FINANCIAL SERVICES AGREEMENT**

FINANCIAL SERVICES AGREEMENT

The Board announces that on 6 March 2026, the Company entered into the Financial Services Agreement with SIIC Finance, pursuant to which it is agreed that members of the Group will engage SIIC Finance for the provision of deposit services, credit services and other financial services for a term not exceeding three (3) years.

LISTING RULES IMPLICATIONS

As at the date of this announcement, SIIC Finance is a subsidiary of SIIC Shanghai, over which SIIC, the controlling shareholder of the Company, is the authorised representative exercising state-owned shareholder's right. As such, SIIC Finance is an associate of SIIC and a connected person of the Company, and the entering into of the Financial Services Agreement and the transactions contemplated thereunder constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

Deposit services

As the highest applicable percentage ratio for the maximum daily outstanding balance of deposits (including accrued interests) to be placed by the Group with SIIC Finance under the Financial Services Agreement is more than 25%, such deposit services constitute (i) non-exempt continuing connected transactions subject to the reporting, announcement, annual review, circular and Independent Shareholders' approval requirements under Chapter 14A of the Listing Rules; and (ii) a major transaction subject to the reporting, announcement, circular and Shareholders' approval requirements under Chapter 14 of the Listing Rules.

Credit services

As the credit services to be provided by SIIC Finance to the Group under the Financial Services Agreement shall be on normal commercial terms or better, and the Group only expects to engage such credit services if and when no security will be granted by the Group over its assets in respect of such credit services, the credit services as contemplated under the Financial Services Agreement, if and when they occur, are fully exempt from the reporting, announcement, annual review, circular and Independent Shareholders' approval requirements under Rule 14A.90 of the Listing Rules.

Other financial services

As the highest applicable percentage ratio for the aggregate amounts of the maximum service fees to be paid by the Group for the other financial services to be provided by SIIC Finance to the Group under the Financial Services Agreement is expected to fall below the de minimis threshold as specified in Rule 14A.76(1) of the Listing Rules, such other financial services are exempt from reporting, announcement, annual review, circular and Independent Shareholders' approval requirements under Rule 14A.76(1) of the Listing Rules.

INDEPENDENT BOARD COMMITTEE AND INDEPENDENT FINANCIAL ADVISER

An Independent Board Committee comprising all the independent non-executive Directors (namely, Mr. Doo Wai-Hoi, William, *B.B.S., J.P.*, Dr. Fan Ren Da, Anthony, Mr. Li Ka Fai, David, *M.H.* and Dr. Chan Ho Wah, Terence) has been established to advise the Independent Shareholders in connection with the deposit services contemplated under the Financial Services Agreement and the Proposed Deposit Services Annual Caps.

Optima Capital has been appointed as the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders in connection with the deposit services contemplated under the Financial Services Agreement and the Proposed Deposit Services Annual Caps.

The SGM will be convened and held for the purpose of considering and, if thought fit, approving the deposit services contemplated under the Financial Services Agreement and the Proposed Deposit Services Annual Caps. As SIIC, being the authorised representative exercising state-owned shareholder's right over SIIC Shanghai (being the controlling shareholder of SIIC Finance), has a material interest in the transactions contemplated under the Financial Services Agreement, SIIC and its associates, which together hold approximately 70.44% of the total number of Shares in issue as at the date of this announcement, are required to abstain from voting at the SGM on the resolutions approving the same. Save for the aforementioned and to the best of the Directors' knowledge, information and belief having made all reasonable enquiries, no other Shareholder has a material interest in the transactions contemplated under the Financial Services Agreement and is required to abstain from voting on the resolutions approving the same at the SGM.

DESPATCH OF CIRCULAR

A circular containing, among other matters, (i) further details of the deposit services contemplated under the Financial Services Agreement and the Proposed Deposit Services Annual Caps; (ii) a letter from the Independent Board Committee to the Independent Shareholders in respect of the deposit services contemplated under the Financial Services Agreement and the Proposed Deposit Services Annual Caps; (iii) a letter of advice from the Independent Financial Adviser to the Independent Board Committee and the Independent Shareholders in respect of the deposit services contemplated under the Financial Services Agreement and the Proposed Deposit Services Annual Caps; and (iv) a notice of SGM, will be despatched to the Shareholders in compliance with the Listing Rules. - (2) SIIC Finance.

