(Incorporated in the Cayman Islands with limited liability)

(Stock Code: 8311)

PROFIT WARNING

This announcement is made by Perfect Optronics Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the initial assessment of the unaudited consolidated management accounts of the Group, the financial results of the Group for the six months ended 30 June 2025 (the “**Period**”) is expected to turn from profit to loss by recording a consolidated loss attributable to equity holders of the Company within a range of approximately HK\$12 million to HK\$14 million, as compared to a consolidated profit attributable to equity holders of the Company of approximately HK\$2,250,000 for the six months ended 30 June 2024.

The abovementioned expected turnaround from profit to loss for the Period was principally attributable to an expected fair value loss on the Group’s financial asset at fair value through profit or loss (“**FVTPL**”) for the Period of approximately HK\$7,060,000 as compared to the fair value gain of approximately HK\$15,082,000 for the corresponding period in 2024. Such financial asset at FVTPL of the Group comprised certain ordinary shares of Mobvoi Inc. (“**Mobvoi**”) listed on The Stock Exchange of Hong Kong Limited (Stock Code: 2438) held by the Group, the fair value of which is estimated with reference to the market price of the ordinary shares of Mobvoi. The aforesaid fair value loss on the Group’s financial asset at FVTPL brought about the

expected turnaround from profit to loss for the Period, in spite of a reduction in loss incurred by the Group in its business operations for the Period as compared to the corresponding amount of loss in the Group's business operations for the six months ended 30 June 2024.

The information contained in this announcement represents only a preliminary assessment by the Company based on information currently available to the Company including the unaudited consolidated management accounts of the Group for the Period, which have not been audited or reviewed by the auditors of the Company and have not been reviewed by the audit committee of the Company. As at the date of this announcement, the Group has not yet finalised its consolidated financial results for the Period, and such results are subject to necessary adjustments. The consolidated financial results of the Group for the Period will be published in late August 2025. Shareholders and potential investors should pay attention to such consolidated financial results of the Group when published.

Shareholders and potential investors should exercise caution when dealing in the securities of the Company.
