors of the Company.

REASONS FOR AND BENEFIT OF THE DISPOSAL

The Property is an investment property of the Group as the Group has leased the Property for generating rental income and the tenancy ended on 31 August 2019. The Directors are of the view that the gloomy economy of Hong Kong caused by the present anti-extradition law amendment bill movement has casted uncertainty to commercial property market in Hong Kong and made it unstable, and the Group should realise its investment in the Property before the drop of the property market actually happens so as to prevent loss in the investment. The net proceeds as a result of the Disposal provides working capital for the Group for the Group's future development.

The terms of the Sale and Purchase Agreement were determined after arm's length negotiations between the Vendor and the Purchaser on a willing-buyer and willing-seller basis. In determining the Consideration, the Board has made reference to, among others, the market value of the Property as at 31 March 2019, based on the Valuation Report.

In light of the reasons above, the Directors (including the non-executive Directors and the independent non-executive Directors) consider that the terms of the Sale and Purchase Agreement are on normal commercial terms, fair and reasonable and the Disposal is in the interests of the Company and the Shareholders as a whole. The Disposal has been approved by the Board. As none of the Directors had material interests in the Sale and Purchase Agreement, no Director was required to abstain from voting on the resolutions approving the Sale and Purchase Agreement and the transaction contemplated thereunder.

IMPLICATIONS UNDER THE GEM LISTING RULES

As one or more of the relevant percentage ratios (as defined under the GEM Listing Rules) in respect of the Disposal is more than 5% but is less than 25%, the Disposal constitutes a discloseable transaction for the Company under the GEM Listing Rules and is subject to notification and announcement requirements as set out in Chapter 19 of the GEM Listing Rules.

Shareholders and potential investors of the Company should note that Completion of the Disposal is subject to fulfilment or waiver (as the case may be) of the conditions precedent set out in the Sale and Purchase Agreement and therefore, there remains the possibility that the Disposal may or may not proceed. Shareholders and potential investors should exercise caution when dealing with the Shares or other securities of the Company.