Term

The term shall not exceed three (3) years commencing from the Effective Date until 31 December 2028, subject to (i) the Company and SIIC Finance having obtained the necessary authorisations or approvals in accordance with their respective constitutional documents, applicable laws and regulations (including but not limited to the Listing Rules); and (ii) SIHL (as the Company's controlling shareholder) having obtained any required approval from its independent shareholders in relation to transactions contemplated under the financial services agreement entered into between SIHL and SIIC Finance dated 14 January 2026 as required under the Listing Rules.

Financial services to be provided to the Group

Pursuant to the Financial Services Agreement, the Group may engage SIIC Finance for the provision of the following financial services:

(1) Deposit services

Pursuant to the Financial Services Agreement, the Group will engage SIIC Finance for the provision of deposit services. The interest rates for the deposits to be placed with SIIC Finance by the Group shall be determined on a fair basis in compliance with the interest rate policies of the People's Bank of China, taking into account the prevailing market interest rates whilst offering preferential terms to the Group. Under the same conditions, such rates shall not be lower than those offered by other major commercial banks in the PRC for the same type of deposits during the same period, nor shall they be lower than the rates offered by SIIC Finance for the same type of deposits accepted from third parties during the same period.

(2) Credit services

Pursuant to the Financial Services Agreement, the Group will engage SIIC Finance for the provision of credit services (including but not limited to loan services, bill acceptance and discounting services and non-financing guarantees). The interest rates or fees charged by SIIC Finance for the credit services provided to the Group shall be determined on a fair basis in compliance with the interest rate policies of the People's Bank of China, taking into account the prevailing market interest rates whilst offering preferential terms to the Group. Under the same conditions, such rates or fees shall not exceed those charged by other major commercial banks in the PRC for the same type of credit services during the same period, nor shall they exceed the rates or fees charged by SIIC Finance to third parties for the same type of credit services during the same period.

(3) Other financial services

Pursuant to the Financial Services Agreement, the Group will engage SIIC Finance for the provision of the other financial services (including but not limited to funds settlement, collection and payment services). The service fees to be charged by SIIC Finance for the provision of the other financial services to the Group shall be determined on a fair basis with reference to the fees charged for the same type of services provided by independent third parties and the prevailing market prices whilst offering preferential terms to the Group. Under the same conditions, such fees shall not exceed the prevailing fee standards (if any) prescribed by relevant government authorities for such services, nor shall they exceed fees charged by other major commercial banks in the PRC for the same type of services, nor shall they exceed fees charged by SIIC Finance for the same type of services provided to third parties.

Individual agreements

Pursuant to the Financial Services Agreement, members of the Group and SIIC Finance may from time to time enter into individual agreements for the provision of the services specified in the Financial Services Agreement. Such individual agreements will set out detailed terms of the transactions (including but not limited to types of services, interest rates, service fees and payment terms) in accordance with normal commercial terms and the principles and provisions stipulated in the Financial Services Agreement.

ANNUAL CAPS

(1) Deposit services

The maximum daily outstanding balance of deposits (including accrued interests) to be placed by the Group with SIIC Finance pursuant to the Financial Services Agreement during the term of the agreement shall not exceed the maximum amounts set out below (i.e. the Proposed Deposit Services Annual Caps):

Maximum daily outstanding balance of deposits (including accrued interests)	3,000 <i>(Note)</i>	3,000 <i>(Note)</i>	3,000 <i>(Note)</i>

Note: The deposits of the Group to be placed with SIIC Finance may be denominated in multiple currencies.

No historical transaction amounts are available, as the Group and SIIC Finance have not previously engaged in any transactions relating to deposit services.

The Proposed Deposit Services Annual Caps are determined with reference to:

- (i) the strategies of the treasury management of the Company taking into account the cash flow requirements and financial needs of the Group for its business development plans, having regard to the bank balances (including pledged bank deposits, bank deposits and cash and cash equivalents) held by the Group;
- (ii) the preferential interest rates, favourable terms and customised financial products and services offered by SIIC Finance, which are expected to enhance the Group's deposit interest income and meet its operational needs and cash management requirements, thereby supporting more efficient allocation and management of funds; and
- (iii) the interest rate for the deposits of the Group with SIIC Finance being, under the same conditions, no less than the interest rate for the same kind of deposit with the same type and term offered by major independent commercial banks in the PRC during the same period for the same period, which is beneficial to improving the level of the Group's interest income.

(2) Credit services

The credit services under the Financial Services Agreement involve the provision of financial assistance by SIIC Finance to the Group. As the credit services to be provided under the Financial Services Agreement shall be on normal commercial terms or better to the Group, and the Group only expects to engage such credit services if and when no security will be granted by the Group over its assets in respect of such credit services, the credit services as contemplated under the Financial Services Agreement, if and when they occur, are fully exempt from the reporting, announcement, annual review, circular and Independent Shareholders' approval requirements under Rule 14A.90 of the Listing Rules.

INTERNAL CONTROL AND RISK MANAGEMENT MEASURES

The Company will adopt the following measures in monitoring the transactions of the Group with SIIC Finance under the Financial Services Agreement:

- (1) before placing a deposit with SIIC Finance, the Group will assess the outstanding balance of deposits placed by the Group with SIIC Finance to ensure compliance with the Proposed Deposit Services Annual Caps;
- (2) before placing a deposit with SIIC Finance, the Group will compare the interest rates offered by SIIC Finance with the interest rates offered by at least two major commercial banks in PRC;

- (5) the finance department of the Company shall be responsible for the operations and monitoring of the transactions under the Financial Services Agreement to ensure such transactions are conducted in accordance with the terms of the Financial Services Agreement.

The Company will also adopt the following measures to monitor and mitigate the credit risks arising from the transactions under the Financial Services Agreement:

- (1) the finance department of the Company will monitor the amount of daily outstanding balance of deposits placed by the Group with SIIC Finance on a daily basis;

- (3) the Company will conduct risk assessments and reviews of SIIC Finance on a regular basis to assess its financial standing and creditworthiness, as well as the credit risk and/or default risk associated with the transactions contemplated under the Financial Services Agreement;

- (4) the Company will review SIIC Finance's financial statements, to the extent available, on an ongoing basis in order to monitor its performance and assess the safety of the deposits placed by the Group with SIIC Finance;
- (5) in the event that SIIC Finance fails to comply with any regulatory requirement which may have a material adverse impact on the deposits placed by the Group with SIIC Finance, the Group will take proper and appropriate measures to protect its deposits, including early withdrawal of deposits or discontinuation of further deposits placed with SIIC Finance;
- (6) the Audit Committee of the Company and an external auditor appointed by the Company pursuant to the Listing Rules will conduct annual reviews of the transactions under the Financial Services Agreement and to ensure compliance with the Proposed Deposit Services Annual Caps; and
- (7) the Board will review annually the Group's internal control system and its effectiveness.

In addition, SIIC Finance has agreed to (i) assist the Group in monitoring and managing the amount of daily outstanding balance of deposits placed by the Group with SIIC Finance to ensure that the actual daily outstanding balance of deposits (including accrued interest) does not exceed the applicable Proposed Deposit Services Annual Caps; (ii) without contravening applicable laws and regulations, use its best endeavours to cooperate with the Group in auditing transactions and provide information required for disclosure under the Listing Rules; and (iii) provide the finance department of the Company, with a monthly report detailing (A) the maximum daily outstanding balance of deposits (including accrued interests) placed by the Group with SIIC Finance; (B) the maximum daily outstanding balance of credit services provided by SIIC Finance to the Group; and (C) the aggregate maximum service fees payable for other financial services provided by SIIC Finance to the Group. This report is intended to assist the Group in monitoring its transactions with SIIC Finance under the Financial Services Agreement and ensuring compliance with the Proposed Deposit Services Annual Caps.

UNDERTAKINGS BY SIIC SHANGHAI AND SIIC FINANCE

In respect of the deposits placed by the Group with SIIC Finance, SIIC Shanghai, as the controlling shareholder of SIIC Finance, has undertaken that if SIIC Finance encounters an emergency situation involving payment difficulties, it will make additional capital contributions as necessary to resolve such difficulties. SIIC Shanghai has also undertaken that, in the event of a liquidity crisis at SIIC Finance, it will provide liquidity support by making additional capital contributions to the fullest extent possible. Such undertakings will effectively provide assurance to the Group on the safety of funds deposited with SIIC Finance.

According to the regulatory requirements of the Management Measures for Finance Companies of Enterprise Groups (《企業集團財務公司管理辦法》) promulgated by the China Banking and Insurance Regulatory Commission, the controlling shareholders of finance companies are required to replenish capital to such finance companies when necessary. Therefore, the articles of association of SIIC Finance states that the controlling shareholder of SIIC Finance shall replenish capital to SIIC Finance when necessary.

To further safeguard the security of the deposits placed by the Group with SIIC Finance and to meet the Group's financing needs, SIIC Finance shall provide an undertaking to use its best endeavours and take all reasonable measures to ensure that the deposits placed by the Group with SIIC Finance are primarily utilised for providing credit services to the Group.

REASONS FOR AND BENEFITS OF THE TRANSACTIONS UNDER THE FINANCIAL SERVICES AGREEMENT

The Board is of the view that it is beneficial to utilise the financial services from SIIC Finance under the Financial Services Agreement due to the following reasons:

- (1) the centralised treasury management services provided by SIIC Finance enable the Group to optimise overall capital utilisation and enhance cost-effectiveness and operational efficiency through improved coordination of cash flows and liquidity management across the Group;
- (2) SIIC Finance offers competitive interest rates for both deposit services and credit services. The favourable deposit rates enhance the Group's returns on surplus funds, while the competitive lending rates help reduce the Group's overall finance costs. The terms (including interest rates) are no less favourable than those available from other major commercial banks or financial institutions in the PRC;
- (3) the service fees and charges levied by SIIC Finance are competitive and cost-effective, and the finance costs of the Group can be reduced due to such favourable service fees for the funds settlement, collection and payment services and the other financial services;

- (4) SIIC Finance is familiar with the Group's business, including its capital structure, strategic direction, operating model, funding requirements and cash-flow patterns. This enables SIIC Finance to offer more flexible and customised financial products and services tailored to the Group's operational needs, enhancing capital efficiency and supporting the Group's business requirements more effectively than standardised offerings from external financial institutions;
- (5) SIIC Finance has a streamlined organisational structure and efficient internal decision-making processes, enabling it to respond promptly to the Group's financial service needs and provide greater flexibility in structuring financing terms and tenors. This responsiveness supports faster decision-making, facilitates more efficient financial planning and unlocks strategic synergies through a deeper, more integrated relationship; and
- (6) the Group's portfolio of principal bankers and/or financial institutions will be diversified during the term of the Financial Services Agreement, thereby reducing concentration risk and enhancing the Group's financial flexibility. In addition, access to financial services from SIIC Finance strengthens the Group's negotiating position when dealing with other major commercial banks and financial institutions in the PRC, potentially resulting in more favourable terms across the Group's banking relationships.

The Directors consider that the terms of the Financial Services Agreement and the transactions contemplated thereunder (including the Proposed Deposit Services Annual Caps) are on normal commercial terms after arm's length negotiations and in the ordinary and usual course of business of the Group, which are fair and reasonable and in the interests of the Company and the Shareholders as a whole. The views of the independent non-executive Directors on the deposit services contemplated under the Financial Services Agreement and the Proposed Deposit Services Annual Caps will be reserved and provided in their letter to be included in the circular.

The Board has assessed the credit risks associated with the transactions contemplated under the Financial Services Agreement. It considers that, for the reasons set out below, the credit risks to which the Company may be exposed in connection with the deposits to be placed by the Group with SIIC Finance, as the Company's financial service provider, have been effectively managed. The Board further believes that such risks will not exceed those associated with deposits placed with other major commercial banks in the PRC and that the Company's assets are adequately protected against potential losses arising from the transactions contemplated under the Financial Services Agreement. The Board's views are based on the following:

- (1) SIIC Finance is regulated by the People's Bank of China and the NFRA and is required to comply with the relevant rules and operational requirements issued by these authorities, including capital risk guidelines and prescribed capital adequacy ratios;
- (2) As mentioned above, the deposits placed by the Group with SIIC Finance are safeguarded by undertakings provided by SIIC Finance and its controlling shareholder, SIIC Shanghai. Pursuant to these undertakings, SIIC Shanghai will make additional capital contributions to SIIC Finance in the event of payment difficulties, will refrain from withdrawing capital, and will provide liquidity support to the fullest extent. These protections are complemented by similar requirements embedded in the articles of association of SIIC Finance, as mandated under the Management Measures for Finance Companies of Enterprise Groups (《企業集團財務公司管理辦法》);
- (3) SIIC Finance has established a comprehensive suite of risk management systems and internal control policies governing its fund management, credit management and investment management activities. These systems provide standardised management and operations, with a reasonable division of labour, clearly defined responsibilities and transparent reporting lines, thereby supporting effective risk management;
- (4) SIIC Finance has maintained robust capital adequacy and liquidity ratios for the three years ended 31 December 2023, 2024 and 2025. Its minimum capital adequacy ratios during the period were 21.62%, 20.49% and 19.57%, respectively, while its minimum liquidity ratios during the period were 39.06%, 47.71% and 46.39%, respectively. Since its establishment in 2014, SIIC Finance has recorded no non-performing loans, evidencing its prudent risk management and operational stability;

- (5) The Company has conducted a comprehensive credit risk assessment of SIIC Finance, evaluating its operational and financial condition (including its capital adequacy and liquidity ratios, key financial metrics, financial risk indicators and regulatory compliance ratios) as well as its overall regulatory standing. Based on this assessment, the Board considers that SIIC Finance complies with the rules and regulatory requirements of the People's Bank of China and the NFRA, maintains adequate financial strength and creditworthiness to perform its obligations under the Financial Services Agreement and presents an acceptable level of credit risk to the Group;
- (6) Under the relevant rules of the People's Bank of China and the NFRA, SIIC Finance primarily serves SIIC Shanghai and its member companies. Having served these group members over an extended period, SIIC Finance has developed a deep understanding of their capital positions, operating conditions and risk appetites. As a result, its customer base potentially exposes it to lower credit risks compared with entities that solicit business from external customers; and
- (7) The Group remains free to place deposits with any commercial bank or other non-bank financial institution in accordance with its own needs and requirements.

LISTING RULES IMPLICATIONS

As at the date of this announcement, SIIC Finance is a subsidiary of SIIC Shanghai, over which SIIC, the controlling shareholder of the Company, is the authorised representative exercising state-owned shareholder's right. As such, SIIC Finance is an associate of SIIC and a connected person of the Company, and the entering into of the Financial Services Agreement and the transactions contemplated thereunder constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

Deposit services

As the highest applicable percentage ratio for the maximum daily outstanding balance of deposits (including accrued interests) to be placed by the Group with SIIC Finance under the Financial Services Agreement is more than 25%, such deposit services constitute (i) non-exempt continuing connected transactions subject to the reporting, announcement, annual review, circular and Independent Shareholders' approval requirements under Chapter 14A of the Listing Rules; and (ii) a major transaction subject to the reporting, announcement, circular and Shareholders' approval requirements under Chapter 14 of the Listing Rules.

Credit services

As the credit services to be provided by SIIC Finance to the Group under the Financial Services Agreement shall be on normal commercial terms or better, and the Group only expects to engage such credit services if and when no security will be granted by the Group over its assets in respect of such credit services, the credit services as contemplated under the Financial Services Agreement, if and when they occur, are fully exempt from the reporting, announcement, annual review, circular and Independent Shareholders' approval requirements under Rule 14A.90 of the Listing Rules.

Other financial services

As the highest applicable percentage ratio for the aggregate amounts of the maximum service fees to be paid by the Group for the other financial services to be provided by SIIC Finance to the Group under the Financial Services Agreement is expected to fall below the de minimis threshold as specified in Rule 14A.76(1) of the Listing Rules, such other financial services are exempt from reporting, announcement, annual review, circular and Independent Shareholders' approval requirements under Rule 14A.76(1) of the Listing Rules.

As none of the Directors has any material interest in the Financial Services Agreement and the transactions contemplated thereunder (including the Proposed Deposit Services Annual Caps), none of the Directors is required to abstain from voting on the Board resolution(s). However, Mr. Huang Haiping, also acting as a vice president of SIIC, has voluntarily abstained from voting on the Board resolution(s) approving the Financial Services Agreement and the transactions contemplated thereunder (including the Proposed Deposit Services Annual Caps).
